

MESSAGE FROM BARB

The holiday season is upon us and it's my hope that everyone is able to spend as much time as possible with your loved ones. Please keep in mind that we all appreciate what you continue to do on behalf of our children, our seniors, your communities and our nation.

If you haven't already, all chapters will soon be receiving a mailing from the Women of the Moose which contains the Award of Achievement Certificates for those chapters who earned the Award of Achievement during the 2006-2007 chapter year; a Missing Documents report; Missing Position Report; May 1, 2007 beginning membership count and message from the Grand Chancellor. If you have missing documents, please fax a copy to 630 966-2208 - attention Chapter Records.

We have recently finished mailing Call Cards for the Academy of Friendship and Star Recorder degrees and the College of Regents Call Cards are being stuffed as we write. Congratulations to all of the recipients!

If you feel that you should have received a Call Card for a degree and have not received one, please verify in the General Laws that you have met all of the requirements. If you have, then check with the chapter Recorder to make certain that she has properly credited your candidates to you. If she has not, please remit a copy of the original application, the Business meeting minutes where the applicant was balloted on and the Chapter Night meeting of her enrollment to our office in order that your records may be corrected.
