

Moose Legion - "ANNUAL FUND-RAISING PROJECTS"- 2020-2021

The International Moose Legion Fund-Raising Projects for the **2020-2021** fiscal year include the following:

We will continue raising funds for a new 'annual project' for this fiscal year. The Mooseheart House of God Renovation Project goal will be **\$60,000.00** pro-rated over the entire Moose Legion active membership based upon April 30, 2020 counts. The Moose Legion Council is asking each Moose Legion to commit \$1.50 per Moose Legionnaire this fiscal year (and those who can - to consider doing a little more).

- Moose Legions can earn various discounts in 2020-2021 for the 2021-2022 fiscal year by achieving various levels in the **Moose Legion Award of Excellence** recognition program.

While it is the responsibility of the jurisdiction to raise the funds and complete the program.... each Moose Legion may work with local Lodge Moose Legion Committees by requesting those Committees to get involved with fundraising and establish monetary goals based on their number of Moose Legionnaires.

All jurisdiction checks remitted to International should be made payable to "**Moose Charities**" and the memo is to be earmarked "**ML – HOUSE OF GOD RENOVATION PROJECT**".

We also have an ongoing program to supply funds for the Youth Awareness Scholarships each year. The amount due from each jurisdiction during 2020–2021 will again be a minimum of SIXTY cents (\$0.60) per member. This is based upon the jurisdiction's active membership on April 30, 2020. Make checks payable to "**Moose Charities**" earmarked: "**ML YOUTH AWARENESS**".

Final Deadline: **ALL CHECKS FOR ALL THE ABOVE PROJECTS MUST BE RECEIVED BY MOOSE CHARITIES FOR POSTING BY FEBRUARY 28TH, 2021.** Please allow time for postal service.

We continue with our annual Endowment Fund Competition. Categories remain the same as last year. We have enjoyed a year over year positive course and suggest topping last year's contributions as your minimum goal for this year. You are to issue checks in a regular and timely manner to "**Moose Charities**" as funds are received throughout the fiscal year earmarked: "**ML ENDOWMENT FUND**".

International Moose Legion President John Prough has taken on a President's project for this year to assist our Moosehaven residents with safe and proper transportation of residents to their doctor and hospital visits. This ongoing annual "pet project" program has no minimum contribution levels. It is strictly on a voluntary basis. A minimum of fifty cents (\$0.50) per capita would achieve MLAE points. Please make checks payable to "**Moose Charities**" and earmark: "**ML 2020 PRESIDENT'S PROJECT**".

Another modest Moose Legion program is to provide funds for some Mooseheart student trips. We have been doing this for several years and it has been very much appreciated. With several generous jurisdictions stepping forward with contributions, the Moose Legion has been funding these student trips since 2009. A minimum of twenty-five cents (\$0.25) per capita would achieve MLAE points. Contribution checks should be made payable to "**Moose Charities**" and earmarked – "**ML STUDENT TRIPS**".

Our Moose Legions are proud to provide and facilitate these funding opportunities
which support our fraternal and philanthropic programs!

Thanks to all Moose Legionnaires for doing your part in continuing this Proud Moose Legion Tradition
