

## Moose Legion - "ANNUAL FUND RAISING PROJECTS"- 2018-2019

The International Moose Legion Fund Raising Projects for the **2018-2019** fiscal year include the following:

We will finish raising funds for the Moosehaven Centennial Project. The total Moose Legion project goal of **\$400,000.00** over three years is pro-rated over the entire Moose Legion active membership based upon April 30th each year. The Moose Legion Council is asking each Moose Legion to commit \$2.75 per Moose Legionnaire this current fiscal year (and those who can - to consider doing a little more).

We are doing this in 3 - one year increments. 2018-19 is the 3<sup>rd</sup> and final year.

- Letters were sent to all jurisdictions with their contribution goals / commitments for the 2018-19 year.
- Moose Legions can earn various discounts in 2018-19 for the 2019-20 fiscal year by achieving various levels in the **Moose Legion Award of Excellence** recognition program.

While it is the responsibility of the jurisdiction to raise the funds and complete the program... each Moose Legion may work with local Lodge Moose Legion Committees by requesting those Committees to get involved with fundraising and establish monetary goals based on their number of Moose Legionnaires.

All jurisdiction checks remitted to International should be made **payable to "Moose Charities"** and earmarked **"M L – CENTENNIAL PROJECT"**.

We also have an ongoing program to supply funds for the Youth Awareness Scholarships each year. The amount due from each jurisdiction during 2018 – 2019 will be a minimum of SIXTY cents (\$0.60) per member. This is based upon the jurisdiction's active membership on April 30, 2018. Make checks out to **"Moose Charities"** earmarked: **"M L YOUTH AWARENESS"**.

Final Deadline: **ALL CHECKS FOR ALL THE ABOVE PROJECTS MUST BE RECEIVED BY MOOSE CHARITIES FOR POSTING BY FEBRUARY 28TH, 2019.** Please allow time for postal service.

We continue with our annual Endowment Fund Competition. Categories remain the same as last year. We have enjoyed a year over year positive course and suggest topping last year's contributions as your minimum goal for this year. You are to issue checks in a timely manner to **"Moose Charities"** as funds are received throughout the fiscal year earmarked: **"M L ENDOWMENT FUND"**.

Int'l M L President Ronald Maley has taken on a President's project for this year to benefit both the Moosehaven and the Mooseheart campus. He has committed to fund a new projector for the PJO Building at Mooseheart and some needed new commercial washers and dryers at Moosehaven. This program has no minimum contribution levels. It is strictly on a voluntary basis. Please make checks out to "Moose Charities" and earmark them: **"ML PRESIDENT'S PROJECT"**.

One other modest program is to provide funds for some student trips from Mooseheart this summer to visit Moosehaven. We have been doing this for several years and both groups seem to really enjoy their time together. This normally only requires \$7,000.00 to \$8,000.00 each year. With several generous jurisdictions stepping forward with contributions, this has been funded since 2009. We will now start fresh accepting funds for 2019. Contribution checks should be made out to "Moose Charities" and then earmarked – **"M L STUDENT TRIPS"**.

Our Moose Legions are proud to provide and facilitate these funding opportunities which support our fraternal and philanthropic programs!

Thanks to all Moose Legionnaires for doing your part in continuing this Proud Moose Legion Tradition!
