

# Volunteer Types

**Willie & Wendy Once In A While:** Want to volunteer when it suits their time and frame of mind. Probably on their schedule though, so keep that in mind.

**Dan & Danielle Donor:** Would rather donate money than time. Will offer to pay for supplies but might not go buy them, may just want to write a check.

**Leo & Lucy Low-Profile:** Like to work behind the scenes, kitchen, set up, cleanup, or work that can be done at home and handed off to someone else...

**Tommy & Tammy Title:** Love to be in charge, as long as they have people to do the real work, like getting volunteers and organizing the event. Like to be out front glad-handing with the customers.

**Frank & Fran Fraternalist:** Will work almost all Moose Events because it is the Moose!

**Ben & Betty Best Friends:** Will volunteer to work with a certain person, a close friend. Will not work if that person can't make it. (Their Friend can be any of the other types.)

**Bill & Bonnie Believer:** Believe in certain causes, and will volunteer for most events that support their particular cause, whether with the Moose or not.

**Cal & Carla Crafty:** Have the talent for and love to make crafts; artwork, centerpieces, decorations.

**Paul & Paula Party People:** Want to work any of the "Fun" events. Don't look for them on a cleanup day.

**Sam & Sarah Senior:** Like to help, but just not physically as able as they used to be. Want to help with jobs that are not too strenuous or tiring.
