Fundraising Request Memo To all Moose Legion Jurisdictions,

It's that time of year again. Some Mooseheart boys are planning a trip to visit Moosehaven again this year. A great week of activities is planned for them and the Moosehaven residents and we're once again asking the Moose Legion to sponsor the trip.

But wait – there's more....This year there will also be a trip for some of our Mooseheart girls. While they will travel to Moosehaven on a different time schedule, a similar format and series of activities will be planned. They are excited about the prospect of visiting with our seniors as well.

The total estimated cost for these trips, and thus our fundraising goal, is: \$9,000.00. It is hoped that our various jurisdictions will step up as they have in past years and make this pair of trips a reality for both the students and our seniors. Frankly, we are not sure which group is more excited about it?!

This will be another great experience for residents of both campuses as well as the staff. We are grateful to the Moose Legion for its past support and extend the opportunity to be part of making this a reality again this year.

If your jurisdiction would like to contribute to this event for this summer, Moose Charities is now ready to start accepting your contributions. You can start to send them immediately. While there is no set assessment per jurisdiction, we simply ask that all donations for this project be remitted at your earliest opportunity. Any overage received will be applied to another Moose Legion project.

Checks should be made out to Moose Charities and earmarked:
