Officers' Handbook – 2019
CONGRATULATIONS!

We welcome you to your leadership role in the Women of the Moose. You have expressed your desire to help lead your members in a successful and enjoyable program. The members of your Chapter have placed their trust and faith in your ability to do so.

Our program has something for everyone. With your assistance, Women of the Moose Headquarters can reach out to every co-worker and acquaint her with the benefits membership in the Women of the Moose offers. As an officer, you have the best opportunity, and a responsibility, to learn all about our program and by doing so, you will communicate your understanding and dedication to others.

The Women of the Moose General Laws (and its subsequent changes) contain our rules and regulations, all of which we ask you to become familiar with. This Officers’ Handbook has been developed as an additional tool for your use. It contains important procedures, explanations, examples and checklists designed to help you understand and fulfill the duties and responsibilities you assumed when you were installed. It does not replace the General Laws but it does contain more information that is vital to your success and the success of the Chapter.

Again, congratulations AND enjoy your term of office!!!

DUTIES AND RESPONSIBILITIES - OFFICERS

Senior Regent

**Note:** Also refer to the General Laws of the Women of the Moose.

The Senior Regent has been elected by the membership of the Chapter to serve as the Presiding Officer of all Chapter meetings, Board of Officers meetings and any other special meetings of the Chapter.

It is her responsibility to work amicably with the Chapter members and members of the Loyal Order of Moose to ensure harmony among the members of the Board of Officers and among the co-workers. As the Presiding Officer, she should set the example for all co-workers to follow.

Prior to her installation into office, one of her first responsibilities is to appoint all Chapter Development Committee Chairmen, a Higher Degrees Chairman as well as all Appointed Officers so that they may be installed at the Annual Installation of Officers in April. If all appointments are not made prior to the Annual Installation, additional appointments should be made prior to January 31st. **If a vacancy occurs after January 31st, she shall appoint and install another qualified member to that position.**

As soon as possible following her installation, she shall have her name placed on the bank signature card(s) along with the signatures of the Recorder and Secretary/Treasurer. She may then sign Chapter checks that are made out in their entirety after the checks have been approved by the Board of Officers at the Board of Officers meeting and then by the co-workers at a Chapter meeting.

**Important:** Do not sign a check that has not been made out in its entirety! Do not sign a blank check!

As the Presiding Officer, she shall have a key to the Chapter’s post office box and Women of the Moose office, if applicable, during her term of office only.

Also following her installation into office, it is her responsibility to notify every co-worker of the Chapter which Chapter Development Committee they have been appointed to (see example in this book). All notifications are to be completed during the month of May after the Recorder has divided the Chapter membership into the four Chapter Development Committees.

During Chapter meetings, immediately after all minutes (typed or written on the official pre-numbered pages) are read by the Secretary/Treasurer and approved by the Chapter, the Senior Regent signs the Chapter Minutes Book before proceeding with the remainder of the meeting.

Every month, the Senior Regent is responsible for remitting the required committee Forms 114 (and associated checks) and 166 to Women of the Moose Headquarters immediately following the Second meeting of the month. Prior to mailing, please verify the form is completed in its entirety and that the checks are signed and earmarked correctly.

She shall attend the Women of the Moose Training Session to learn about proper Chapter operation, as well as new updates to procedures and General Law changes. One of the mandatory criteria for earning the Green Cap is to attend this important training. She is also encouraged to attend the 2-HOTT (2-day Hands On Technical Training) Training Session.

She is required to attend each Audit Committee Meeting to keep abreast of the gain or loss in membership and financial standing of the Chapter.
When necessary at Chapter meetings, she appoints pro-tens for vacant Officers positions, including pro-tem Recorder. (Pro-tens do not attend Board of Officers meetings.)

Note: See the General Laws of the Women of the Moose for the qualifications/requirements for the Green Cap, the College of Regents Degree and the 2nd Chance for the College of Regents Degree.

**Junior Regent**

Note: Also refer to the General Laws of the Women of the Moose.

The Junior Regent has been elected by the membership of the Chapter to serve as a valuable member of the Board of Officers. If the Senior Regent is absent from a meeting, the Junior Regent shall preside.

As the Junior Regent, it is her responsibility to lead the Chapter in the Pledge of Allegiance to the flag in U.S. Chapters or Women of the Moose Pledge in Canadian Chapters, as well as the National Anthem (which is optional) of the respective country during each Chapter meeting. It is also her responsibility to lead the Chapter in devotional exercises.

She participates in the draping of the Chapter Charter for deceased co-workers with the Junior Graduate Regent per the Meeting Procedures and Agendas book.

As a potential Senior Regent and to help become well informed, the Junior Regent should attend the Women of the Moose Training Session and is encouraged to attend the 2-HOTT Training Session.

In addition, the Junior Regent:

- May be assigned by the Senior Regent or may, on her own, serve as the Welcome Hostess or Greeter to welcome members as they enter the Chapter Room for meetings.

- May assist the chairmen in completing their committee reports. This will not only assist the Senior Regent but will also give the Junior Regent knowledge and experience to prepare her to serve as Senior Regent.

- May attend the Audit Committee Meetings to keep abreast of the gain or loss in membership and financial standing of the Chapter.

The Junior Regent supervises the Funeral Ceremony when requested by the family of a deceased co-worker. She should work with the family and the Senior Regent in planning the Funeral Ceremony. The Junior Regent should contact the family to make them aware of the service. She is in charge of getting flowers and vases, taking them to the funeral home and seeing that they are placed correctly. If a Bible is presented to the family, the Chapter may purchase a Bible through Moose Catalog Sales or a local retailer. If the family requests a funeral luncheon, the Junior Regent may request donations from co-workers. If the Chapter provides the meal, she should see that proper food has been purchased and prepared.

She shall visit the sick, disabled and distressed whenever possible and make a full report to the Chapter at each meeting. If the Chapter does not have a Sunshine Chairman to send flowers and/or cards to co-workers who are ill or to bereaved families, the Junior Regent may be assigned these duties as well.
If the office of Senior Regent is vacant, the Junior Regent shall assume all duties and responsibilities of the office including the appointment of the chairmen and appointed officers. Their appointments shall be valid for the entire Chapter year. She shall have her name placed on the bank signature card(s) along with the signatures of the Recorder and Secretary/Treasurer and will sign all reports with her name followed by “Pro-tem Senior Regent”.

As an office of condition, the Junior Graduate Regent serves the Chapter as an experienced member of the Board of Officers. If the Senior Regent and Junior Regent are absent from a meeting, the Junior Graduate Regent shall preside.

It is her responsibility to set an example for all members by being supportive and helpful to the new Senior Regent.

She shall serve as Chairman of the Ways and Means Committee (refer to Green Cap/Ways and Means Committee Pamphlet for further instructions). She is responsible for holding a Committee Activity Night (Green Cap Committee Activity Night, if she qualified for her Green Cap, or Ways & Means Committee Activity Night, if she did not qualify). If the office is vacant, the Ways and Means Committee shall be responsible for fulfilling these duties and responsibilities.

The Ways and Means Committee shall hold a fundraising project and shall remit a Chapter check for the Scholarship and Maintenance Fund and the Special Project assigned to the committee.

She shall attend each meeting of the Audit Committee. At each meeting, she should note the progress of the Chapter in regards to qualifying for the Award of Achievement, including membership and the financial standing.

To qualify for the College of Regents degree she must attend the Women of the Moose Training Session and is encouraged to attend the 2-HOTT Training Session.

If the offices of Senior Regent and Junior Regent are vacant, the Junior Graduate Regent shall assume all duties and responsibilities of the office of Senior Regent, including the appointment of the chairmen and appointed officers. Their appointments shall be valid for the entire Chapter year. She shall have her name placed on the bank signature card(s) along with the signatures of the Recorder and Secretary/Treasurer and will sign all reports with her name followed by “Pro-tem Senior Regent”.

**Note:** Refer to the General Laws of the Women of the Moose for the qualifications/requirements for the College of Regents Degree and 2nd Chance for the College of Regents Degree.

As soon as possible following her installation into office, she shall have her name placed on the bank signature card(s) along with signatures of Senior Regent and Recorder. She may sign Chapter checks that are made out in their entirety after approval by the co-workers at a Chapter meeting.
**Important**: Do not sign a check that has not been made out in its entirety! Do not sign a blank check!

It is the responsibility of the Secretary/Treasurer to accurately record the minutes of each Chapter and Board of Officers meeting. At each Chapter meeting, the Recorder will report the expenditures from the “Check Detail” report and will report receipts from the “Sales by Item” summary or “Deposit Detail.” The computer generated "Check Detail" report and “Sales by Item” summary or “Deposit Detail” are to be given to the Secretary/Treasurer for inclusion in the Chapter Minutes Book. The Secretary/Treasurer does not read the reports again at the next meeting, just the minutes of the meeting.

She shall keep an accurate record of attendance in the Chapter Minutes Book.

It is her responsibility to read all correspondence including Official Communications, Bulletins and Emails received from Women of the Moose Headquarters and Moose International. Adverse correspondence shall **not** be read on the Chapter floor and shall be handled by the Chapter Board of Officers.

She shall use her talents to write all Chapter correspondence over the signatures of the Board of Officers.

She shall record the number of “yes” and “no” ballots in the meeting minutes when balloting on applications for membership/re-enrollment/reinstatement/transfer-in or re-admission.

She shall record the results of a Chapter election in the minutes of the Chapter meeting from the Election Results Report, without disclosing to the Chapter the number of votes each nominee received.

She is to receive a duplicate deposit slip, verified by the bank, from the Recorder prior to each meeting and retain the duplicate deposit slip for the Audit Committee meeting.

At the conclusion of each Chapter meeting, she shall count the money collected for the Endowment Fund and turn the money over to the Recorder.

She may also assist the Recorder in the collection of money from co-workers for fundraising projects and various other reasons.

To perform her duties properly, she must issue an Official Business Receipt to each co-worker for all monies collected. For all funds turned over to the Recorder, she is to receive an Official Business Receipt from the Recorder after the Recorder has counted the money in the presence of the Secretary/Treasurer.

She should assist others with the calendar, newsletter or any other Chapter mailings.

She must attend the monthly Audit Committee meeting with all bank validated duplicate deposit slips in order to verify the total amount of deposits with the Audit Committee.

As an Officer of the Chapter, she should attend the Women of the Moose Training Session and is encouraged to attend the 2-HOTT Training Session.

Upon the request of Women of the Moose Headquarters or assigned Representative, the Secretary/Treasurer shall deliver all Minute Books, records, and correspondence for the purpose of examination and audit. She shall perform such other duties as the Senior Regent and Women of the Moose Headquarters may direct.
If the offices of Senior Regent, Junior Regent and Junior Graduate Regent are vacant, the Secretary/Treasurer shall assume all duties and responsibilities of the Senior Regent’s office, including the appointment of the chairmen and appointed officers. Their appointments shall be valid for the entire Chapter year. She shall appoint a co-worker to have her name placed on the bank signature card(s) in addition to her signature and that of the Recorder. It is the responsibility of the Senior Regent to make sure all checks being remitted with the monthly reports have been **earmarked correctly** and have been properly signed. Please refer to the Special Project List (included in the back of this book) for the proper project to be earmarked on the checks. Please refer to the Recorders’ Handbook for additional instruction on how to prepare checks.

**Important:** Do not send a check to Women of the Moose Headquarters or Moose Charities that does not have the required two (2) signatures.

The Senior Regent will also make sure the Chapter Seal has been affixed, to all reports and letters requiring the Chapter Seal.

**All reports remitted to Women of the Moose Headquarters shall first be photocopied and a copy shall be retained in the Chapter files, in the event there is a question regarding a report or a report is lost or misplaced.**

Each member of the Board of Officers should make it her responsibility to verify that the Senior Regent has sent the monthly reports and checks.

**Chapter Records**
Women Of The Moose
155 South International Drive
Mooseheart, IL 60539-1100

**Reporting Officer, Appointed Officer and Chairman Information**

The Officers (elected and appointed) and chairmen, installed into office during the Annual Installation of Officers in April, shall be entered on the Moose International website under the **Moose Admin** as soon **after** May 2, 2019 as possible, but not before.

Elected Officer, Appointed Officer, Chapter Development and Higher Degrees Committee Chairman information shall be kept up to date and current. Any changes to the above positions must be entered immediately.

**Note:** The receipt of this information is one of the requirements for the Senior Regent to qualify for the Green Cap. Minutes of the Installation shall be written in ink, typed or computer generated on the official pre-numbered pages in the Chapter Minutes Book.
**Corresponding With Women of the Moose Headquarters/Moose International**

In the event it should be necessary to write to Women of the Moose Headquarters, do not include letters that require a response with your monthly reports. It is necessary to send all questions or concerns under separate cover to the individual or proper department at Women of the Moose Headquarters or Moose International.

Please include your name, Chapter name and number, and complete mailing address on all correspondence (*including Emails*). This will enable the staff at Moose International to give a quicker response to your questions.

Due to the increase in computer viruses, it is company policy not to open unfamiliar attachments from anyone and, many times, our spam filtering software will block them. If you are sending us information via Email, include your name, Chapter name and number in the subject line for easy identification.

**Moose Leader Publication**

*Moose Leader* is an official quarterly publication intended for the fraternal education of the leaders of our fraternity, including Lodge and Chapter officers. It is one way officers have to learn more about their particular jobs and keep abreast of changes in our organization. Each officer should carefully study the *Moose Leader*. The message from the Grand Chancellor shall be read at the Chapter meeting and posted on the Chapter’s bulletin board. Other pertinent information should also be read at board and Chapter meetings.

**Websites**

Useful information, various forms, stories and messages can be found at [www.mooseintl.org](http://www.mooseintl.org), under “Women of the Moose”. Additional important information can be found in the “Moose Training” portal.

Moose International’s website, [www.mooseintl.org](http://www.mooseintl.org) is a necessary line of communication between Moose International and every Chapter and Lodge. We feel it is imperative for at least one member, and preferably more, of the Board of Officers to review the website at least on a weekly basis.

It is often the first place where information appears, and some important information may only appear there.

Make [www.mooseintl.org](http://www.mooseintl.org) a habit!

**Mooseunits.org Email**

Check your mooseunits.org Email (Smarter Mail) often!

Women of the Moose Headquarters sends information, changes and reminders to all Chapters via Official Communication using Email. This is also the primary line for communication from Moose International. An “Official Communication” is sent as necessary to all Fraternal Units (Chapters, Lodges and Moose Legions) with valuable and often critical information.

Print and post the Emails from Women of the Moose Headquarters on your bulletin board.

If assistance is required to check the Chapter email box, please contact the Helpdesk at 630-906-3658.
**Bulletin Board**

It is very important that every Chapter have a bulletin board to keep the co-workers up to date on all Chapter news and functions.

Post the latest information from the Grand Chancellor and Grand Regent as well as other items of interest from WOW. (WOW can be found on the Moose website under the Women of the Moose link)

Make the displays interesting and colorful. Change items and decorations often.

The Membership/Retention Chairman should display a poster depicting the membership theme, membership goal for the year as well as the progress made in achieving the goal.

If the Lodge has a permanent place for a bulletin board, make use of it. If not, display the bulletin board on a tripod, in a well-lighted location in the Chapter room one hour before the meeting. Leave on display for one hour after the meeting for the convenience of the co-workers.

If the Chapter does not have a bulletin board, present a proposal to purchase one to the Board of Officers for recommendation for Chapter approval.

A Chapter Audit Handbook is available at www.mooseintl.org under Forms & Documents – Women of the Moose to assist with this task.

The Application Review Committee

The Senior Regent is required to appoint a committee of three (3) members to serve on this committee. They shall not be members of the Board of Officers. Those who are considered fair and impartial, along with possessing the ability to maintain confidentiality, should be selected.

The purpose of the Application Review Committee is to screen every application for membership and file a report with the Board of Officers containing their findings, either favorable or unfavorable.

A thorough and impartial review of all applicants for membership is a very important part of preserving our constitutional rights of privacy and association. Many Chapters do not review the applicants because they do not know how to go about screening and investigating applicants.

Information provided by the applicant, as part of the application form, is a good place to start. The answers made to the questions shall be warranties and if any one is false, incomplete or incorrect, it shall cause forfeiture of all rights and privileges as a member of the Women of the Moose, except by special dispensation of the Grand Chancellor or General Governor. The Application Review Committee must determine if this information is accurate. Her sponsor could provide background information and the member who endorses the application presumably has knowledge of the individual and her family.

Please stress to the co-workers the importance of being an educated sponsor regarding the purpose of the Women of the Moose. The sponsor should ask herself, “Is this prospective member someone I would feel comfortable inviting to my home and having dinner with and/or taking part in a social activity with my children, grandchildren or family members?” If not, then certainly the prospective member should not be invited to join our family fraternity at this time.
The Application Review Committee can conduct an investigation of the applicant from public records and other non-privileged sources.

The Application Review Committee must carry out its function without prejudice. The applicant must profess a belief in a Supreme Being. One of the questions we receive quite frequently is whether or not the applicant must be a citizen of the country of the Chapter in which she is joining and the answer is “No” – that is not one of the membership requirements.

When the Application Review Committee votes on an application, the application must receive a majority of favorable votes by the Committee. A majority of favorable votes is required to constitute a favorable report. Only applications receiving a favorable report are submitted to the Chapter to be balloted upon by the members.

When the Application Review Committee reports unfavorably on an applicant for membership, the Senior Regent shall declare her rejected without the formality of a vote and she cannot again be proposed for membership until after the expiration of a period of six (6) months from the date of the rejection.

If rejected, the Recorder will advise the applicant in writing, via Certified mail, that her application was not accepted at this time and that she may be reconsidered for membership in six months (180 days) upon completing a new application for membership. The applicant’s dues and fees, if paid, shall be refunded by Chapter check, with no other explanation. Do not state the reason for non-acceptance. Keep the letter brief and to the point.

At least two (2) members of the Application Review Committee shall sign the application verifying the application was reviewed.

**INITIAL MEETINGS**

*Initial Meeting With Chapter Development Chairmen*

5. Discuss ideas that will provide enjoyment to the members.
6. Discuss and assist the chairmen with choosing entertainment for the Committee Activity Night, Second meeting of the month, committee meeting or social events, as well as assist them with their decision regarding fundraising projects.

7. If the chairmen wish to have some form of family activity, suggest they work closely with the Activities/Sports Chairman.

8. Discuss the importance of having fun at all Chapter meetings and functions/events. Give your members a reason to want to come to meetings.

9. Discuss Mooseheart/Moosehaven Projects assigned to the various committees. The chairman and her committee recommend the amount to be given to the project. The Women of the Moose General Laws includes information regarding the minimum amount to be donated.

Note: A list of the Special Projects is included in the back of this book and a copy of each chairman’s speech is listed at www.mooseintl.org under Forms & Documents – Women of the Moose.

10. Discuss Community Service Projects. Each Chapter Development Committee should provide volunteer assistance to a Community Service Project in the local community. In addition, each Chapter should be involved in the Youth Awareness Program.

11. Discuss assistance to the local Lodge. Each committee is encouraged to provide volunteer assistance to the local Lodge on a Lodge fundraising project, or when their assistance is needed, such as helping with a Father-Son Banquet or other function.

12. Discuss holding monthly committee meetings. This will keep the committee members active. Make certain to have an enjoyable social hour after the committee’s business has been discussed.

13. Each chairman should meet with her committee and make plans for the following:
   - Special Welcome Reception for the new members
   - Committee Activity Night meeting
   - Fundraising projects
   - Second meeting of the month
   - Dates and times of activities during the year
   - Community Service

14. The chairman must present committee plans to Board of Officers. Forms to assist the chairman and her committee in preparation of plans are included at www.mooseintl.org under Forms & Documents – Women of the Moose. The Senior Regent should make photocopies and distribute a copy of each of the following forms to each Chapter Development, Higher Degrees, and Special Chairman.
   - Request For Approval of Committee Activity Night Program
   - Request For Approval of Committee Activities
   - Request For Approval of Committee Fundraising Project
   - Fundraising Project Report

15. The chairman shall prepare, sign, read, and submit the Form 114 and Form 166, as scheduled, to the Senior Regent for remittance to Women of the Moose Headquarters.
16. Depending on the Chapter size, a Chapter Development Chairman may request co-workers to be assigned to her committee.

17. It is the responsibility of the Recorder to divide the remaining membership equally amongst Chapter Development Committees.

   Committee lists should contain the names of Chapter co-workers with an active membership status only and should be divided equally among the chairmen.

   As each new member is enrolled, assign her to a committee and introduce her to the chairman.

   Give the chairman the new member’s name, address, Email address and phone number for future contact.

**Preparation Of Chapter Development Committee Lists**

1. The Recorder will assign one-fourth (1/4) of the co-workers, including Officers, to serve on each committee. She shall make photocopies of the committee lists, one copy for the chairman, one for the Senior Regent and one copy for the Chapter files.

2. Each Chapter Development Chairman should be given a photocopy of her committee list during the initial meeting with the Senior Regent in May.

3. The Senior Regent (with the assistance of the Chapter Development Committee Chairmen) notifies every co-worker on the Chapter rolls of the committee to which she was appointed.

   The notification is to be completed during the month of May. A sample of the letter to each co-worker is found in this Handbook. A membership activities questionnaire should also be included with the committee letter. The activities questionnaire is posted on our website under All Forms & Documents – Women of the Moose. Photocopies are to be made.

   The questionnaire asks the member to indicate her interests, activities and hobbies, as well as those of her husband and children. It asks her to indicate what functions she and her family might be interested in and what committees she may be willing to assist. When completed and returned, the Board of Officers has the opportunity to capture the information and propose activities to meet the interests of the membership.

   In addition, this information should be entered into the LCL.net computer program and will be invaluable to the officers and chairmen to use for invitations, activity and function planning and birthdays, just to name a few. Every member wants to be remembered and thanked – this is your opportunity to do so.

4. In the event a chairman has not been secured for a Chapter Development Committee, the committee list is still prepared. A co-worker on the committee serves as pro-tem chairman. The committee will meet, propose, and, after Chapter approval, carry out plans for its various activities and projects. In the event a chairman is secured at a later date, the plans proposed by the committee and approved by the Chapter shall be carried out. The new chairman shall not change the plans.

Senior Regent
Initial Meeting With Higher Degrees Committee Chairman

The Senior Regent shall appoint a co-worker to serve as the Higher Degrees Chairman. The co-worker appointed to serve as the Higher Degrees Committee Chairman shall have held the Academy of Friendship degree for a minimum of ten months.

The Senior Regent shall hold a meeting with the Higher Degrees Chairman at the beginning of the Chapter year to set dates for monthly meetings and to select projects for the Chapter Calendar.

If there are less than three members qualified to serve on the Higher Degrees Committee, the one or two members assume the obligations and the Board of Officers shall assist on the committee. If there are no members qualified to serve on this committee, the Board of Officers shall assume the responsibilities.

The Higher Degrees Committee shall hold three or more fundraising projects to cover committee expenses. They shall contribute to the Special Projects of their committee, the Scholarship and Maintenance Fund, defray the expenses of the Committee Activity Night meetings and help maintain the General Fund of the Chapter. (Reference Women of the Moose General Laws for the minimum donations for the Special Project and Scholarship and Maintenance Fund.)

The Higher Degrees Committee shall hold monthly committee meetings and a Welcome Reception for new members followed by the Committee’s Activity Night.

The Higher Degrees Committee - Academy of Friendship, Higher Degrees Committee - Star Recorder, and Higher Degrees Committee - College of Regents Activity Nights may be held anytime during the respective month.

The Senior Regent shall give the committee Chairman a photocopy of the following forms, which the committee should use in planning their various projects, meetings, and activities.

Request for Approval of Committee Activity Night Program
Request for Approval of Committee Activities
Request for Approval of Committee Fundraising Project
Fundraising Project Report

The officers are responsible for the Welcome Reception for new members and the Committee Activity Nights scheduled for a Higher Degrees Committee for which there are no members. The Senior Regent shall read, sign, and submit the Form 114 and Form 166.

Initial Meeting With Special Committee Chairmen

Every Chapter has Special Committees. The Senior Regent appoints the Special Committee Chairmen with the exception of:

- Moose Charities, Government Relations Chairman (U.S.) and Sports Chairman. If a co-worker who was appointed in previous year wants to remain as chairman and has done her job as a chairman, she may remain. However, if the Chapter does not have a current Moose Charities, Government Relations or a Sports Chairman, the Senior Regent should appoint qualified members to these positions.
Examples of Special Committees include the following - Moose Charities, Government Relations and Sports, as well as Audit, Application Review, Crafts, Kitchen Band, Ritual, Decorating, Mother-Daughter Banquet, Mother-Son Dance, Style Show, Youth Awareness, Christmas Bazaar, Sunshine, etc. Special Committees should be encouraged to plan and hold functions during the entire Chapter year. Special Committee Chairmen are NOT installed.

A special committee should be self-supporting, such as the Sports Committee. The committee shall hold a fundraising project to cover the general expenses of the committee. After expenses from the project are deducted, the committee may use no more than half of the net proceeds for the purpose previously specified and approved by the Chapter.

**Note:** The Board of Officers may recommend and the Chapter may approve donating the Chapter’s half of the net proceeds back to the Sports Committee. The committee’s half of the funds may not be sufficient to offset expenses and, since they are representing the Chapter, the Chapter may assist them as necessary.

The chairman should meet with her committee and make plans for the following:

- Fundraising Projects
- Dates and times of activities during the year

The Senior Regent should give each Special Committee Chairman the following for use in making committee plans and presenting proposals:

- Request for Approval of Committee Activity Night Program
- Request for Approval of Committee Activities
- Request for Approval of Committee Fundraising Project
- Fundraising Project Report

The chairman should present the proposal of committee plans to the Board of Officers for Chapter approval and to place dates and events on a Chapter Calendar. No advance funds should be given to a Special Committee Chairman until plans have been presented and approved.

**PREPARATION OF THE CHAPTER CALENDAR**

The Chapter Development, Higher Degrees and Special Committee Chairmen shall meet with the Board of Officers at the beginning of the Chapter year after the first committee meeting to prepare a Chapter Calendar of Activities.

Be sure to schedule all Committee Activity Night Meetings and Second meetings of the month, especially those that conflict with holidays and conferences. When scheduling, remember there must be two (2) weeks between the Committee Activity Night meeting and Second meeting of the month. If the Chapter normally meets on 2nd and 4th Thursday, they may have to hold meetings on 1st and 3rd Thursday of that month only or move meetings to the 2nd and 4th Wednesday for that month only in which a conflict occurs.

**Important:** Every Chapter shall hold two (2) meetings each month and a Board of Officers meeting.

The First meeting of the month shall be the Committee Activity Night meeting.

The Board of Officers meeting may be held any time during the month providing the minutes of the Board of Officers meeting can be recorded on the official pre-numbered minutes pages prior to the Second Meeting of the Month.

The Second meeting of the month shall be two weeks later.
Additional meetings of the Chapter may be held as necessary but shall be in addition to the regularly scheduled meetings and shall be announced at a prior Chapter meeting.

The Board of Officers shall present the dates to the Lodge Board of Officers for approval to avoid a conflict of dates and to make sure the dates are on the Lodge calendar.

Advance planning also enables the committees to advertise their projects in the Lodge and/or Chapter bulletins to notify all members of upcoming events.

The Chapter Calendar shall include date, time, and place of the following:
- Committee Activity Night meetings
- Board of Officers meetings
- Monthly committee meetings
- Fundraising projects
- Second meetings of the month
- Family activities
- Social events
- Community Service activities and events
- Sports events
- Special speakers or special activities scheduled for Chapter meetings

Have yearly or quarterly calendars printed and distributed at Chapter meetings to all active co-workers and newly enrolled members.

Mail the calendar with a letter or bulletin to co-workers who do not attend meetings regularly or live out of town. Email correspondence is also permissible.

A monthly/semi-monthly calendar should also appear in your Lodge/Chapter bulletin if it is printed monthly/semi-monthly or on your Lodge/Chapter website.

**MEETINGS**

**Tips For Successful Meetings**

1. Be organized. The Board of Officers will gain the respect of the co-workers if well prepared for the meetings.

2. Plan to arrive at your Chapter meetings early to get ready for the reception (when applicable) and meeting. Volunteer to assist the chairman and her committee in getting ready for the meeting.

3. Ask co-workers to assist you in your various duties. Get everyone involved.

4. Set up the floor for the Chapter meetings – see Meeting Procedures and Agendas Book for proper floor set up.

5. Start and end the meetings on time.

6. Use a microphone at every Chapter meeting, regardless of whether the meeting room is large or small. Some co-workers have soft voices and many co-workers may not hear as well as others.

7. If your Chapter does not have a microphone, make a proposal for one at your next Board of Officers meeting. If you have a microphone and it is not working, have it repaired immediately or purchase a new one.

8. Become very familiar with your speaking part.

9. Remember smoking and drinking of alcoholic beverages is prohibited at any Women of the Moose meeting.

10. Remember to say, "Please" and "Thank you" or "You did a great job!"
Committee Activity Night Meetings

Chapter committees are a very important part of our program.

Most Committee Activity Night meetings are considered a closed meeting, open only to members of the Women of the Moose (including members of other Chapters) in good standing, and minor children in their care if or when necessary, may attend.

New members shall be invited to attend the Special Welcome Reception to be held prior to the Committee Activity Night or Second meeting of the month following the meeting at which their applications were approved.

The chairman shall present a check for the Women of the Moose Scholarship and Maintenance Fund and a check for the Special Project of the committee.

When a chairman is unable to be present on her Committee Activity Night, a member of her committee shall assume the chairman’s responsibilities for the meeting and shall sign the Form 114 as pro-temp.

When a committee is inactive, the officers shall assume the responsibility for preparing the Committee Activity Night.

A Welcome Committee should greet new members. The Welcome Committee should make sure new members are not left alone and should make a point to introduce the new member to other co-workers. This is a good time to assist the new member in completing the activities questionnaire, collect it and give it to the Senior Regent before or after the meeting.

Introduce the new members and guests to the co-workers of your Chapter. A warm handshake, a smile and a few friendly words will encourage them to attend meetings. If the new member’s sponsor was unable to attend the meeting with her, have another member sit with her during the meeting and social hour.

The installation of any officers or chairmen may be held at the Committee Activity Night meeting.

**Important:** As a member of the Board of Officers, you should make a point of talking to every co-worker and welcoming every new member. Socialize with the co-workers before and after the meeting.

Have An Interesting, Fun-Filled Program

Encourage each Chapter Development Committee Chairman and her committee to have some type of program or entertainment at each Chapter meeting. Special speakers from the community may be of interest to your membership and promote attendance.

Make the meeting interesting and entertaining so co-workers will become actively involved and attend meetings regularly. The key to successful meetings is planning. Plan the various activities for your Committee Activity Night meetings and Second meetings of the month in advance and notify your membership well in advance. This will encourage them to attend if they know that an interesting topic or subject will be covered or entertainment has been planned.

Invite guest speakers to present a short program. Contact your local hospital, police department, fire department, library, and school as well as the Heart Association, Red Cross, Cancer Society, etc. as they are excellent reference sources when planning your program. Many of these organizations will provide a very interesting program either free of charge or for a contribution to their organization. Contact your local school and ask them if various groups in the school would be interested in entertaining your co-workers at your Chapter meetings such as band, chorus, dance groups, etc.

Have skits or games after the meeting. Involve the co-workers in your activities.
Remember: Have fun at your Chapter meetings. Give your co-workers a reason to attend.

Serving light refreshments after the meeting will enable the co-workers to socialize. Set up tables so the co-workers are seated together to eliminate little groups and to ensure new members are not being excluded.

Christmas In October

The Mooseheart/Moosehaven Committee Activity Night held in October should be a special occasion in every Chapter. This Activity Night is designated as “Christmas being held in October” and should be held in conjunction with Mooseheart Founders Day as an open meeting. The Chairman and her committee should plan a special Christmas celebration in honor of our students at Mooseheart and our seniors at Moosehaven. The Chapter room should be decorated with a Christmas theme. A potluck or special dinner could be held prior to the meeting.

Those in attendance will be invited to present their donations. The Mooseheart/Moosehaven Chairman takes her place in front of the podium with a basket in hand. The Guides lead the march. There may be cheerful Christmas music or group singing while those in attendance participate in the gift walk. (Refer to the Chairman’s pamphlet for a list of the checks to be donated.)

Monetary Gift Walk For Mooseheart and Moosehaven

After the gift walk, the monies collected in the “Christmas in October March”, are counted by the Chairman and a member of her committee. The donations are given to the Recorder who will issue an official business receipt. The Recorder will include the donations in a Chapter check payable to Moose Charities, properly earmarked for Mooseheart Christmas March and for Moosehaven Christmas March. The Senior Regent will send the check, which also includes other properly earmarked donations, to Women of the Moose Headquarters along with the Mooseheart/Moosehaven Committee’s monthly reports.

Following the Committee Activity Night meeting, Christmas Carols or even a visit from Santa may be held. Christmas cookies and candies or other Christmas holiday treats may be served.

Monthly Committee Meetings

The purpose of the Monthly Committee Meetings is:

- To create enthusiasm and inform committee members of the responsibilities of their committee.
- To get co-workers involved at the committee level, which will also increase attendance at Chapter meetings and activities.
- To get co-workers involved in projects to assist Mooseheart, Moosehaven and the local community.

Committee meetings could be held on the same night as the Board of Officers meeting to enable committees to make recommendations and present them the same night to the Board of Officers.

If the Chairman is unable to be present at meetings, she shall appoint someone from her committee to serve as pro-tem Chairman. The Chairman is to make sure the pro-tem is given all materials and plans necessary to conduct the meeting.

Involve your co-workers in the committee meetings. Be sure to ask the Chairman to invite the new members who have been placed on her committee.
Plan enjoyable activities and have fun at your committee meetings. This is a time to socialize with the co-workers of your Chapter.

The Committee Meeting is a great time to work on tray favors for the local hospital, craft items for the Chapter’s annual bazaar or various other projects the committee may want to pursue during the year. This might be a great night for your committee to assist with Community Service projects either before or after the meeting.

**For example:** If your committee sponsors a Girl Scout troop, the co-workers may want to meet with the Girl Scouts prior to your committee meeting and assist them with their badge requirements.

If your committee provides lap robes for Moosehaven Residents or a local nursing center, the committee members could work on them after your committee meeting.

**Note:** Refer to the Committee Chairmen’s Pamphlets (found at www.mooseintl.org under Forms & Documents – Women of the Moose) for further information regarding Committee Meetings and an agenda to be followed.

The Board of Officers shall, at all times, keep an open line of communication with each other and work together as a team for the good of the Chapter. Present a united front – set aside any personal differences.

There shall be no drinking of alcoholic beverages or smoking at the Board of Officers meeting as it is considered the same as a Chapter meeting.

The Chapter shall be notified of the date, time and place of the regular monthly Board of Officers meetings.

The regularly scheduled Board of Officers meeting shall be held at a time and place that is convenient for all. It may be held immediately prior to the Welcome Reception for new members at the Committee Activity Night Meeting, following the Activity Night Meeting, or on a separate night. In the event the Board meeting is held on the same night as the Activity Night, the minutes are not read until the Second meeting of the month unless it is an emergency. The regular monthly Board of Officers meeting may be held before the Second meeting of the month providing the minutes can be recorded on the official pre-numbered minutes pages prior to the Second meeting of the month.
Additional Board of Officers meetings may be scheduled when necessary without prior notification to the Chapter. All members of the Board of Officers shall be notified of emergency (or additional) Board of Officers meetings or the meeting is declared null and void.

Three (3) officers shall constitute a quorum for the transaction of business. There shall be no pro-temps for any officer at a Board of Officers meeting. No business shall be transacted if there are less than three (3) officers present, unless special dispensation has been granted by the Grand Chancellor’s office. This also holds true when there are vacant offices.

If an officer is unable to attend a Board of Officers meeting, the Senior Regent shall inform the officer of the business transacted.

In the absence of the Secretary/Treasurer, the Recorder shall take the minutes and shall also write or print them on the official pre-numbered minutes pages of the Chapter Minutes Book and sign them as “Secretary/Treasurer Pro-tem”.

**Discussions held at Board of Officers meetings are not revealed to anyone.**

Presenting Proposals at Board of Officers meetings:

- Any co-worker may attend the Board of Officers meeting for the purpose of presenting a proposal for: fundraising projects, social activities, Committee Activity Night plans, Community Service or Lodge assistance. The co-worker(s) does/do not remain in the meeting for the Board's discussion.

- Encourage the membership to present their ideas at a meeting of the Board of Officers.

- All plans submitted by either an officer, chairman, or co-worker must be written in the minutes and given consideration.

- Each proposal shall be written as proposed. It is recommended that the Secretary/Treasurer read the written proposal to ensure all officers agree it is written correctly. After a thorough discussion, the Senior Regent shall ask for a show of hands (in favor of and opposed) on each proposal.

- The majority vote will determine whether the proposal is accepted or rejected, and the Secretary/Treasurer will indicate the action taken in the Board of Officers minutes.

- If there is a locked proposal among the Board, the proposal is presented to the floor for a majority vote.

- Regardless of whether a proposal is recommended or rejected, it shall be placed in the Chapter minutes. The Board of Officers do not discard, table or ignore the proposal.

- When the Board rejects a proposal, the Secretary/Treasurer will include the explanation as to why the Board rejected it. If the Board’s rejected proposal is then rejected by a majority vote of the Chapter co-workers, it is referred back to the Board for further consideration.

  1. If the Board rejects the proposal the second time, it is again entered in the Board minutes with an explanation of the rejection.

  2. If the Chapter votes against the Board’s rejection the second time, the Board must follow through with the original proposal, as the majority vote of the Chapter shall be final.

- The majority vote by the co-workers in attendance at the Chapter meetings determines whether a recommendation is approved or rejected.
• Other than normal recurring bills and those from Moose International, Chapter bills shall not be paid until they are presented to the Board of Officers for recommendation and Chapter approval has been received. Chapter bills shall be initialed by the Board of Officers indicating they have been reviewed.

• The Application Review Committee shall present a report on the application(s) to the Board of Officers for review at the meeting held prior to the next Chapter meeting. The report shall be reviewed but is not entered in the minutes of the Board of Officers meeting.

**Note:** If the Chapter votes unfavorably on applications, regardless of whether the ballot was for one or more candidates, another ballot shall immediately be taken on each application to guard against any error. If a second ballot is unfavorable, the applicant is to be notified (See Meeting Procedures & Agendas Book for instructions).

Unfinished Business includes:
- Business left over from a previous meeting.
- Business that may have been referred back to the Board at a previous Chapter meeting.

New Business includes:
- Reading of all official correspondence, especially from Women of the Moose Headquarters.
- Discussion of any matter of new business brought up at a Chapter meeting.
- Status of taxes, Chapter finances, or other such matters.
- Reports of chairmen as may be required, such as Membership/Retention Chairman on the status of members in arrears with dues and results of personal contact with members, or on the status of the membership campaign.
- Financial Assistance Committee to review individual situations.

**Joint Board Of Officers Meeting**

The Chapter and Lodge shall hold Joint Board of Officers meetings at least once a month as required by the General Laws of both entities. Better communication, cooperation and unity generally result when Chapters and Lodges hold Joint Board of Officers meetings on a regular monthly basis.

The discussions held with both Boards are NOT entered in the Chapter minutes.

If the Lodge needs assistance in serving dinners, etc., the Senior Regent will make the necessary announcements and encourage co-workers to attend and help as volunteers. The Senior Regent should also contact members not in attendance and ask for their assistance.

If the Lodge needs financial assistance from the Chapter, the proposal is presented at the next Chapter Board of Officers meeting for recommendation and ultimately to the membership of the Chapter.

**Note:** The Chapter may assist financially but should not assume the burden or responsibility of Lodge indebtedness.

Work cooperatively with Lodge Board of Officers. Support their activities and functions and they in turn will be supportive of Chapter activities and functions.
Second Meeting Of The Month

(See example of proper minutes in the Minutes of Meeting section of this book)

The Second meeting of the month shall be held two (2) weeks following the Committee Activity Night.

The Second meeting of the month is a closed meeting; only members of the Women of the Moose (including members of other Chapters) in good standing, and minor children in their care if or when necessary, may attend.

A rescheduled Committee Activity Night SHALL NOT be held at the Second meeting of the month or on the same day/evening.

Installation of any officers or chairmen may be held at the Second meeting of the month.

Checks are signed by the Recorder and Senior Regent or Secretary/Treasurer after the adjournment of the meeting, after receiving Chapter approval for payment of bills.

Any co-worker, including members of the Board of Officers, may present a new proposal at a Chapter meeting. However, no action, motion or vote is taken at that time. The proposal is referred to the Board to discuss at the next Board of Officers meeting.

The Second meeting of the month agenda shall be followed as outlined in the Women of the Moose Meeting Procedures & Agendas book.

Chapter Development and Higher Degrees Committee Chairmen shall read their appropriate Forms 114 or 166 to the Chapter prior to being sent to Women of the Moose Headquarters.

Reports of Special Committee Chairmen such as Sports, Youth Awareness, Bingo, Sunshine, Government Relations, etc., shall be given.

Monthly reports shall be prepared for remittance.

CHAPTER FUNDRAISING

All committees are responsible for conducting fundraising projects. It is the responsibility of the Board of Officers to ensure the fundraising projects are in accordance with the General Laws of the Women of the Moose and all subsequent changes and are not in conflict with the Private Policy of Moose International. The Chapter shall not jeopardize the “not-for-profit” status of the Lodge or Chapter. Therefore, compliance to these guidelines is imperative.

Below you will find the guidelines for conducting fundraising projects. (Also refer to the Private Policy in the General Laws of Moose International and the Supreme Lodge of the Loyal Order of Moose.)

Questions concerning the Private Policy should be directed to the General Governor.

1. **Fundraising Activities Involving Non-Members** -- A Lodge/Chapter shall not conduct any activity for financial gain involving non-members unless specifically authorized by the General Laws. If not specifically authorized by the General Laws, any fundraising activity involving non-members shall only be conducted in accordance with a dispensation received from the Women of the Moose.

2. **Public Bingo** – If a Lodge/Chapter is properly licensed and is in compliance with all laws, rules, regulations, ordinances, etc., it may conduct bingo open to the public. Bingo shall be conducted in the Lodge hall unless otherwise approved by the General Governor. Non-member bingo players shall not enter the Lodge social quarters unless qualified as a guest as described in the General Laws of the Supreme Lodge.

3. **Community Service and Charitable Fundraising** -- A Lodge home may be utilized for legitimate community service programs and charitable fundraising events upon approval of the local Lodge. A dispensation is required from the General Governor's office or the Women of the Moose. Non-members involved in community service programs or fundraising events shall not enter the Lodge social quarters. Community service and charitable fundraising events are subject to the following restrictions:

   a. The social quarters shall be closed to non-members.
   b. Non-members shall not make purchases unless the purchase is directly related to the fundraising event.
   c. No alcoholic beverages shall be involved unless specifically approved by the General Governor.
   d. IRS regulations require that only “volunteers” be involved in charitable fundraising events. No House Committee employee (i.e., SQ Manager, bartender, etc.) or Lodge/Chapter employee (Administrator, Recorder or clerical personnel, etc.) shall participate in charitable fundraising events. Volunteers may not receive any form of compensation, including, but not limited to, tips, free meals, free drinks, etc.

   **Important** – Income derived from an activity in violation of this condition may be classified as unrelated income and taxable.

   e. Neither the Lodge nor Chapter shall benefit financially from the activity.
   f. All net proceeds shall be donated to the charity or community service organization for which the event was conducted.
   g. A separate and complete record of each event must be kept on file. The file shall include, but not be limited to:

      1. Details of the event, an itemized financial record (including gross and net proceeds, costs, etc.)
      2. The name, address, telephone number and tax ID or social security number of the organization or individual receiving the proceeds.

   **Important** – With dispensation a Lodge and/or Chapter may in one year have up to two fund-raisers of the same kind involving the public with the Lodge and/or Chapter keeping the proceeds (i.e., two dances, two yard sales, two craft booths, two dinners, etc.). A universal dispensation form is available on the Moose International website for use by the Lodge and Chapter. The Chapter must obtain a dispensation from the Women of the Moose for fund-raisers involving the public for the financial gain of the Chapter.
Subject to compliance with the LOOM General Laws (also available on the Moose International website), there are no limitations on the number of fund-raisers involving the public if all the net proceeds go to charity (i.e., Moose Charities) or a legitimate community service program.

Selling Of Raffle Tickets

If raffles are legal in the State/Province, a Chapter may sell tickets to MEMBERS ONLY.

Craft/Vendor Fair

A Chapter/committee may, with dispensation from the Women of the Moose, conduct a craft or vendor fair with the vendor keeping their profits. The Chapter would sell “space” to the crafter/vendor and would make its profit from the sale of “space.” Additionally, a bake sale or food sales may be conducted to coincide with the craft/vendor fair.

Demonstration Parties

A demonstration party shall not be held in the name of a committee or Chapter unless 100% of net profits from the demonstration party are being donated to the Chapter. A co-worker or non-member may not make a profit from a Women of the Moose function.

Bands Hired For A Women Of The Moose Fundraising Project/Activity

When a Chapter/committee is planning a dance for a fundraising project and the band requests a contract to be signed, the Chapter shall ask the Lodge to sign the contract. The Chapter can either write a check to the Lodge for reimbursement or they may pay the band directly. The Chapter is prohibited from entering into contracts with bands.

NOTE: The function, including the use of a band, must be approved by the Lodge Board of Officers.

Prohibited Fundraising Projects/Activities

No Chapter of the Women of the Moose shall hold a fundraising project that involves the selling, dispensing, or raffling of alcoholic beverages or firearms without proper licensing and dispensation (refer to the back of this book for further information).

Women of the Moose functions cannot include any alcoholic beverages provided by the Chapter. (Refer to document from the General Governor's Office at the back of this book.)

HANDLING FUNDS

The Recorder is responsible for the collection of all general and special funds and for the deposits of same.

A Chapter shall have only ONE Checking Account to be known as the General Fund.

All monies raised by any committee shall go through the accounts of the Chapter and are deposited in the General Fund, except in States/Provinces where a separate Bingo account is required.

Receipts shall be received for all expenditures.

There are no cash payouts or petty cash funds except for Bingo, and only then with dispensation granted by Women of the Moose Headquarters.
It is not in order to use cash money collected from fundraising projects to pay for any expenses with the exception of a 50/50 raffle or split the pot payout. Nor, is it in order to use the Chapter's cash funds as a bank (i.e. cashing personal checks or giving excessive change for meal transactions).

All bills and expenses, regardless of amount, are to be paid by Chapter check only after they have been proposed for payment by the Board of Officers and approved by the Chapter.

A Secretary/Treasurer, Recorder or Senior Regent who signs a blank check shall be removed from office. A Recorder who provides a blank check for signature will also be removed from office.

Any member of a committee may collect funds from fundraising projects. They are responsible for all funds they collected.

**TIP:** Utilize the Advanced Funds Envelope found in the WOW - Helpful Suggestions area under Women of the Moose at www.mooseintl.org.

Every chairman and officer should receive an Official Business Receipt book from the Recorder. The chairman will issue a business receipt to each committee member from whom she receives money.

The committee is to count the money before giving it to the Recorder, Secretary/Treasurer, or Senior Regent.

The Recorder or officer shall count the money in the presence of the co-worker turning funds over to her and shall issue an Official Business Receipt to the co-worker. This procedure will avoid any misunderstanding as to the amount remitted.

A Recorder shall issue Official Business Receipts for all funds collected from fundraising projects. Failure to do so may result in disciplinary charges being filed against her and/or removal from office by Women of the Moose Headquarters.

**Issuing Business Receipts**

1. Business Receipts are issued at all times when funds are received, including fees and fines assessed to co-workers.

2. **BEFORE** an Official Business Receipt is issued, the money is to be counted in the presence of the co-worker who is turning in funds.

3. All Official Business Receipts issued should be numbered in consecutive order. The receipt number is to be referenced in the Cash Receipt entry on the computer as proof of the transaction. Receipt Books are to be verified by the Audit Committee when completing the Financial Report.

4. Each chairman or officer should have a Business Receipt Book when holding her fundraising projects to issue receipts to co-workers assisting with the project. Receipts issued by the chairman or officer would not be listed in the Chapter's financial accounts. The Recorder will issue an Official Business Receipt for money she receives. The receipt issued by the Recorder will indicate the receipt numbers issued by the chairman or officer.

**Bingo Committee**

Bingo at which non-members are allowed to participate may be conducted as a Chapter fundraising project, provided it is legal in the state/province and local area. The Chapter shall comply with all local, State/Provincial laws governing bingo.
The chairman shall keep an accurate record, written in ink or typed, showing total receipts and expenditures for each Bingo game and make a complete report, written in ink or typed, at each Second meeting of the month. The records shall be available for inspection by local or State/Provincial Bingo authorized personnel.

**Note:** No member of the Board of Officers may serve as Bingo Chairman. If your State/Provincial Bingo laws permit members of the Bingo committee and/or Bingo workers to be paid, the Chapter officers shall not receive compensation.

If not, the Chapter could obtain the coverage individually from a local agent.

The Risk Pool Assessment is billed monthly on your Statement of Account. All Chapters shall pay the assessment for the Risk Pool when due. Checks are made payable to Moose International, Inc. remitted to:

Workers’ Compensation Insurance

For Chapters located in the U.S. where it is mandatory that they have Workers’ Compensation, coverage should be included under the Lodge Workers’ Compensation Policy. (Refer to the Insurance for Lodges, Service Centers, Chapters, Legions & Association: Insurance Reference manual found at www.mooseintl.org under Forms & Documents – Lodge Operations – Legal/Risk Management – Insurance Reference Manual.)

DISPENSATIONS

A dispensation is a request from a Chapter asking the Office of the Grand Chancellor for permission to deviate from the rules, regulations and procedures of the Women of the Moose.

All requests for dispensation shall be presented to the Chapter for approval and shall be signed by the Board of Officers over the seal of the Chapter.

Important: A dispensation request will not be approved if we do not receive the dispensation over the signatures of the entire Board of Officers and any supporting documentation as required.

Be sure to include all information regarding your request so that the dispensation may be processed in a prompt manner. Please allow two (2) weeks for a response.

Important: A reply stating that the dispensation has been granted must be received before a Chapter can proceed.

Most Dispensation Forms may be found in the Forms & Documents – Women of the Moose portal at www.mooseintl.org. Please make photocopies of these Dispensation Forms for future use throughout the year.

Chapter Dispensations

Dispensation is required to change the date of a Chapter meeting, with the exception of a meeting in conflict with holidays, Annual, Midyear, International Conferences, or due to inclement weather. It is not in order for any Chapter to hold only one meeting during a month, nor is it in order for a Chapter to hold both the Committee Activity Night and the Second meeting of the month on the same night. If a holiday or conference date conflicts, then change your dates to allow for as close as possible the two-week period between the Committee Activity Night and Second meeting of the month.

Dispensation is not needed if the Chapter is going to permanently change the date or time of Chapter meetings, such as from the 2nd and 4th Tuesdays to the 1st and 3rd Mondays. Only Chapter approval is needed. After approval by the Chapter, the Recorder shall enter the new meeting dates and times in the LCL.net program and transmit to Moose International.

Dispensation is also required:

• To nominate, elect, and install an officer at the same meeting. (This shall only be requested in the month of July.)

• A dispensation is not required to change the rate of dues for your Chapter. However, Chapter approval is required. Immediately after the Chapter approves the increase in dues, the Recorder shall enter the new membership dues rate into LCL.net and transmit to Moose International. The new rate will take effect 90 days from the entry date.

**NOTE:** Please keep in mind that Mooseheart and Moosehaven are our first and foremost Community Service Projects.

Dispensation must be granted from the Office of the Grand Chancellor for all donations to the Moose Center in excess of one thousand ($1,000.00) dollars per quarter.

Financial dispensations will not be granted to pay for liquor, liquor license, beer coolers or liquor dispensing equipment.

Any time the Chapter is donating funds in excess of five thousand ($5,000.00) dollars to the Lodge for improvements to the building, including new construction, remodeling, or construction of outside pavilions, storage areas, etc., which add to the value of the property (real estate), the Lodge must also secure a fraternal dispensation from the General Governor.

The dispensation shall contain the following: amount, purpose of dispensation, date approved by Chapter (including a copy of the minutes of the Board of Officers meeting in which the request was approved as well as a copy of the minutes of the Chapter meeting where approved by the membership) and Chapter Seal.

When requesting a financial dispensation, please allow for a two week processing period. We do our best to process the dispensations within a couple of days of receipt; however, during the last quarter of the Chapter year, dispensation requests are heavier. Requests are processed in the order they are received.

Dispensation shall be required for all office equipment purchases in excess of two thousand five hundred ($2,500.00) dollars.

Moose International holds various membership campaigns throughout the Chapter year to encourage your members to sponsor new and re-enrolled members and to reinstate members.

**NOTE:** Insert campaign flyers in your monthly/semi-monthly newsletter.

In addition to the campaigns sponsored by Women of the Moose Headquarters and Moose International, your Chapter is encouraged to hold special membership campaigns. Please assist your Membership/Retention Chairman and her committee in planning special campaigns.

A successful new member campaign may be accomplished in six to eight weeks providing the committee knows exactly:

- What the campaign is expected to accomplish
- When the campaign is going to begin and conclude
- How the campaign is going to be presented

The membership campaign may be in honor of one of your outstanding co-workers or newly conferred degree holders.

Novelty stunts may be incorporated into the membership campaign such as a “Come As You Are” luncheon; Chapter is divided into teams and the winning team is treated to a potluck social, etc.

Special gifts or prizes may be awarded to the “Top Sponsor” or “Lucky Sponsor” of the campaign.

Prepare a poster for the Chapter bulletin board and monthly/semi-monthly newsletter to keep all co-workers aware of the campaigns as well as progress of the campaigns.

- Display sponsors’ names

In addition to various membership campaigns, the Membership/Retention Chairman and her committee should secure a list of former members from the Recorder and make personal contact to see if any of the former members are interested in re-enrolling in the Women of the Moose.

**NEW MEMBER ORIENTATION PROGRAM**

Every Chapter shall hold a monthly New Member Orientation meeting to inform new/prospective members of the benefits of membership in the Women of the Moose.

The Women of the Moose Orientation Guide was sent to the Senior Regent and is available at [www.mooseintl.org](http://www.mooseintl.org) – Forms & Documents – Women of the Moose.

The video, “This is Mooseheart/This is Moosehaven” should be shown. It may be purchased for a nominal price from Catalog Sales or the New Member Orientation Video may also be shown. Additional videos are available on YouTube under Moose International.

All Chapter officers and committee chairmen are encouraged to be in attendance to personally introduce themselves.

A member of the Membership/Retention Committee should serve as moderator for this meeting.
One of the Chapter’s most valuable committees is the Membership/Retention Committee.

The Membership/Retention Committee should meet monthly to make plans for personal contact with co-workers whose membership dues are in arrears.

Personal contact is necessary to remind the co-worker her membership dues are in arrears and explain the benefits of retaining her membership – ensure she knows about her MEMBER BENEFITS.

On or about the 15th of each month, the Recorder receives an “Expired Member Kit” via email from Moose International. The kit includes a listing of expired members, contact information, sample scripts, her sponsor’s name, dues totals and payment options. The Membership/Retention Committee shall secure this list from the Recorder to effectively perform their duties.

In addition, a “Member Retention Kit” is received on the 5th day of the month and lists the members whose dues will expire in just under 90 days. This kit includes the same information as the Expired Member Kit.

During personal contact with the member, determine why she does not want to renew her dues.

- Did the co-worker have an unpleasant experience? If so, apologize and try to correct the situation if possible.
- Does the Chapter/Lodge offer programs or activities of interest to her and/or her family? Contact the Chapter’s Activities/Sports Chairman or Lodge’s Activities Chairman to see if other activities could be offered.
- If the co-worker financially cannot pay her dues, refer her situation to the Chapter’s Financial Assistance Committee.

The Membership/Retention Chairman or a committee member should meet with the Board periodically to report on information secured by the Committee members from their personal contacts.

WOMEN OF THE MOOSE TRAINING SESSIONS

The Senior Regent, Junior Graduate Regent and Recorder shall attend the Women of the Moose Training Session as one of the requirements for personal honors, such as Green Cap, College of Regents and Star Recorder. Do not allow your personal honors to be in jeopardy!

Sessions will be held between February 1, 2019 and October 31, 2019. No make-up sessions will be conducted.

Installed Officers, Appointed Officers, Chapter Development Chairmen and all other members of the Chapter are encouraged to attend.

A directory listing the date, time, and place of each session will be listed at www.mooseintl.org – Moose Training – Moose Training Schedule. Please watch the website for the directory. If no classes are listed, please contact your Chapter Analyst Coordinator.
The officers are encouraged to attend the Women of the Moose Training Session as it is designed to assist the officers in fulfilling their duties and responsibilities to enable the Chapter to have a successful year. Please RSVP and let the Hostess Chapter know how many to expect from your Chapter so they are prepared.

**2-HOTT Training Sessions**

The Recorder shall attend the two (2) day 2-HOTT (2 Day Hands On Technical Training) Session each Chapter year while serving as Recorder while attempting to qualify for the Star Recorder degree. Attendance is also mandatory every two (2) years if the Recorder wishes to submit her name for consideration for the office of Recorder for the following Chapter year. Do not allow your personal honors to be in jeopardy!

Installed Officers, Appointed Officers, Chapter Development Chairmen and all other members of the Chapter are encouraged to attend.

A directory listing the date, time, and place of each session will be listed at www.mooseintl.org – Moose Training – Moose Training Schedule. Please watch the website for the directory. If no classes are listed please contact your State/Provincial Training Coordinator.

**Assistance Requested/Required During the Year**

If your Chapter is experiencing difficulty or if the officers have questions during the year, you should first contact your Chapter Analyst Coordinator, Women of the Moose Training Session Leader, 2-HOTT Training Session Leader or Territory Manager. If they are unable to answer your question, further assistance will be requested. They serve as your liaison between your Chapter and Women of the Moose Headquarters.

If you would like someone to visit your Chapter to assist in Chapter/Lodge problems, please send a letter over the signatures of the Board of Officers to the state/provincial Chapter Analyst Coordinator or Territory Manager so that an authorization may be issued to an Official Visitor to visit your Chapter, at the Chapter’s expense.

If necessary, someone may be assigned to visit your Chapter, at your Chapter’s expense, if your Chapter is not remitting the monthly reports in a timely manner – or if Women of the Moose Headquarters has been notified that the Chapter needs attention.

It is important for all to know that having an Official Visitor assigned to your Chapter is NOT a “black mark” against the Chapter. We want all Chapters to succeed, thus sometimes an Official Visitor can be the catalyst to help this happen.

If a Chapter is experiencing difficulty in securing officers, an Official Visitor may be assigned to assist as necessary.

Chapters will NOT be closed until all efforts to activate participation are deemed futile.

**Removal From Office**

If an Elected Officer or the Junior Graduate Regent of the Chapter is absent for three (3) consecutive regular meetings of the Chapter and/or Board of Officers (including the Joint Board of Officers meeting) without sufficient excuse, the Senior Regent may declare such office vacant. Any officer (including the Senior Regent) whose dues are in expired status cannot enter the Moose Home, attend any meetings or participate in any Women of the Moose activities until her membership dues are once again in active status.
If the Senior Regent is absent three (3) consecutive regular meetings of the Chapter and/or Board of Officers (including the Joint Board of Officers meeting), without sufficient excuse, the Junior Regent may, with the approval of the Board, declare her office vacant.

When a member of the Board of Officers is removed from office (as outlined above), the Secretary/Treasurer will send a letter to her (over the signature of the Board of Officers) explaining the reason for her removal and for the action taken.

The Senior Regent may remove a Chairman or Appointed Officer who is unable to fulfill the duties and responsibilities of the position. The Senior Regent appointed co-workers to these positions; therefore it is her responsibility to remove them when necessary. She is to notify the co-worker(s), in writing, that she has found it necessary to vacate the position and list the reason(s) for her decision. If the position is a necessary appointment for the Green Cap – the Senior Regent shall immediately appoint and install another co-worker into that position.

Every co-worker who has been installed in a position shall contact the Senior Regent to explain the reason for absence from a meeting. There may always be extenuating circumstances, but the following may be of assistance in determining if an absence is excused.

- Personal or family illness
- Job requirements
- Inclement weather
- Vacation

Co-workers who submit their names for consideration to the Nominating Committee should be aware of the duties and responsibilities of the office and the commitment that is necessary. Vacations that may be from one to three or four weeks may be understood and acceptable. It is possible that an officer could miss three meetings in a row, but anything more would be very questionable. There is not a specific number of meetings that must be attended by officers/chairmen in order to make the year a success. However, common sense would lead us to believe that all officers and chairmen should be expected to attend all meetings, with the exception of those for which they have a valid excuse or those who are tending to an ill family member.

**FINES AND DISCIPLINARY PROCEDURES**

It is the responsibility of the Senior Regent to maintain order and decorum in the Chapter Room. It is not in order for co-workers to cause dissension on the Chapter floor while the Chapter is in session.

If a co-worker causes a disturbance at a Committee Activity Night or Second meeting of the month, the Board of Officers should send a Certified Letter, return receipt requested, requesting the co-worker to attend the Board of Officers meeting.

The co-worker should be counseled in regards to her actions/behavior at meetings. She should also be informed that the Senior Regent may impose a fine if unacceptable behavior/action continues.

When a co-worker becomes belligerent at a meeting, the Senior Regent should ask the co-worker to be seated. If the co-worker refuses, then the Senior Regent asks the Guides to escort the co-worker from the Chapter Room. If the co-worker refuses to leave, the Senior Regent should rap the gavel and adjourn the meeting.

**Note:** Refer to the General Laws of the Women of the Moose for more information regarding fines.
The filing of disciplinary charges against a co-worker is serious and should not be entered into lightly. Please refer to the General Laws of Moose International and the Supreme Lodge of the Loyal Order of Moose.

**Note:** All disciplinary charges shall be under the supervision of the General Governor’s office.

### Extending Invitations to Attend Special Meetings

Your Chapter may invite a Current or Past State/Provincial/International Officer to be a guest speaker at a Chapter meeting or Chapter function provided:

- The proposal is presented to the Chapter for approval via the Board of Officers recommendations.
- The request is sent over the signatures of the Board of Officers and the Chapter Seal. It is not necessary to request a dispensation from Women of the Moose Headquarters to invite a guest speaker.
- The same procedure shall be used when inviting anyone (co-worker or non-member) to be a guest speaker.

Chapters are encouraged to hold special functions to honor:

- New members into the higher degrees
- Nominee for Lifetime Achievement Award
- 50-year members
- New Board of Officers, Appointed Officers and Chairmen

Chapters who have a new Star Recorder and/or College of Regents member shall plan for them to address the members and guests at the respective Committee Activity Night. It is permissible to invite a Current or Past State/Provincial/International Officer to be a guest speaker in her honor.

### Volunteer Co-Worker of the Year

Every Chapter has an opportunity to recognize outstanding volunteers on a monthly basis. A Volunteer Co-worker of the Month template for a small wallet card is available at [www.mooseintl.org](http://www.mooseintl.org) under Forms & Documents. This card can be given to an outstanding volunteer in recognition for her service to the Chapter. The Board of Officers should recommend a recipient for this award.

From the 12 Volunteer Co-workers of the Month, one outstanding Volunteer Co-worker of the Year may be chosen. A certificate template is available on our Moose website at [www.mooseintl.org](http://www.mooseintl.org) under Forms & Documents.

### Co-Worker of the Year

This award is in addition to or can be used in place of the Volunteer Co-worker of the Month. On or before October 31st, the Senior Regent should call a meeting of the Past Regents to select a nominee for Co-worker of the Year. Via the Moose Admin, the Chapter Recorder should enter the ID number of the co-worker chosen by the Past Regents. A certificate will be produced by Women of the Moose Headquarters for each nominee and the certificates will be distributed during the 2020 Midyear Conference.
**LIFETIME ACHIEVEMENT AWARD**

The Lifetime Achievement Award program is designed to give special recognition to an outstanding co-worker in your Chapter for services rendered to the Chapter, the Lodge and the community.

- The Senior Regent should call a meeting of the Past Regents to select a nominee for this award.
- Each State/Province has established their own criteria – verify nomination requirements and deadlines with the Chapter Analyst Coordinator.
- A committee of State/Provincial Current/Past International Officers will judge the nominees. One nominee per State/Province will be submitted to Women of the Moose Headquarters before November 1st. There are no criteria established by Women of the Moose Headquarters but the nominee will be judged against the most outstanding nominees of other States/Provinces.
- Each Chapter may recognize their nominee by completing and printing the certificate template available on our website.
- Women of the Moose Headquarters will provide a plaque for each State/Provincial winner to be presented at the Midyear Conference.

**MINUTES OF MEETINGS**

The minutes of all regular Chapter meetings, including Committee Activity Nights, Special Meetings, Nominating Committee Meetings, Installation, Second meeting of the month, and Board of Officers meetings shall be recorded in the proper manner on the official pre-numbered minutes pages only (available through the Catalog Sales Department at Moose International) and kept in the Chapter Minutes Book.

Examples of the correct procedures in writing minutes are included on the following pages.

Make the minutes as brief as the essential facts will permit. A line shall be drawn diagonally across the remainder of the page each time to indicate that this was all of the minutes from that particular meeting. The minutes shall be signed immediately after the Chapter has approved them. A new page shall be used for each set of meeting minutes.

To aid in recording the minutes during the meetings you will find formats on the following pages for taking notes at Committee Activity Nights, Board of Officers, and the Second meeting of the month. These forms may be photocopied for convenience. However, the actual minutes shall be recorded on the official pre-numbered pages and placed in the Chapter Minutes Book before the next meeting.

It is not in order to make copies of the minutes to distribute to co-workers. Should they have questions, they may review the minutes of the meeting in question in the presence of the Secretary/Treasurer following the meeting.

Total cost - $ ____. ___

The Board voted for the Christmas Social at the Get Acquainted Meeting for new members, but rejected two areas of the proposal. First, the Board feels the $5.00 charge will not promote attendance. Secondly, the Board feels that $ ____. ___ is an excessive amount to be spent on food for this event.

SPECIAL NOTE: Since the Board of Officers rejected proposal number 6, the correct procedure to use is as follows:

a. The Board of Officers may reject a plan or proposal and the reason for the rejection shall be entered in the minutes. If a rejection is questioned, and there is a discussion on the Chapter floor, a motion may be made with a second to the motion to refer the rejection back to the Board for further consideration. The majority vote of the Chapter will determine if it is to go back to the Board of Officers. When a rejected plan or proposal is presented to the Chapter for the second time, the majority vote shall be final.

b. In the event the Chapter agrees with the Board of Officers rejection, then the matter is dropped completely. The minutes stand as read and approved.

7. The Board of Officers reviewed the Chapter Policies and makes a recommendation to approve the Chapter Policies as written.

8. The Board of Officers accepted the report of the Application Review Committee. The Committee approved three applications.

9. The Board of Officers recommends payment of the following bills:

**SPECIAL NOTES:**

- The dates and times for the Nominating Committee and Election of Officers do not need to be posted.
- There is no “Chairman of the Nominating Committee”. The Senior Regent presides over the meetings.
- Vacancies on the Board of Officers do not jeopardize the Award of Achievement or personal honors/degrees.
- The Women of the Moose General Laws must be followed as written – no deviation will be permitted unless authorized by the Office of the Grand Chancellor.
- Do not place a co-worker on the slate if she is not prepared to accept all duties and responsibilities of the office – including pro-teming the office of Senior Regent in the case of a vacancy in that office.

**Nomination And Election**

**Nominating Committee**

Prior to the meeting of the Nominating Committee, the Board of Officers shall immediately contact the Lodge House Committee for instructions as to when and where in the Moose Home a petition may be circulated.

Every Chapter is required by the General Laws to hold an election of officers at the Second meeting of the month in March each year. The exception being a newly instituted Chapter or one that, based upon membership action, has received written approval, in advance, or because some emergency situation requires the election to be changed or waived.

Consequently, the Nominating Committee is one of the most important committees of the Chapter.

Success of the Chapter depends to a great extent on this committee’s performance in nominating good candidates for office for the membership’s decision. The Nominating Committee should not consider this duty lightly. Careful consideration should be given to individual qualifications, with particular emphasis on leadership ability, as well as the willingness of each individual to contribute her time and effort to the best interests of the Chapter.

The Nominating Committee members should familiarize themselves with the various duties and responsibilities of each office in order to convey this information to prospective candidates.

**Note:** More information and a LIST OF RESPONSIBILITIES can be found in the Election of Chapter Officers Handbook and in the General Laws of the Women of the Moose.
Responsibilities

The Nominating Committee’s prime concern is to select one or more co-workers for each of the elected offices to be filled. Any nomination must be based upon the co-worker’s qualifications, her desire to run for office, her leadership ability and her availability to fulfill her responsibilities. The committee is encouraged to nominate more than one co-worker for a particular office for the membership’s consideration, provided each is qualified.

Things to consider:

- Is she a member in good standing
- Has she been a member for six months
- Has she held other positions
- Has she sponsored new members
- Does she have a willingness to serve for the good of the Chapter
- Is she an active participant in the Chapter
- Is she outgoing and willing to get people involved

Qualifications

See May 1, 2015, Women of the Moose General Laws.

Only those members whose dues are paid and are in good standing in the Chapter may be considered for elective office.

A member may not be eligible for elective office unless her membership in the Chapter equals or exceeds six months on the date of the election. (This does not apply to a newly instituted Chapter.) Exemption from this qualification requires dispensation from Women of the Moose Headquarters and will only be granted in exceptional circumstances.

Ineligibility

See May 1, 2015, Women of the Moose General Laws.

Any co-worker removed from office, or who has been requested to resign from office for the good of the Chapter, is disqualified from holding office again for three (3) years, except upon prior written dispensation from the Grand Chancellor. Request for dispensation shall disclose complete information regarding resignation/removal from office.

Unless the Grand Chancellor grants dispensation, any elected officer who resigns her office during the Chapter year is prohibited from submitting her name for any elected office during that same Chapter year or ensuing Chapter year. This prohibition does not apply to an elected officer who resigns her office after May 1st to submit her name for another office that is vacant.

Dispensation to Waive Six Month Membership Requirement

Dispensations MUST be secured from Women of the Moose Headquarters to waive six month membership before the Nominating Committee can take any action on the request for nomination.

- Do not write for dispensation to waive the six month membership requirement until all members of the Chapter have been contacted and until after the final slate of nominees is read to the Chapter at the March Committee Activity Night.
- Do not write for dispensation to waive the six month membership requirement if there is an eligible member for the office.
For example: The annual Nominating Committee has met three times. As of the 3rd committee meeting, Jane Doe, who recently joined the Chapter, submits her name for consideration to the Nominating Committee for the elected office of Junior Regent. Jane is the only co-worker who submitted her name for consideration. The Nominating Committee would adjourn without further action being taken regarding the office of Junior Regent.

After the slate of nominees is read at the March Committee Activity Night, the Secretary/Treasurer would prepare a Dispensation to Waive Requirements found on the website, over the signatures of the Board of Officers asking that a dispensation be granted to waive the six month membership requirement for Co-worker Jane Doe. The form should include the nominee’s name, MID number, and the date she was enrolled in the Chapter. Upon receipt of the approved dispensation, the Nominating Committee would meet and give consideration to Co-worker Jane Doe. If approved for nomination, at the next Chapter meeting the slate of nominees would be read. This requirement does not apply to a newly instituted Chapter.

Upon installation into office, the form must be returned to Women of the Moose Headquarters for the officer to be entered into the Moose Admin.

Slate of Nominees Read to the Chapter

See May 1, 2015, Women of the Moose General Laws.

A written report (slate of nominees) listing the candidates, by office and alphabetically by last name, shall be presented by the Senior Regent (or Officer in Charge) to the Chapter at the Committee Activity Night in March. If two or more are running for the same office, these names are placed upon the official Chapter ballot. No nominations may be made from the floor.

After each Nominating Committee meeting, the slate of nominees may be posted (listed alphabetically for each office) on the bulletin board in the Chapter room and included in Chapter or Lodge publications.

For any offices remaining vacant as of the March Committee Activity Night meeting when the final slate of nominees is read, please refer to “Resignations, Nominations and Elections During the Chapter Year”.

Note: A Nominating Committee Meeting shall not be held immediately after the Chapter meeting at which it was announced. This prevents co-workers not present at the Chapter meeting an opportunity to submit their names for the vacant positions.

Petitions

See May 1, 2015, Women of the Moose General Laws.

Any eligible member who has submitted her name to the Nominating Committee for a specific office and was not nominated, who still desires nomination for that office may have her name placed upon the official ballot, by valid petition, for that specific office only, provided the slate contains another name for that particular office.

Such petition shall be secured from the Recorder, Senior Regent or Women of the Moose website at the end of the Chapter meeting at which the final slate of nominees is read.

Note: Copies of the petition form shall be made and be available at the Recorder’s station in the event a co-worker should request a petition. Petition may also be secured from the Senior Regent or from the Women of the Moose website.
Petitions shall not be signed by anyone prior to the end of the Chapter meeting at which the final slate of nominees was read.

The petition must contain signatures of at least ten percent (10%) of the Chapter membership who are holding official membership cards indicating their dues are paid to date of election or beyond. The petition must contain the member’s signature, ID# and date she signed the petition.

**Ineligibility to Petition**

If a co-worker has been recommended for a particular office by the Nominating Committee and the co-worker has declined to run for that office, she may not change her mind later and decide to run for that same office by petition.

No petitions can be honored that carry signatures placed upon them prior to the final report of the Nominating Committee to the membership at its regular meeting.

**Campaigning**

See May 1, 2015, Women of the Moose General Laws.

Campaigning for or against a proposed candidate for office in any written, printed or electronic media form is strictly prohibited. The printing, circulating or distributing of resolutions, letters, tickets, other written or printed matters, or through any electronic media or other communication media by a member or anyone acting on her behalf, suggesting, recommending, opposing or containing the names of proposed candidates for office, is hereby prohibited. This also includes sample ballots containing names.

The General Laws are very specific on this point. For any violation of this section, the Grand Chancellor may suspend the offending member(s) and she may, in her judgment, declare the election of such officer(s) void and order a new election.

Co-workers may verbally request other co-workers’ support for their election to office. Any slanderous campaigning shall be subject to immediate suspension.

**Vacancies**

See May 1, 2015, Women of the Moose General Laws.

A vacancy in any of the elective offices of a Chapter shall be filled by the nomination/election process described herein. However, for good cause shown, the Grand Chancellor or her designee may issue special dispensation waiving such election and authorize vacancies to be filled by appointment.

In those situations requiring a special election, the Nominating Committee should perform its responsibilities promptly and should deliver its report to the Chapter as quickly as possible after its appointment and organization. The special election may then be held not less than two weeks following such report. The only exception applies to the offices of Senior Regent and Recorder as they must be elected and installed on or before July 31st to qualify for their personal honors. Dispensations may be secured from Women of the Moose Headquarters to read the slate of nominees, elect and install at the same meeting in July in order for the Senior Regent and Recorder to qualify for personal honors.

**Ballots**

No absentee, mail or proxy votes shall be allowed. When there is only one (1) candidate running for an office, the name is not placed on the written ballot.
Chapter Room Set-Up

Election Committee member #1 is assigned at the entrance of the Chapter room door. She asks co-workers to have their membership cards ready and directs co-workers to “Table A”. At “Table A”, the co-worker shows her good standing membership card, registers in her own handwriting and receives a ballot from Election Committee member #2. The co-worker then proceeds to “Table B” which is set up for secret balloting. The co-worker marks and folds her ballot and proceeds to “Table C” where she places her ballot in the box where Election Committee member #3 is seated.

If space permits, the voting area should be set either off to the side or in the back of the room in order that co-workers who are not currently voting will not disturb those who are.

Voting

See May 1, 2015, Women of the Moose General Laws.

The annual election of officers must be held at least two (2) weeks after the final slate of nominees is read to the Chapter.

When two (2) or more nominees are running for the same office, the annual election of officers shall be held one (1) hour prior to the start of the March Second meeting of the month and continue until all qualified co-workers present have voted. For at least one (1) hour prior to, and at all times during the election, the Recorder shall be at her station with the Chapter membership ledger to collect dues and confirm the eligibility of co-workers to vote in the election. The Senior Regent shall call the meeting to order, which closes the polls.

If expedient, a Chapter may use the Australian Ballot method in the election of officers. A period of not more than five (5) hours may be used for this type of election. The Recorder shall be at her station during the entire election process.

Co-workers shall be permitted to leave the room after voting and return for the meeting.

Any co-worker who is a member of the Chapter, who has her membership dues paid up to or beyond the date of the election, is eligible to vote in the election of officers.

Votes shall not be accepted by mail or by proxy. Each member desiring to vote must do so in person.

Note: There shall be no “NO” votes. If any “NO” votes are written in, they shall not be counted as a vote for that office. There shall be no names written in. Any names written in shall not be counted as a vote for that office. Only vote for one nominee for each office or the entire ballot is declared void.

When there is only one (1) candidate running for an office, the Election Committee Chairman shall make a motion, for each office, to cast a unanimous ballot for that particular office, which shall be seconded by any co-worker. The majority vote rules. (Refer to the Meeting Procedures and Agendas)

The Chapter shall vote for the motion by a show of hands - those in favor of the motion and those opposed - OR - by a simple “Yes or No” secret ballot.

Show of Hands: The Senior Regent will ask all present to vote by show of hands. Those in favor and those opposed. If vote is favorable, the Senior Regent shall declare the nominee elected. The same procedure shall be followed for each office in which there is only one nominee. If a vote is unfavorable for any nominee, the entire nomination and election procedures shall be followed to fill the vacancy.
A tie is considered as “unfavorable” as the motion did not receive a majority of favorable votes.

**Note:** All co-workers in good standing have the right to vote in favor of – or opposed to – the motion. If any co-worker does not wish to vote (abstains from voting), she is not counted at all.

**Example:** 26 co-workers are present.
13 co-workers vote in favor of the motion
11 co-workers vote opposed to the motion
2 co-workers do not vote (abstain)

The majority of those voting is 13 – in favor – the nominee is elected to office.

**Secret Ballot:** In the event a “secret ballot” is requested, the Guides will distribute blank ballots and pencils. Each member shall cast their vote by writing either “yes” or “no” on the ballot. The majority vote rules. If vote is favorable, the Senior Regent shall declare the nominee elected. The same procedure shall be followed for each office in which there is only one nominee. If a vote is unfavorable for any nominee, the entire nomination and election procedures shall be followed to fill the vacancy.

A tie is considered as “unfavorable” as the motion did not receive a majority of favorable votes.

**Election Results**

See May 1, 2015, Women of the Moose General Laws.

The candidate for each office receiving a majority or a plurality (three (3) or more candidates) of votes cast shall be declared elected.

In case of a tie, the Chapter shall have another election for that office (with only the tied candidates being considered) at the same meeting and it shall be taken immediately after the report is read.

Women of the Moose Headquarters may investigate any election if the Election Committee fails to correct any irregularities on the night of election or within seventy-two (72) hours. If a co-worker does not file a complaint regarding an election irregularity to the attention of the Election Committee on the night of election, or within seventy-two (72) hours, and does not follow the procedures set out in the Women of the Moose General Laws, the complaint is not valid.

When the election is completed, the Election Chairman will present the Election Results Report to the Senior Regent/Presiding Officer who will read the election results to the Chapter without disclosing the number of votes each nominee received. This announcement shall be the last item of business before closing the meeting.

The Senior Regent or Presiding Officer shall say:

“Elected by majority/plurality of favorable votes for the:

Office of Recorder, ________________________________________________

Secretary/Treasurer, ________________________________________________

Junior Regent, ___________________________________________________

Senior Regent, ____________________________________________________.”

The Election Results Report shall be retained in the Chapter files for future reference, if necessary.

STALLATION

See May 1, 2015, Women of the Moose General Laws.

1. Senior Regent-Elect prepares a written proposal to present to the Board of Officers containing complete details regarding:
   - Cost for food, programs, flowers/corsages, decorations, music or band, and gifts for Installing Officers.
   - The event must be approved by the Lodge. In the event the Chapter should desire to hire a band, if the band requires a contract, the Lodge must hire the band and the Chapter issues a check to the Lodge to reimburse the Lodge for payment of the band. If a contract is not required, the Chapter may pay the band directly.
   - Dress code for Installation Ceremony
   - Names of Installing Officers (to avoid possible misunderstanding of those eligible - see below**)

2. Senior Regent-Elect shall meet with the Board of Officers to present the written proposal for Installation and to answer any questions the Board may have regarding the plans for Installation.

   Board of Officers shall hold an emergency Board of Officers meeting (if necessary) for Senior Regent-Elect to present plans for Installation. Proposal is to be presented at the April Chapter Night meeting for approval by the Chapter.

3. Senior Regent-Elect shall select Installing Officers. If your Chapter is small or you do not have many active co-workers, the Board of Officers may, with Chapter approval, ask a neighboring Chapter for their assistance in serving as Installing Officers. The letter of invitation shall be over the signatures of the Board of Officers.

   **Any co-worker of the Chapter (including new members) may serve as Installing Chairman, Installing Guide, Installing Chaplain or Installing Musician. They do not have to be Women of the Moose degree holders.

Note: Only a Past Regent is eligible to serve as Installing Regent. (A Past Regent is a co-worker who served one full term as Senior Regent and one full term as Junior Graduate Regent, whether she may or may not have qualified for the College of Regents Degree.) The current Junior Graduate Regent is not considered a Past Regent.

The Musician (if applicable) appointed for the Chapter year may also serve as the Installing Musician for the Chapter Installation. If the Musician/Installing Musician is not a pianist/organist, she may play taped/digital music.

   There shall be no pro-tems for Officers, Appointed Officers or Chairmen to be installed.

4. A copy of the approved written proposal shall be given to the Installing Chairman so she can supervise arrangements.

5. Senior Regent-Elect notifies all chairmen and officers of the date, time, and place of Installation. An installation practice prior to the Installation will ensure a more impressive ceremony.

Co-workers shall not be installed prior to the regular scheduled date for the Installation.
Newly appointed Chapter Development Chairmen and the Higher Degrees Committee Chairman are seated in their respective chairs and are duly installed at the Installation.

Any co-worker to be installed, who serves as an Installing Officer, must be installed at a future meeting. Any co-worker unable to be installed at the Installation Ceremony may be installed at a later date.

The Installation Ceremony shall be conducted as outlined. Refer to the Women of the Moose Meeting Procedures and Agenda book for more information regarding the Installation Ceremony.

6. Following the Installation Ceremony, the newly installed Recorder shall enter new Officers, Appointed Officers and Chairmen information (on or after May 2nd) in the Officer Maintenance section of the online Moose Admin.

Please Note:

The Senior Regent, Junior Graduate Regent and Recorder shall be installed on or before July 31st in order to qualify for personal honors/degrees.

Any co-worker appointed and installed on or before January 31st may qualify for the Academy of Friendship by sponsoring and enrolling two (2) or more new members into the Order by April 30th and meeting all other qualifications as outlined in the General Laws of the Women of the Moose.

Any co-worker not installed in a position OR installed between February 1st and April 30th may also qualify for the Academy of Friendship by sponsoring and enrolling five (5) or more new members into the Order by April 30th.

Minutes Of Installation

The minutes of the Installation shall be recorded on the official pre-numbered pages and placed in the Chapter Minutes Book by the current Secretary/Treasurer as this is a meeting of the Chapter. Also, a permanent record is needed in the event a question arises as to who was installed and the date of Installation.

Resignations, Nominations, And Elections During The Chapter Year

See May 1, 2015, Women of the Moose General Laws.

Resignations or Vacancies

1. If Chapter Development Chairmen, Higher Degrees Committee Chairman, Appointed Officers, Elected Officers or Junior Graduate Regent resign during the Chapter year, or a vacancy occurs, the Recorder shall enter an “end date” into the Officer Maintenance file in the online Moose Admin. In the event electronic update is not available, Women of the Moose Headquarters shall be notified in writing over the signatures of the Board of Officers by means of the “Notification of Resignation or Removal From Office/Chair” Form. The form can be found at www.mooseintl.org – Forms & Documents – Women of the Moose – Resignation & Removal Form. The notification includes the following information:
   • Name of Co-worker
   • Member Identification Number
   • Date resigned
   • Reason for resignation

2. When a vacancy occurs in the position of a Chapter Development Chairman or Appointed Officer, the Senior Regent must appoint and install another to fill that vacancy.
3. If an elected officer resigns and the Chapter wishes to elect and install at the same Chapter meeting, the Dispensation to Elect and Install Form shall be necessary, giving complete information requested. All date lines must be completed on the request form.

**Nominations And Elections Held During The Chapter Year**

The nomination, election, and installation procedures as outlined in the General Laws of the Women of the Moose and in the Chapter Officers Election Handbook shall be followed for any vacancy of an elected officer position that occurs during the Chapter year with the exception of once a nominee is secured, additional meetings are not required to be held.

**Important:** It is not in order for any Chapter to waive the two (2) week period between the date the slate is read and election is held. The only exception is during the month of July, with dispensation.

For nominations and elections to be held during the Chapter year the following procedure would be used, however, if no name is submitted, then at the next Chapter meeting, the Senior Regent would announce the vacancy and make arrangements for a Nominating Committee Meeting. She announces the date, time, place and names of the Nominating Committee members. This procedure is followed until the slate is filled.

**For example:** Junior Regent resigns on November 1st. Senior Regent announces resignation of Junior Regent to Chapter at Chapter meeting on November 4th. Senior Regent also announces the names of the Nominating Committee members, date, time, and place of Nominating Committee Meeting. Nominating Committee Meeting will be held on November 11th. At Second meeting of the month on November 18th, Senior Regent announces slate of nominees for the office of Junior Regent. Election will be held at Committee Activity Night on December 2nd. Chapter may elect and install at same meeting (December 2nd) provided a dispensation to Elect and Install an Officer has been requested and secured from Women of the Moose Headquarters.

**Installations Held During The Chapter Year**

1. Any Past Regent or Collegian may serve as the Installing Regent at an Installation held at a later date during the Chapter year. Chapter does not need to use the same Installing Regent they used for the formal Chapter Installation Ceremony held in April.

2. Following the Installation Ceremony, the Recorder shall enter new Officer, Appointed Officer and Chairman information in the Officer Maintenance section of the online Moose Admin.
CONCLUSION

We hope the preceding has helped to answer any questions you have regarding proper procedures, duties, responsibilities, the nomination, election and installation process and will give you some new ideas for your program. In addition, please refer to the Checklist to assist you during the year. However, if you still have a question about the procedures involved, you should:

* Review the General Laws of the Women of the Moose and this Handbook.

* After reviewing the General Laws of the Women of the Moose, if you are still unsure or unclear on the point or issue, contact a Women of the Moose Chapter Analyst Coordinator or a Women of the Moose Training Session Leader for clarification.

* After exhausting the above, submit your question in writing to the Office of the Grand Chancellor for clarification.

You have our sincerest thanks for offering your services to the Chapter and to our program. A positive attitude, teamwork and maintaining proper procedures will bring you and your Chapter to membership growth and financial success. The true recipients of your endeavors are the children and seniors in our care. 

Have a Great Year!!!!!
**Note:** Chapters are encouraged to secure a post office box for receipt of their mail. Be sure the post office box rental is paid when due, and be advised that both the Senior Regent and Recorder shall have a key to the post office box.

**Note:** The Recorder shall transmit all membership information immediately after receipt of the application(s) and after balloting.

**Note:** The Audit Committee meets monthly to complete an audit of all records. The written Audit Report is due on or before the 10th of each month.

REQUIREMENTS FOR RAFFLES OF ALCOHOLIC BEVERAGES OR FIREARMS

For a Chapter to conduct a raffle of alcoholic beverages (i.e., bottles of wine, baskets with liquor, beer, etc.) or firearms, the following conditions apply:

1. The raffle must be legal and conducted in compliance with all federal, state, county, and city laws or ordinances. In other words - the raffle of an alcoholic beverage or firearm must be legal.

2. All required licenses must be obtained.

3. The Chapter must obtain a dispensation from the Women of the Moose International Headquarters if raffle tickets will be sold to the public and all net proceeds are not going to a specified charity or community service fund-raiser.

4. The Lodge must obtain a dispensation from the General Governor if the Chapter sells raffle tickets to the public on Lodge property or during a Lodge sponsored activity.

5. Only two (2) raffle fund raisers involving the public may be conducted in a single calendar year if any of the proceeds go to the fraternal unit (other than reimbursement of actual expenses). Note - There are no fraternal limits on the number of legal raffles a Chapter may conduct involving sales to members only. There may be limits established by local, state or provincial laws.

6. If any of the proceeds go to the fraternal unit, IRS regulations require that only volunteers may sell tickets or be involved in the raffle. No paid or compensated member or employee may participate, including volunteers who receive tips, or are compensated with free food, drinks, etc.

7. If the raffle is a community service activity, all net proceeds must be distributed to the charity, organization or needy individual(s) for which the raffle is conducted. A separate and complete record of each event should be kept on file. The file should include, but not be limited to: details of the event, an itemized financial record (including gross and net proceeds, costs, etc.) and the name, address, telephone number and tax ID or social security number of the organization or individual receiving the proceeds.

8. The Chapter is responsible to determine if a federal wagering license is necessary and if the raffle requires the payment of federal wagering taxes.

9. The U. S. Postal Service should not be used to distribute raffle tickets.

10. It is the Chapter’s sole responsibility to know and comply with all tax withholding and reporting requirements. The Chapter could be held liable for all unpaid income taxes on raffle winnings, plus penalties and interest if the value of the raffled item exceeds a certain amount as determined by state and federal tax regulations.

11. If the raffle includes firearms, the firearm must be disabled, no ammunition is allowed on Lodge property, and the firing mechanism must be wrapped with tape or like material. The firearm can only be displayed in a location not accessible to members or patrons in the social quarters.
THE PRIVATE POLICY

"YOU ARE EITHER A MEMBER OR A GUEST!"

1. All active members of the Order shall be admitted to the social quarters of any Lodge of the Loyal Order of Moose unless his or her privileges have been suspended in accordance with the laws of the Order.
2. Only the following persons may be admitted as a "qualified guest" into the social quarters or home of any Lodge of the Order:
   a. An active Lodge or Chapter member’s spouse. (Note - There are no limits on the number of times a spouse may be admitted as a guest.)
   b. An active Lodge or Chapter member’s immediate family (Note - There are no limits on the number of times a spouse or qualified family member under the age of 21 may be admitted as a guest, however all other immediate family members would be limited to two visits as they now qualify as a prospective member of the person signing them into the social quarters.)
   c. A prospective member is defined as any guest that is accompanied by a member who can sponsor them for membership in the Order, with the exception listed in 2 (a) of this section. As permitted by the House Committee, a prospective member may be admitted subject to the following:
      1. The prospective member is accompanied at all times by his or her sponsor.
      2. The prospective member is properly signed in as a guest.
      3. The prospective member shall not make purchases.
      4. The prospective member shall leave when his or her sponsor leaves.
      5. The prospective member shall be limited to two (2) visits.
3. All adult guests must be signed in the guest book and leave when the member leaves.
4. Only members of the Order, whose active status has been verified, are permitted to make purchases. Unless prohibited by local law, the sale of refreshments to qualified minor family guests is permitted. It is the responsibility of the House Committee to ensure that all persons entering the Lodge home and social quarters are either active members or qualified guests. It is recommended that the House Committee adopt a method of distinguishing members and guests to prevent guests from inadvertently making purchases.
5. Members shall at all times be responsible for the conduct of their guests.
6. Gentlemanly/ladylike (orderly) conduct is required of all persons at all times.
7. The Supreme Council may adopt additional rules and regulations for the operation of social quarters by Moose Lodges and these rules and regulations shall be effective as provided in the written action of the Supreme Council.
8. Each member of the Order shall submit proof of membership when requested by any member of the House Committee or its authorized person.
   The term “guest” includes non-member spouses. A member in expired status shall not enter any Lodge except to pay dues. An expired member does not qualify to be admitted as a guest.
   Before making a purchase each day, each member should display his or her membership card. Each member of the Order shall submit proof of membership when requested by any member of the House Committee or its authorized person. Approved applicants for membership, prior to enrollment and becoming a member shall not make purchases.
   The House Committees must provide key cards to all active members of the Lodge and Chapter, if the Lodge uses such a system. The House Committee may charge a reasonable fee to recoup the costs of the key cards.
   Using the social quarters for any Lodge or Chapter community service activity is prohibited unless prior approval is obtained from the General Governor.
THE PRIVATE POLICY continued

These admission rules do not change the authority of the House Committee as provided by Sections 48.1 and 48.8 of the General Laws. Sections 28.7 and 50.3 provide information regarding suspended and expelled members, and undesirable individuals. Expelled members shall not enter any Lodge or social quarters as a guest or otherwise except by dispensation of the General Governor.

Gentlemanly/ladylike (orderly) conduct is required of all persons at all times. The House Committee is required by the laws of the Order to enforce all rules and regulations and maintain proper decorum. Indecent, profane, violent or other inappropriate conduct is absolutely prohibited. A member’s social privileges in a Lodge may be suspended by the House Committee in accordance with Section 48.8.

The House Committee determines social quarters hours. At the hours designated for closing, all persons shall vacate the social quarters. The admission of minors is subject to compliance with all local laws and according to rules established by the House Committee.

No illegal activity shall take place in the social quarters at any time. Any member other than a law enforcement officer in the line of duty possessing an unapproved firearm or other deadly weapon on Lodge property shall be expelled unless the General Governor has granted an exemption.

**Questions concerning the Private Policy should be directed to the General Governor.** Phone: (630) 966-2207, Fax: (630)-966-2208, E-mail: bbowser@mooseintl.org or bdalton@mooseintl.org.
