

POTPOURRI

We, the Co-workers of _____ Chapter congratulate you on your membership in the Women of the Moose. Your membership will assist us in accomplishing our objectives. We contribute monthly to support and maintain Mooseheart, "Our Child City", located 40 miles west of Chicago and Moosehaven, our retirement home for senior members of the order, located on the bank of the St. Johns River in Orange Park, Florida, approximately 17 miles south of Jacksonville.

Every member of our Chapter plays an important part in our program. Keeping in mind that participation in our Chapter activities is strictly voluntary, we still place each member on one of the Chapter Development Committees each year. Notification is sent to every member as to which committee she has been appointed. This gives all co-workers the opportunity to meet and enjoy new friendships while working in fun and harmony to accomplish our goals.

Our Chapter has meetings on the _____ and _____ of each month at _____ pm.
1st or 2nd 3rd or 4th Day Time

We encourage our Chairmen and their committee members to have refreshments and entertainment following each meeting. The committees also have fund raising projects. The proceeds from these projects assist us in meeting our responsibilities and commitments to Mooseheart, Moosehaven and charitable activities we are actively involved with in our community.

We believe membership in the Women of the Moose is a privilege. As a family fraternity, we take great pleasure in promoting children's parties during special holidays, as well as family activities. If you enjoy sports, we have many sports activities and tournaments in which only members may participate.

Our actively involved members have the opportunity to work towards qualifying for certain awards and degrees as a recognition and thank you for their tireless and unselfish dedication to our program. All members receive special awards and recognition when they sponsor new members into our Chapter.

The Rules and Regulations, ways to qualify for special awards, honors and degrees, as well as information regarding meetings, conferences and the International program is available to every member in the *Women of the Moose General Laws*. We encourage you to purchase the *General Laws* so you, too, may become acquainted with our program. Please refer to our Website for updated information regarding our program and activities. We will be happy to answer any questions you may have. We are proud of our organization and look forward to welcoming you into our Chapter.
