

Scheduled Administrator School Sessions

If you are interested in attending the school at the Mooseheart Campus, please fill out the registration form on the Education and Training webpage, and send it to Moose International, attn: Barb Tuma. When we collect enough people interested in attending at our location we will then schedule a class, inform all applicants of the dates, and get final confirmation.

I currently have 5 people signed up, I need 12 to hold the class.

| Location | Date | Registrations not accepted after: | Instructor | Maximum Attendees |
