The Legion Residence, built in 1959, has been designated a “pay-as-you-go” prototype townhome apartment residence for members willing to pay the \$246,000 singles/\$307,000 couples entrance fee, and a monthly fee (covering all expenses) of \$2,250 for singles, \$3,375 for couples. Each of eight apartments will have a bedroom, den, private bath, kitchen, covered porch and washer/dryer. Retrofitting work on this \$2.1 million project will start when commitments are received for the first four units.
