

Cheryl Volden began serving as soon as she joined the Women of the Moose. She became a chairman on the night she enrolled in **Oxnard, CA Chapter 1464** in April, 1999. She has served her chapter as an officer, chairman and special chairman as well as always being willing to volunteer.

As a person with a desire to pass on knowledge to others, Volden has taught a series of courses and has organized a series of workshops. She is a Training Coordinator and is a member of the California-Nevada Moose Association's Bylaws Committee.

Beyond serving the WOTM, Volden spends countless hours volunteering to her community. She is a hospital volunteer, a docent for a local historical society, collects and donates toiletries to local homeless shelters and gathers leftover produce from a local farmer's market and delivers it to a nearby Ronald McDonald House. She is currently involved in planning for a Ronald McDonald family room at a local hospital where local Moose lodges and chapters would provide snacks, beverages and also volunteer.

Volden received her Academy of Friendship Degree in 2001, the Star Recorder Degree in 2002 and the College of Regents Degree in 2004. She is a current member of the Grand Council and is a member of the 200 Division of the 25 Club.
