

# MOOSE LEGIONNAIRES

## SUPPORT THE ENDOWMENT FUND

### EVERYBODY WINS - BIG TIME!!!

As Moose Legionnaires, we have the obligation, responsibility, and regular opportunity to contribute to two (2) of our Fraternity's primary responsibilities; Mooseheart and Moosehaven.

We have each personally obligated ourselves, as Moose Legionnaires to support the Endowment Fund by adherence to our Moose Legion Mission; to have fun while providing greater service to the Moose Fraternity.

At all Moose Legion Celebrations and all other meetings of the Moose Legion we provide a great service through our donations specifically designated for the Mooseheart/Moosehaven Endowment Fund as per section 28.2 of our Moose Legion Code of Rules. After all, it was the Moose Legion that originally established the "Penny Fund" way back in 1913 when realizing the need for this Endowment Fund that still continues today by all fraternal units of the Order.

Effective with the start of the 2007–2008 Moose Legion fiscal year, an Endowment Fund competition was put into place by your International Moose Legion Council to recognize those Moose Legion jurisdictions making the greatest strides in donations to this very much needed segment of our program.

Starting with the 2010–2011 fiscal year, our Endowment Fund competition has been expanded to allow recognition to a greater number of Moose Legion jurisdictions. Judging is based on a per capita donation basis as submitted to Moose Charities and not necessarily on the greatest total amount of monies donated throughout the fiscal year. It is expected that all fraternal units will support the Mooseheart / Moosehaven Endowment Fund as they are financially able.

Each Moose Legion jurisdiction has been placed in their respective division as based on active (good standing) Moose Legion members commencing on the 1<sup>st</sup> of May 2010 as follows:

<b>FAITH</b>	100 or fewer Moose Legionnaires
<b>HOPE</b>	101 to 200 Moose Legionnaires
<b>CHARITY</b>	201 to 300 Moose Legionnaires
<b>LOYALTY</b>	301 to 500 Moose Legionnaires
<b>PRESIDENT</b>	501 to 700 Moose Legionnaires
<b>DIRECTOR</b>	701 and greater Moose Legionnaires

This is definitely a competition. However, everybody wins on all accounts.

- 1) Our Moose Legionnaires individually and collectively support our Moose Legion Mission.
- 2) Our local Moose Legion jurisdictions have opportunity to gain international notoriety.
- 3) Our kids at Mooseheart and our seniors at Moosehaven receive the ultimate benefit, a better quality of life.
