

Election

of

Chapter Officers

Handbook

Updated
December 15, 2021

FORWARD

The nomination and election procedures are in force and effective with the 2022 Annual Election of Officers. Please familiarize yourself with this Handbook and the 2021 General Laws, particularly changes relevant to the election as well as the Election Procedures.

This handbook is intended to be a useful tool to provide you with information and guidelines that will not only clarify the process to elect officers, but ensure a smooth transition of officers with optimal efficiency for the Chapter and its membership.

This handbook in no way supersedes the General Laws of the Women of the Moose currently in effect, which should be read in its entirety, specifically Section(s) that explain the nomination and election process.

We hope this handbook will answer any questions you have regarding the nomination and election process. However, if you are confused or still have a question about the procedures involved you should:

- (1) Study the General Laws and this handbook to clarify the point of issue in question.
- (2) After studying the General Laws, if you are still unsure or unclear on the point or issue, talk with other experienced members (i.e. Past Regents, Chapter Advocate or Women of the Moose Training Leader).
- (3) After exhausting (1) and (2) above, if time allows, submit your question in writing, to the Grand Chancellor's office for clarification. If not and time is of the essence, call the Grand Chancellor's office for assistance at (630) 966-2243. Written questions may be faxed to (630) 966-2211.

Good Luck!

CHAPTER ONE

INTRODUCTION

A. Purpose of Elections.

Every Chapter is required by the General Laws to hold an election of officers in March of each year. The only exceptions are: (1) a newly instituted Chapter or (2) based upon membership action, has received written approval, in advance, or (3) because of an emergency situation requires the election to be changed or waived.

The elected officers of the Chapter consist of: Senior Regent, Secretary and Treasurer. The election of officers is important because Chapter members are electing the members who will lead the Chapter for the subsequent year.

While the Junior Past Regent, upon installation into office, serves as a member of the Board of Officers, the office is not elected but one of condition based on her previous year of service as the Chapter Senior Regent.

Should one of the elected offices become vacant, it is necessary and in the best interest of the Chapter to fill the vacancy by election, regardless of when the vacancy occurs. The Senior Regent **does not** have the authority to appoint elected officers.

A progression through the chairman's chairs as well as appointed and elected Officers chairs of the Chapter is recommended for the best interest and success of the Chapter. While it is not mandatory, in those cases where progression through the chairs is followed, more qualified and experienced officers are elected resulting in continued good business practices in the Chapter.

However, if this is not possible, the information in this booklet and the "Question and Answer" section should be carefully reviewed to avoid any possible misunderstanding or confusion in connection with the nomination and election of officers.

This information should be made available to the Nominating Committee prior to its meetings. Consequently, many questions can be settled immediately, which would otherwise require correspondence and delay if referred to the Grand Chancellor's Office for decision.

We are confident that if you properly understand this information, the nomination and election of officers will proceed in a correct manner and cooperation and harmony will prevail within the Chapter and its membership.

CHAPTER TWO

NOMINATING COMMITTEE

Refer to General Laws Sections 83 - 86

A. Appointment.

The Nominating Committee is probably one of the most important committees of the Chapter. The success of the Chapter depends, to a great extent, on this committee nominating good officer candidates for election by the membership. Members of the Nominating Committee should not consider this duty lightly. Careful evaluation should be given to individual qualifications (with particular emphasis on leadership ability), and the willingness of each individual to contribute her time and effort to the best interests of the Chapter.

The Senior Regent shall appoint the Nominating Committee no later than prior to the Chapter meeting in January for the general election.

The Nominating Committee is composed of the following twelve (12) members:

- 1. The current Board of Officers (4) of the Chapter.**
- 2. Three (3) Past Regents in their order of juniority by service in that Chapter. (If the Chapter has 3 available. This does not include Past Regents who transferred in to your Chapter.) Past Regents eligible to serve on the Nominating Committee but who live out of town or cannot attend the Nominating Committee meeting because of illness shall be replaced by the next Past Regent in juniority.**

- 3. Five (5) members of the Chapter to be appointed by the Senior Regent, who are either appointed officers, committee chairmen or Past Regents (includes Past Regents who have transferred in to the Chapter as well as other Past Regents of the Chapter).**

If the Chapter does not have 12 qualified members, the Nominating Committee consists of those remaining who are qualified.

The Senior Regent of the Chapter generally presides over this committee, but if the Senior Regent is absent, the Junior Past Regent will preside.

B. Timeline

The nomination and election of officers shall be scheduled as follows:

Chapter Meeting in January:

Announce date, time and place of first and second Nominating Committee meetings, as well as names of members serving on Nominating Committee. Ask members to submit names for consideration.

Prior to Chapter Meeting in February:

First and Second Nominating Committee meetings.

Meetings shall be held prior to the meeting in February when the final slate of nominees is read.

Chapter Meeting in February:

Final slate of Nominees read to chapter.

Chapter Meeting in March:

Election

Installation shall be held anytime in April

C. Procedure.

To properly perform its duties, the Nominating Committee **must** hold at least two (2) meetings. During the first meeting the general rules of procedure to be followed by the committee should be established. All actions of the Nominating Committee shall be by a majority vote. (A majority vote is reached when over 50% of those in attendance are in agreement.)

The Nominating Committee's primary responsibility is to select at least one (1) qualified member for each of the elective offices to be filled. Any nomination must be based upon the member's qualifications, her desire to run for office and her availability to serve. The committee may nominate more than one (1) member for a particular office for the membership's consideration.

To provide for open and candid discussions regarding the qualifications of members desiring to be nominated for office, comments made by committee members during meetings of the Nominating Committee shall be held in the strictest of confidence.

D. Reporting.

A written report listing the final slate of nominees by office must be presented to the Chapter at a regular Chapter meeting. This report must be submitted at least four (4) weeks prior to the date of the general election. Nominations shall not be made from the floor. The written copy of the Nominating Committee Report must be attached to the Chapter meeting minutes. A sample report of the Nominating Committee is included in the "Forms" section of this handbook labeled as such. After the written report has been given

to the Chapter, the Nominating Committee is automatically dissolved. **Subsequent elections require the formation of a new committee if possible.**

E. Vacancies During the Year.

If a vacancy should occur in any elective office, the Nomination and Election process must be followed to fill the vacancy. (Two meetings are not necessarily required after the general election.)

All vacancies shall be announced at a Chapter meeting by the Senior Regent and filled by special election. The Senior Regent must appoint a Nominating Committee whenever a special election is required by virtue of a vacancy due to a death, resignation or forfeiture of an office. The reformation of the Nominating Committee is a new committee appointed in accordance with the General Laws of the Women of the Moose. The Nominating Committee is not a standing committee.

In those situations, requiring a special election, the Nominating Committee should perform its responsibilities promptly and should deliver its report to the Chapter at a Chapter meeting as quickly as possible after its appointment and organization. **In the event only 1 person submits their name for the vacant office, a Dispensation may be secured from the Grand Chancellor to Nominate, Elect and Install at the same meeting.**

The Grand Chancellor or Chief Compliance Officer may declare any office vacant for a violation by the office holder of the General Laws or policies of Moose International and appoint a qualified member of the Chapter to fill the vacancy created.

CHAPTER THREE

ELECTED CHAPTER OFFICERS

Refer to General Laws Sections 41 - 45

A. Responsibilities of Officers.

The Nominating Committee should familiarize itself with the various duties and responsibilities of each office in order to convey the information to prospective candidates. Primary responsibilities include:

Senior Regent:

She shall preside at all Chapter meetings, preserve order, apply and enforce all laws of the Women of the Moose and appoint certain officers, Chairmen of Chapter Committees and the various special committees of the Chapter, as required by the Women of the Moose General Laws. She shall be a member of most other Chapter committees and oversee the proper operation of the Chapter. She, or the Secretary, shall sign all checks drawn by the Treasurer.

She may declare any office vacant (including that of Jr. Past Regent) if the office holder has had three (3) successive unexcused absences.

Secretary:

She shall properly document the meetings of the Chapter via minutes of all meetings and preserve same as required. She shall receive all duplicate deposit slips of the Chapter, and with the Senior Regent and Treasurer, be custodian of all securities and perform all other duties required of her by the General Laws of the Women of the Moose. She, or the Senior Regent, shall sign all checks drawn by the Treasurer.

In the absence of the Senior Regent and Junior Past Regent, she presides over meetings of the Chapter.

Treasurer:

The Treasurer is responsible for the proper collection and deposit of all Chapter funds as well as the expenditure of any funds. It is her responsibility to ensure that all membership applications and information is handled in the required manner as established by the International Office of the Women of the Moose.

Each quarter, she shall make the computer data and supporting financial information available to the Financial Review Committee for the purpose of auditing the proper documentation of all receipts and expenditures.

In the absence of the Senior Regent, Junior Past Regent and Secretary she presides over meetings of the Chapter.

Junior Past Regent:

The position of Junior Past Regent is not an elective position, but is served by the retiring Senior Regent, if that term was completed on April 30th and began before August 1st. In the event the retiring Senior Regent has been re-elected, cannot serve or is unavailable, the current Senior Regent may appoint a Past Regent in order of juniority to perform the responsibilities of the position. She will be installed and is considered a member of the Board of Officers.

She shall lead the Chapter members in devotional exercises. She may declare the office of Senior Regent vacant if the Senior Regent is absent from three (3) successive regular meetings of the Chapter, Board of Officers', or a combination thereof without sufficient excuse.

It is her duty to visit the sick, disabled and distressed, whenever possible, and make a full report at each Chapter meeting. She shall contact the family of a deceased member and when requested, make the arrangements for the Women of the Moose memorial services.

In case of a vacancy in the office of Senior Regent, she shall serve as pro-tem Senior Regent and perform all the duties and responsibilities of the office of Senior Regent. The Junior Past Regent is an office of condition.

In the absence of the Senior Regent she presides over meetings of the Chapter.

B. Qualification.

Only Chapter members, whose lodge and chapter dues are paid and are in good standing, may be considered for an elective office. To be an elected officer of a Chapter, the prospective officer must be a member of the Chapter in which she is seeking office and must have been a member in that Chapter for six (6) months or more preceding the date of the election. (This does not apply to a newly instituted Chapter.)

Any exemption from these qualifications requires a special dispensation from the Grand Chancellor and will only be granted if all other means have been exhausted. A special dispensation will only be granted after the Grand Chancellor receives a Dispensation Request form signed by the Board of Officers stating that no other qualified member has applied for that specific office.

The **Dispensation to Waive Requirements to Nominate an Elected Officer** in the “Forms” section of this handbook can be used to request a dispensation for a member who has less than six (6) months service in the Chapter if the Nominating Committee desires to consider her for nomination.

The Secretary is not eligible to serve more than five (5) consecutive terms in office unless a dispensation is obtained from the Grand Chancellor. A dispensation will only be granted in exceptional circumstances and for compelling reasons.

The Treasurer is eligible to serve for a term of satisfactory service providing she is re-elected annually and attends all required Women of the Moose and 2-HOTT Training.

The **Dispensation to Waive Requirements to Nominate an Elected Officer** in the “Forms” section of this handbook can be used to request a dispensation for a member who has served the maximum consecutive terms in an office. The Nominating Committee must wish to consider the current officer’s willingness to serve for an additional term and not have received any other applications for that office.

C. Eligibility Requirements.

Any member desiring to run for an elective office shall submit her name to the Nominating Committee prior to the start of the Nominating Committee meeting.

(Suggested format for submitting name for consideration by the Nominating Committee)

I, _____,
(Include first, middle (and/or nickname) and last name)

wish to be considered for the elected office of _____.
(State title of office)

OR, IF THE MEMBER WISHES TO BE CONSIDERED FOR ANY SINGLE AVAILABLE OFFICE

I, _____,
(Include first, middle (and/or nickname) and last name)

wish to be considered for any office but preferably the elected office of _____.
(State title of office)

Signature

Date

A member under suspension because of disciplinary charges preferred against her is eligible as a candidate for election to office if her dues are current and she is not otherwise disqualified. If found guilty of a charge affecting her membership, or if she has been removed from office rendering her ineligible to hold office for three (3) years, the office shall be declared vacant and the Chapter shall proceed to fill the vacancy in accordance with the Women of the Moose General Laws. No member shall be eligible for nomination to more than one (1) office in the Chapter at the same time.

A member qualified for or holding the

College of Regents Degree is eligible to be nominated for **any** elected office.

A current Treasurer, who holds the Star (Recorder) degree or a Call Card for the degree, desiring to submit her name for the office of Treasurer for a second year and each succeeding year thereafter, must have attended a 2-HOTT Session or completed the online 2-HOTT training within the last two years to be eligible for nomination.

A Senior Regent who is elected and installed on or before July 31st and serves through April 30th, may submit her name for nomination to the office of Senior Regent or ***shall*** be installed and serve as the Junior Past Regent during the ensuing year.

A current Junior Past Regent may submit her name for any elected office.

Any member may submit the name of any member for an elective office providing she has secured the member's consent.

D. Ineligibility.

Any member removed from office by the Grand Chancellor for disciplinary reasons, or who resigned from office at the request of the Grand Chancellor, is not eligible to hold office again for a three (3) year period except upon prior written dispensation from the Grand Chancellor. If the penalty fixed on a disciplinary charge is "Removal from Office", by an assigned Commissioner, the removed officer shall thereafter be ineligible to hold any office except by special dispensation from the Grand Chancellor. An office declared vacant in accordance with the Women of the Moose General Laws is not considered a "removal" from office.

CHAPTER FOUR

PETITIONING

Refer to General Laws Section 88

A. Requirements/Eligibility.

Any eligible member who has submitted her name to the Nominating Committee for a specific office and is not nominated, and who desires to be nominated for that office, may have her name placed upon the official ballot, by valid petition, for that office only, **after** a qualified nominee has been secured.

If the Nominating Committee nominates a member for a particular office and the member declines to run for that office, she may not later change her mind and run for the same office by petition. A member nominated for an office to which she did not express an interest and who has declined the nomination for that office, may be considered for another office by submitting her name to the Nominating Committee for the office she desires. If she is not nominated for the office she seeks, she may submit a valid petition for that office.

The petition must contain Chapter member signatures of at least ten (10) percent of the Chapter's membership. It is in the best interest of the petitioner to secure an active membership total from the Treasurer to determine how many signatures are required. All signers must be current and not in arrears for chapter dues at the time of signing the petition. The petition must contain the member's printed name, Moose membership identification number, signature and the date she signed it.

B. Procedures.

Petition sheets, similar to the **Petition** found in the "Forms" section of this handbook can be obtained from the Chapter Treasurer or online at www.mooseintl.org after the close of the meeting at which the Nominating Committee announces the final slate of nominees. Any signatures appearing on a petition prior to the report of the Nominating Committee are invalid and void.

The properly completed petition must be delivered to the Treasurer or Senior Regent at least two (2) weeks before the regular or special election. No members of the Chapter shall be involved in any electioneering or petitioning to have a name placed on the ballot that was not previously submitted to the Nominating Committee. Petitions may be circulated on lodge property in accordance with reasonable rules established by the Lodge Board of Directors. Reasonable rules usually include a prohibition against circulating a petition at lodge meetings, special social events, during meals, etc.

C. Invalid Petitions.

No petition shall be honored that carries signatures placed upon it prior to the official report of the Nominating Committee to the membership at a Chapter meeting.

CHAPTER FIVE

CAMPAIGNING

Refer to General Laws Section 87

A. Policy.

The printing, circulating or distribution of resolutions, letters, tickets, other written or printed matters, or through any electronic media (email, social networking, websites, blogs, texts, etc.) by a member or anyone acting on her behalf, suggesting, recommending, opposing or containing the names of any proposed candidates for office,

is strictly prohibited. Electronic media does not include the use of the telephone. For any violation of this section, the Grand Chancellor may suspend the membership of the offending member(s) and, declare the election of such officer(s) void and order a new election. Verbal campaigning is allowed.

CHAPTER SIX

ELECTION COMMITTEE

Refer to General Laws Sections 89 - 91

A. Appointment.

The Senior Regent shall appoint an Election Committee composed of three (3) good standing members of the Chapter, who are not officers, candidates for elective office or members of the Nominating Committee. They shall conduct the election, pass on all questions concerning the election, count the ballots and make written report to the Chapter of the election results.

B. Procedure.

The Election Committee is responsible for security and at no time shall any ballots or the ballot box be left unattended by a member of the committee. The committee must ensure that only current members of the Chapter are allowed to vote. Ballots should be counted (not numbered) to verify the number of members voting with the number of ballots used. The ballots shall remain in the possession of the Election Committee for a period of seventy-two (72) hours after the election. The ballot box must be sealed and initialed by the Election Committee members. If there is no written challenge to the election within seventy-two (72) hours, the ballots shall be destroyed by the presiding officer.

C. Reporting.

Upon completion of the voting, the Election Committee will retire to the back of the

Chapter room to count the ballots. After the ballots have been tallied, the Election Committee prepares, signs and files a written report with the Chapter. The presiding officer verbally reads the report to the Chapter **without** disclosing the number of votes each nominee received.

A sample report of the Election Results is included in the "Forms" section of this handbook as **Election Results**. It is required that each member of the committee sign the report and the report be attached to the Chapter minutes.

D. Election Challenges.

If a challenge is made to a member of the Election Committee within seventy-two (72) hours of the closing of the election, they shall impound the ballots pending final determination by the Election Committee, the Grand Chancellor or her designated representative. Challenges or complaints regarding the election process **must** be made to the Election Committee. The challenger must be allowed to witness the recount along with the Election Committee.

(Reminder - The Election Committee must keep a record of all ballots issued. The ballots shall **not** be numbered. After the election has been decided, the ballots must be held for at least seventy-two (72) hours in the event a challenge is made.)

CHAPTER SEVEN

VOTING/ELECTION

Refer to General Laws Sections 89 – 91 and Meeting Procedures and Agendas page 33-35

A. Unanimous Ballot.

For those offices having only one (1) nominee, the Chapter shall dispense with the necessity of a paper ballot and conduct the election during the Chapter meeting, with the Election Committee Chairman requesting a motion to cast a unanimous ballot for **each** office with only one (1) nominee. This must be announced at a regular/general membership meeting prior to the election and should immediately follow the Nominating Committee's written report of the nominees selected.

When the Election Committee Chairman makes a motion to cast a unanimous ballot, the motion must receive a majority of "yes" votes to elect the nominee. If the vote is unfavorable, the nominee is not elected. The entire Nomination and Election process must be followed to fill the vacancy. In the event of a "tie" the motion does not pass and the nominee is not elected. The Nomination and Election procedure must be followed to fill the vacancy. A motion to cast a unanimous ballot is designed to streamline the election process and alleviate the unnecessary use of a paper ballot.

If a unanimous ballot has previously been announced for election of uncontested offices, this method must be used for **all** uncontested offices. At the beginning of the meeting when the election is held, the election chairman should read to the membership the Nominating Committee's report of the committee's nominees who have no opposition. The chairman will call for a motion to cast a unanimous ballot for each respective office and to elect those uncontested nominees for the offices specified.

B. Secret Ballot.

In the event a member requests a secret ballot for those offices having only one (1) nominee, the Guide shall distribute blank pieces of paper and the members simply write yes or no on the ballot. The ballots are read aloud at the podium. The Secretary records and announces the count. The Senior Regent announces if the vote is favorable or unfavorable. Ballots are retained for a minimum of 24 hours.

A majority of "yes" votes elects the nominee. If the vote is unfavorable, the nominee is not elected. In the event of a "tie" the nominee is not elected.

C. Paper Ballot.

A paper ballot must be prepared and an election held prior to the Chapter meeting, for each office having two (2) or more nominees (nominated by the Nominating Committee or by petition). A sample of a paper ballot is included in the "Forms" section of this handbook as **Sample Ballot**. If there are two (2) candidates for an office to be voted on, the candidate receiving a majority of votes cast for each office is declared elected. If more than two (2) candidates are on the ballot for any office, the candidate receiving the most votes cast is declared elected. A unanimous ballot or election by acclamation is not appropriate in a contested election.

D. Australian Ballot.

A Chapter may by majority vote elect to use the Australian ballot for contested offices only. This is a ballot extending over a period of time, usually several hours versus being conducted within the hour prior to the meeting. This type of ballot can be useful to

Chapters with shift workers and other situations whereby it is difficult for some members to attend meetings. Obviously, this decision must be made in advance of the election. A vote to use the Australian ballot may be held at any regular/general membership meeting prior to the election including the meeting at which the report of the Nominating Committee is made. During the vote to utilize the Australian ballot, the location and hours of balloting must also be established. If time permits, hours and location of the balloting should be published in the Chapter newsletter. This same information should be posted on the Chapter bulletin board or inside the Moose Home.

The vote to utilize the Australian ballot must precede each general or special election by at least four (4) weeks. **The election may not be held on any day other than the day of a regular membership meeting.**

Important: If the Australian ballot is used and the election is contested and declared void by the Grand Chancellor, the Chapter will thereafter be prohibited from using the Australian ballot unless a special dispensation is issued by the Grand Chancellor.

E. Election.

The general election shall be held in person at the meeting in March, providing the election follows the report of the Nominating Committee by at least four (4) weeks. Even if there is only one (1) candidate for each office, an election must be held. The election cannot be waived by the Chapter.

Election Committee member #1 is assigned at the entrance of the election area. She asks members to have their membership cards ready and directs members to "Table A". The member shows her paid up membership card

to the Treasurer and registers in her own handwriting. Election Committee member #2 hands her a ballot. The member then proceeds to "Table B" which is set up for secret balloting. The member marks and folds her ballot and proceeds to "Table C" where she places her ballot in the box where Election Committee member #3 is seated.

If the election is held during the hour preceding the Chapter meeting, (versus Australian ballot method) a member arriving late is not allowed to vote in the election but is allowed to vote in the event of a tie vote. Only members who have their chapter dues paid up to or beyond the date of the election and are in good standing are eligible to vote in the election of officers.

A member may only vote for one (1) candidate for each office. No absentee ballot, write-in ballot, virtual voting or proxy shall be allowed. Each member desiring to vote must do so in person. After all ballots have been cast, the Election Committee retires to count and tabulate the ballots in the Chapter room.

In the case of a tie vote, the nominees may elect to have the presiding officer flip a coin, cut cards, or choose to have another election for that office, with only the tied nominees being considered.

Regardless which method is used (Australian ballot or election during the hour preceding the regular meeting) the election will conclude when the meeting is called to order. The Election Committee must have sufficient time to count and tabulate the ballots and give the results to the presiding officer who announces the election results. This announcement is the last item of business before closing the meeting.

CHAPTER EIGHT

INSTALLATION OF OFFICERS

Refer to General Laws Section 92

A. Requirements.

All Elected Officers shall be installed during the month of April, or at a special installation ceremony approved by the Chapter Board of Officers prior to April 30.

Any Collegian of the Chapter may serve as the Installing Regent of her Chapter. In the event the Chapter does not have a qualified

Collegian or if a Collegian is not available, a Collegian from a neighboring Chapter may be invited to serve as the Installing Regent. The Installation Ceremony for Chapter Officers is contained in the Meeting Procedures and Agendas book.

All duly elected and installed officers shall take office as of May 1.

QUESTIONS AND ANSWERS

No.

2. Must the Nominating Committee only consider the names submitted to it?

Yes. All nominations must be submitted to the Nominating Committee prior to the meeting being called to order.

9. May a Chapter hold its general election of officers at any time it may determine?

No. Our laws provide that the final slate of nominees shall be announced at the meeting in February of each year and shall be elected at the meeting in March, providing the election follows the report of the Nominating Committee by at least four (4) weeks.

The Chapter may, by majority vote, elect to use the Australian ballot. The vote must be conducted at a membership meeting at least four (4) weeks in advance of the election.

No. A member must have a membership card paid up to or beyond the date of the election.

12. Is a member whose membership card has expired eligible to vote in a special election?

No.

Yes. She has the same right to vote as any other good standing member.

- 16.** Should a sample ballot be printed in the Chapter publication immediately following the report of the Nominating Committee?

Yes. She can run the following year, as she was not installed in time to qualify for honors.

- 19.** Is a Past Regent of another Chapter who has transferred into your Chapter considered a Past Regent of your Chapter?

No. She is a Past Regent of the Chapter in which she actually served and is considered a Past Regent of the Women of the Moose. She is not a Past Regent of your Chapter because she has not fulfilled the condition of having completed a term as Senior Regent and Junior Past Regent of your Chapter.

- 20.** Is the Chapter required to post or publish the meetings and schedule of events of the Nominating Committee, and for general or special elections?

No. It is only required that the Nominating Committee provide the Treasurer with a written notice and give a verbal report at a regular/general membership meeting. Although it is not necessary, there is nothing that prohibits posting or publishing this information.
