## 5. Click the arrow next to phone

<b>Sign in info</b>		
We'll use this info to help make sure only you can sign in to your account.		
<b>User ID</b>	mpowelson@mooseintl.org	>
<b>Email address</b>	mpowelson@mooseintl.org <span>Verified</span>	>
<b>Password</b>	*****	>
<b>Phone</b>	(630) 670-2182 <span>Verified</span> <small>(text message)</small>	>
<b>Linked Identities</b>	You do not have any linked identities.	>
<b>Two-step verification</b>	<a href="#">Turn on</a>	>
<b>Account activity</b>	Check in on your latest account activity	>

5

<b>Apps</b>	
Manage your third party applications and connections.	
<b>Authorized Applications</b>	You do not have any authorized applications.

6. Click Change next to phone number.
  - a. Enter Phone number
  - b. Click Save

Confirm how you should be contacted. Then click Continue.

The image displays two sequential screenshots of the Intuit account phone settings page. The left screenshot shows the 'Phone' section with a red circle '6' around the 'Change' link. Yellow arrows point from '6' to the 'Change' link, the 'Text message' radio button, and the 'Continue' button. The right screenshot shows the 'Phone' section with a red circle '6' around the phone number field, a green circle 'A' around the country dropdown, and a red circle '6' with a green circle 'B' around the 'Save' button. Orange arrows point from the '6' in the left screenshot to the '6' in the right screenshot, and from the '6' in the right screenshot to the 'Save' button.

Follow the prompts to save the changes.

**Note:** Management of other aspects of your Intuit Account, such as User ID, Email address, Password, Linked Identities, and Two-step verification may also be done from [account.intuit.com](https://account.intuit.com). Return to step 5 and choose the appropriate item to be updated.
