*Keys to Successful
Membership Retention*

KEYS TO SUCCESSFUL MEMBERSHIP RETENTION

This Keys To Successful Member Retention Guidebook provides resources and information that will assist every Chapter with your membership retention efforts. Every member of your Chapter can benefit from the Member Retention Guidebook. Active participation of our members working to develop and strengthen retention programs in our Chapters will result in success.

The first objective of the Women of the Moose is to “bring women together in a closer fraternal relationship, to assist in the charitable activities of the Moose fraternity, with special attention to Mooseheart and Moosehaven.”

The **Sponsors** should maintain a special and active relationship with the prospective/new member. Communication is the number one key.

Contact the prospective/new member and invite her and her family to the Moose Home for a tour, to meet the members, to enjoy an event or function as a guest and to attend an Orientation. Be the “Hostess with the Mostest!”

Each prospective and new member should attend an Orientation Program. The Orientation should be thorough without being long and boring. The Officers of the Chapter (and Lodge if a joint Orientation) should be present and prepared to answer questions and concerns.

Take the time to introduce her and her family to the members present. Show them every courtesy. As a proud member of your Chapter, share stories about the Lodge and Chapter’s fun social time, functions/events, Community Service projects and successes of the members.

Take the prospective/new member “under your wing” and teach her the ways of the Women of the Moose. Encourage her to become involved in the Chapter meetings, Chapter and Lodge functions/events and Community Service efforts.

The **Chapter** officers should make personal contact with each prospective member. Once the application has been submitted, a member of the Board of Officers should give the applicant a call. Thank her for the application and let her know the process for

application review and the approximate time it will take for the membership to vote on her application for membership. Communication is the number one key.

Contact with new members is just as important. Send a “happy you joined” card immediately after the meeting in which her application was accepted. Have everyone at the meeting sign the card. Invite the new member to the next meeting, function/event and furnish her with a calendar of events for the next two to three months.

Use the “new member questionnaire” to find out her interests as well as her family members’ interests. The questionnaire gives members the opportunity to list their preferences and indicate areas that they find exciting, challenging and more importantly FUN!

Well-run meetings will keep members coming back. The Officers, Appointed Officers and Chairmen must be familiar with the Women of the Moose Meeting Procedures and Agendas. The Guide and Assistant Guide are responsible for setting up the meeting room however, anyone can lend a hand to get the job done! Do not wait for “someone else” – jump in there and help!

Fun-filled activities, functions and events should be oriented toward co-worker only activities and family activities. Picnics, movie nights, themed dinners, line dancing instructions and board game night to name a few are some suggestions in addition to those listed in the following pages. Do what has been successful in the past but remain open to new ideas and suggestions.

Be sure to have enough **volunteers** for each event/function. All volunteers should remain friendly, courteous and helpful during the entire event.

Review these ideas, suggestions and recommendations from our members. Implement changes that are deemed appropriate for your Chapter immediately. Every idea will not work for all Chapters; however, some of the ideas will work for every Chapter. Changes made will strengthen your Chapter and increase membership retention.

MEMBERSHIP RETENTION IS EVERYONE'S RESPONSIBILITY

Take the time to contact members who have not been coming to Chapter meetings and/or to the Lodge Home for functions/events or who have simply dropped out of sight and mind.

Contact can be by way of a phone call, email, postcard, newsletter, or better yet, visit the member in person. Call ahead but stop by for a "how's it going" visit. Ask if there is anything you can do to assist the member. Maybe she is in need of a ride to and from the meetings.

Ideas for Membership Retention

- Give a special incentive to top sponsors (certificates, jewelry, recognition)
- Thank top sponsors from the previous year. Keep in contact and ask for their continued involvement in our membership campaigns and new member recruitment.
- Invite Chapter/District/State/Provincial top sponsors as a guest speaker for the Membership/Retention Committee Activity Night.
- With Chapter approval, initiate a Chapter Membership Campaign with incentives and rewards.
- Along with your mentoring program, have a New Member Contact group. They should make monthly contact with new members and invite them to join in on the fun and festivities of the Chapter and Lodge.
- Give the new member a list of the Board of Officers' names, telephone numbers and email addresses. Invite them to attend events and furnish them with the upcoming meeting and event dates.
- Meet and greet members as they enter the meeting room and Lodge Home. Take the time to find out how the member and their family are doing – be sincere and caring.

Ideas for Membership Retention (cont.)

- Hold a social gathering for all members who have joined within the past 12 months. It is an opportunity for newer members to ask questions, share experiences and get to know each other.
- Have events/functions where the members are not asked to buy chances (no scratch offs, no raffle/door prize tickets, etc.). Let the members enjoy an evening where their money stays in their pockets.
- Try not to hold the Board of Officers' meetings before or after the Committee Activity Night meeting, as this will give the Officers a chance to socialize with all of the attendees.
- Report updates of membership goals and accomplishments on the Chapter bulletin board, in the Lodge or Chapter newsletter and on the Lodge/Chapter website.
- Keep in touch with inactive members. A simple postcard, letter or telephone call will let them know they are missed.
- Recognize and celebrate each member's fraternal accomplishments – earning degrees, sponsor awards, never missing a meeting, etc.
- Give everyone something to do. The members will feel a sense of responsibility and pride. Do not be overbearing or insistent. Take their “no, I can't help” or “no, I would rather not help” answer gracefully.
- Utilize the Chapter's right to assist a co-worker in need and pay her dues for a year. Please remember this must be approved by the chapter members at a chapter meeting.
- Send each Chapter member a birthday card, a thank you card and/or a we missed you card throughout the year. Keep in touch with all members.
- Give each Chapter member and the members of her family a reason to come to the Chapter meetings, functions and events. Have something for everybody.
- Keep a positive attitude and a friendly approach to all members. Let them know you care. They are members of your fraternal family.

IMPROVED COMMUNICATION

Survey information has told us that we do not successfully communicate with our members. Better communication will help insure retention of our members. Therefore, to further assist in your member retention efforts, the Member Retention Guidebook also contains sample letters to be used when communicating with co-workers of your Chapter who have let their dues expire. Please allow a member to drop her membership without making her feel guilty if that is her desire. The following pages contain sample letters. The sample letters should be modified to include your specific Chapter information. It is recommended that these letters be used by every Chapter.

Letter to the candidate to attend Orientation Meeting

Letter to the new member

Letter when membership is renewed

Letter to member who has become inactive

Letter to co-worker in arrears (30 days)

Letter to co-worker in arrears (90 days)

Letter to co-worker in arrears (150 days)

These sample letters should be used in addition to information already being mailed to each member from the Chapter. Each Chapter is encouraged to continue to mail a Newsletter of upcoming events to every co-worker of the Chapter. Chapter Chairmen shall continue to mail a letter to each member of her respective Committee.

We believe that the information contained in the Keys To Successful Member Retention Guidebook will be a vital tool to assist our Chapters in your retention efforts. Every suggestion will not prove successful in every Chapter; however, every Chapter will benefit by using some of the suggestions. Quite simply, we must all start to do a better job at retaining our members. We cannot afford to continue to sit by and do nothing as our members drop their membership. Our Chapters now have the Keys To Successful Member Retention Guidebook that provides solutions for the reasons why our members have told us they decided not to renew their membership. We must adopt a new attitude that lets every member know that we want them to remain members of the Women of the Moose and that we are willing to make the changes necessary to make this happen.

The International Offices of the Women of the Moose appreciate all comments, suggestions and ideas. Please send yours via Mail Service to:
