

Christmas in October was held on October 10, 2008 at the El Cajon Moose Lodge. Christmas dinner of turkey, ham, mashed potatoes, gravy, dressing, string beans, dinner roll, fruit salad and dessert was served from 5:30pm until 7:00pm. Toward the end of dinner we held our raffle which contained many wonderful prizes and no one left empty-handed.

The Women of the Moose did a tremendous job in support of this event with their donated food items and raffle items & encouraging others to attend this event.

All the food and raffle items were donated so there were no expenses — all was clear profit. We served 79 dinners for a total of \$660.32 and held raffle for 3 weeks prior for a net profit of \$309.

Respectfully submitted,
