Member Retention Week

How's your Member Retention Week progressing? Your Lodge/Chapter should be considered the friendliest place in town during this week's special effort in retaining your membership. Remember to enjoy your events and be proud of all the hard work you have done preparing for this week. It will have a positive payout for you and the fraternity. Every member that chooses to become active in YOUR Lodge/Chapter also becomes an active member in our fraternity. A win/win situation that also is a win for the member – as they now have the opportunity to become active in your Lodge/Chapter and take advantage of the many benefits provided to our members. Please remind them to go on-line to view the many benefits offered to our Moose members.

Moose International is proud to be participating in Membership Retention Week as well. Your headquarters staff are making calls to our General Assembly and Allheart expired members throughout the week. We are collecting mittens, hats and scarves for those in need as a community service project. Dress down on Friday is another opportunity to provide donations to our monthly service project. Excitement is in the air here at Moose International and we hope that you are also experiencing this upbeat positive feeling.

We are looking for photos from Lodges/Chapters that have successful events that we can share on our website and also our Heard of Moose Facebook pages. Please e-mail digital photos, along with a description of your events to Kim Thompson at kthompson@mooseintl.org.

We are looking forward to hearing about your week! Remember to submit your Member Retention information/results via the Admin. Menu, under reports.
