Co-workers, the video you just saw, by John Reiter of Florida, is exactly why we exist as Women of the Moose – to assist in charitable activities of the Moose fraternity with special attention to Mooseheart and Moosehaven. We are the keepers of the legacy of the Women of the Moose. We can be part of the problem or “a piece of the solution” by growing the membership of our organization; by donating to the many projects of Moose Charities; by helping to clean up our Moose Homes and by changing our world, one random act of kindness at a time.

As the Loyal Order of Moose ritual said, “A burden heavy to one is born lightly by many.”

Our Mooseheart children and our Moosehaven seniors appreciate all you have done in the past and depend on your support for their future. The solution is working together for a common good – our kids and our seniors.
