

Official Communication for December 6, 2017

Moose International Offices Closed For Holidays

The offices of Moose International will close at 11:45AM Central Time Friday, December 22, 2017, and reopen at 8:00AM on Tuesday, January 2, 2018, to enable our employees to spend time with their families, friends and loved ones at this special time of year.

While membership dues can be paid during the holidays, NO posting of payments will be done during the office closure; therefore it is important to remind your members that have a December 31, dues expiration date to plan accordingly and pay their dues early if they have plans to participate in a lodge function requiring their dues being paid. In order for members to be assured their card will be received in time, they should plan to have their payments received no later than December 19th. For all on-line payments, please advise members to print their payment receipt for proof of payment.
