

Moose Riders Guidelines

_____Lodge _____ State, No. _____ **Moose Riders Activity Group**

Article I Name/Identity

This motorcycling activity group will be recognized and known only as the _____ Lodge, _____ No. _____ **Moose Riders Activity Group** or shortened to _____ Lodge **Moose Riders**.

At no time will this group be known as a Motorcycle Club (M/C), a Riding Club (R/C), or a Motorcycle Chapter or Association, in print, signage, website, or any electronic media, including popular social media outlets, videos, clothing, or patches.

Appearance:

The Moose Riders Vest and Back Patch

For those Moose Riders Activity Groups wishing to wear Moose Riders vest and back patches, the accepted and recognized Moose Riders patch images (Figs 1, 2 & 3), as designed by the Activities Department at Moose International, are the only authorized Moose Riders patches to be worn as representative of the Moose Riders program as outlined by the Moose International Activities Department.

Fig 1

The small (4 inch) Moose Riders authorized emblem (Fig 1) depicts a moose skull mount with antlers on a red shield. Above and centered are the words "Moose Riders". On either side are the initials L.O.O.M. and W.O.T.M., signifying the Loyal Order of Moose and Women of the Moose. Below the mount is a silhouetted motorcycle, identifying us as riders. Below is the Moose Riders motto "Loyal To The Bone" signifying the loyalty to the causes of Mooseheart and Moosehaven, going beyond the flesh, to our very core, which is reinforced by the Moose skull mount above.

The large Moose Riders authorized emblem (Fig 2) depicts the same image in the center as Fig 1, but includes the words Mooseheart and Moosehaven above and below the central image, with areas on either side for Lodge Activity Groups to customize the patch with their Association and/or or Lodge and Chapter numbers, as in the example shown. This is a one-piece patch and no other patch additions are allowed, nor are any alterations allowed to the central image.

The final authorized emblem (Fig 3) depicts a black motorcycle wheel with a black moose head superimposed over it. This is a modernized version of the original L.O.O.M. logo and identifies us as Moose members and motorcycle riders. Stylized brown antlers, taken from a 1931 Moose International design, are on either side of it. Curved above and centered are the words "Moose Riders" set on a gold field. Appearing at the bottom of the logo is a white banner with a capital "M" followed by a clock face set to nine o'clock and a capital "B", under which are the words "Moose On Bikes". The initials M.O.B. are *always* to be depicted with the clock face set at 9:00 as the "O" in the center. This is a one-piece patch and no other patch additions are allowed, nor are any alterations allowed to the image.

Fig 3

When worn, the Moose Riders back patch must be the dominant feature of the back of the garment to which it is applied. Authorized Moose Riders back patches must not be subjugated to the patch of any motorcycle club or motorcycle owners' group. No other back patch or back patch design is recognized as representative of the Moose Riders Activity Group. Modifications or variations upon the original theme(s), without the expressed written approval of Moose International through the Activities Department, are not authorized. Existing Moose Riders back patches that vary from the above

examples must be submitted for approval to the Activities Department of Moose International (Attn: Moose Riders).

Specification of the garment upon which the Moose Riders back patch is to be worn is left to the discretion of the individual Moose Riders Activity Groups.

Under no circumstances are Moose Riders to add unauthorized rockers above or below the core patch or wear multi part back patches, or add the designation "Motorcycle Club" (M/C) or "Riding Club" (R/C) adjacent to the back patch. This will be cause for the suspension or dissolution of the offending Moose Riders group.

Dress

Each Moose Riders Activity Group is free to set the standards to which members are attired, unless superceded by the Lodge's House Committee rules regarding appropriate attire. Moose Riders is a program under the direction of the Moose International Activities Department, and as such, members are representatives of the Loyal Order of Moose. It is strongly recommended that members dress in a manner that promotes a positive image for the Loyal Order of Moose and Women of the Moose, particularly when involved with Lodge activities or interacting with the public as a Moose Rider.

Moose Riders Activity Groups may produce t-shirts and other garments expressing their individual Lodge identity; however, these items will be subject to the following conditions:

1. The quantity produced shall not exceed the number of Lodge and Chapter members eligible to become Moose Riders.
2. The images shall not depict the Moose Riders Activity Group as a Motorcycle Club (M/C), a Riding Club (R/C), bear the term "1%", or otherwise link Moose Riders to any other Motorcycle Club affiliation.
3. Custom t-shirt logos may not infringe upon established motorcycling or other recognized industry logos, copyrights, or trademarks.
4. Phrases used may not cross the boundaries of good taste, the rules for acceptable Social Quarters language, nor otherwise disparage or demean the Loyal Order of Moose, the public, or any other organization, race, or religion.
5. Items created may not be sold to the public, with the exception of those created to raise funds during an event for supported charitable 501(c) 3 organizations. They may not be sold for Lodge profit or to benefit an individual Moose member (unless that member in need is to be the beneficiary of an approved charitable event).
6. All garment designs will be subject to the co-approval of the Lodge Board of Officers and the officers of the Moose Riders Activity Group, and will then be submitted to the Activities Department at Moose International, via email or US Mail for final approval.

Article II Purpose

The purpose of the Moose Riders is to be a social and civic activity group for members of _____ Lodge No. _____ of the Loyal Order of Moose and _____ Chapter No. _____ of the Women of the Moose, whose main concern shall be the support of Mooseheart, Moosehaven, local charities, and local branches of worthy national charities through motorcycling and volunteer work, as well as the social enhancement of their Lodge and Chapter.

Though encouraged to assist their Lodges and Chapters financially, at no time are any Moose Activity Groups under any direct obligation to regularly raise funds specifically for the upkeep and operation of the Lodge. Activity Groups are created to enhance the enjoyment of membership and promote volunteerism.

Article III Formation

Section (1) Motorcycle riding Moose members, and support members in the Lodge or affiliated Chapter, must meet to determine if there are enough interested good standing members to support the formation of a Moose Riders Activity Group.

Moose Riders Activity Group membership is open to any good standing member of the Lodge or Chapter, whether they ride a motorcycle or are simply a supporter.

Initially, enough interested Lodge and/or Chapter members are required to fill the necessary officer positions (outlined in Article VII). Any good standing Lodge or Chapter member may hold any position in its Moose Riders Activity Group.

An open invitation to attend the exploratory meeting of the group should be extended to the general membership.

Section (2) Permission must be requested from the Lodge Board of Officers to establish a Moose Riders Activity Group. A written request, or a request to be heard in person at a Lodge meeting, to seek permission to start a Moose Riders Activity Group may be sent through the Lodge Administrator.

Section (4) Officers of a Moose Riders Activity Group must be established. The members of the newly formed Moose Riders Activity Group may openly nominate individuals for election as the initial Activity Group officers.

Section (7) The dissolution of a Moose Riders Activity Group may take place in the following manner:

1. The greater membership of the Moose Riders Activity Group may make a motion to dissolve the group and vote on the issue.
2. The Lodge Board of Officers may call forward the officers of the Moose Riders Activity Group to investigate specific infractions or allegations of wrongdoing or improper practices by individuals or the group at large and report back to them with their findings. Based upon the severity of the charges and the verification of infractions against these guidelines or the General Laws by the accused, expulsion of individuals or dissolution of the group may be the proper (but not necessarily the only) solution.
