Registration for this exciting tournament has already far exceeded 2017's tournament with **810 people registered so far** (or 101 *more* than in 2017), which means we are currently positioned to have the best attendance in the history of this tournament! This also means that **we will have even more money for prize payouts!** We are very happy to see that such a large number of members have made this their annual tradition, and that so many *more* are now joining in on the fun in Las Vegas!

MOOSE CHARITIES BENEFITS, TOO! As in the past, we will run side cash games again, with **\$5.00 of every entry** going to Moose Charities! Last year Moose Charities did *quite* well, and we are hopeful that, with this year's increased attendance, they will do even better!
