

Supreme Governor's
"DONNY MOOSE"
Community Service Program
2004-2005

The Supreme Governor is proud to announce the **"DONNY MOOSE" PROGRAM**. These soft and cuddly Moose were especially designed for senior citizens. He is asking the units of the Moose Fraternity to distribute them to nursing homes, convalescence centers, rehabilitation facilities, veterans medical centers, local hospitals and other facilities where the elderly may be residing due to medical or physical impaired reasons. Distribution of **"DONNY MOOSE"** will send a clear and positive message to the local communities that the Moose Fraternity, both men and women, have deep caring feelings for the elderly in their own home towns. This program takes very little effort and is economically feasible for all units to participate (**\$75.00 @ dozen**). It's imperative the local media be contacted so they can be present at the time of distribution, which will allow our local Moose units to be recognized for all the good they do in their local communities.
