Chapter 33 - Lodge Officers

Sec. 33.1 - Elective Officers - (A) For Lodges using Three Trustees: The elective officers of a Lodge shall consist of a President, Vice President, Chaplain, Administrator, Treasurer, and
three (3) Trustees who must be active members of the Lodge in which they are elected. All officers, except the Administrator and Trustees, shall serve for one (1) year. The Trustees shall be elected to a three (3) year term, providing their terms are so arranged that one (1) expires annually. No officers shall be eligible to serve more than two (2) consecutive terms in any one office, unless the Chief Compliance Officer issues a dispensation. Each officer shall serve until their successor is elected and installed.

(B) For Lodges using One Trustee: The elective officers of a Lodge shall consist of a President, Vice President, Chaplain, Administrator, Treasurer, and one Trustee, who must be active members of the Lodge in which they are elected. All officers, except the Administrator, shall serve for one (1) year. No officers shall be eligible to serve more than two (2) consecutive terms in any one office, unless the Chief Compliance Officer issues a dispensation. Each officer shall serve until their successor is elected and installed.

Sec. 33.2 - Nominating Committee - A Nominating Committee shall consist of the eight (8) elective officers for Lodges with a full Board of Officers or six (6) officers for Lodges using only one (1) Trustee, five (5) Past Lodge Presidents (if the Lodge has so many available) in their order of juniority by service in that Lodge, and five (5) members of the Lodge appointed by the President, each of whom must be an appointed officer, committee chair or Past Lodge President (honorary or by service) of that Lodge. A larger Nominating Committee may be assembled when the Lodge deems it necessary for the good of the Lodge.

Sec. 33.3 - Meetings of Nominating Committee - The Nominating Committee shall be organized not later than the last regular general membership meeting in February for the regular election and not later than three (3) weeks prior to any special election. The committee shall give written notice of the time and place of its meeting to the Administrator of the Lodge and by verbal report in an open Lodge meeting.

With the exception of the Administrator, all officers shall be nominated at the last general membership meeting in March and elected at the first general membership meeting in April. Special
elections shall be conducted at a general membership meeting. Annual and special elections shall follow the report of the Nominating Committee by at least two (2) weeks. If there are no nominations for a particular office, the Chief Compliance Officer may issue a dispensation to allow nominations for that office from the floor at a general membership meeting of the Lodge or may authorize the position to be filled by appointment.

Any member desiring to run for an elective office (other than the office of Administrator) in the Lodge shall submit their name to the Nominating Committee at least one (1) week prior to the date the committee is required to present its report to the Lodge. The Nominating Committee shall consider all eligible members and select one (1) or more candidates for each office to be filled. Not later than two (2) weeks before the date of the election, the committee shall at a general membership meeting, file a written report with the Lodge, stating the names of those members nominated by the committee. The names of the nominees chosen by the Nominating Committee shall be placed upon the official Lodge ballot.

After the written report is given to the Lodge, the Nominating Committee shall automatically dissolve. Subsequent elections require a new Nominating Committee to be organized.

Sec. 33.4 - Nominating by Petition - Any member nominated by the Nominating Committee who declines the nomination may not later petition for the office to which they were nominated. However, any eligible member of the Lodge who has submitted their name for a specific office, but not nominated by the Nominating Committee, who still desires to be a nominee for that specific office shall have their name placed upon the official ballot of the Lodge by the petition and signatures of ten (10) per cent of the first five hundred (500) members plus five (5) per cent of the membership of the Lodge in excess of five hundred (500). All members signing the petition must be active at the time of signing the petition. The petition shall not be signed by anyone prior to the report of the Nominating Committee. The petition must contain the member’s printed name, Moose membership identification number, signature and the date signed. The properly completed petition must be delivered to the Administrator at least one (1) week before the date of the election.
The nominating petition should contain substantially the following words:

"We the undersigned active members in ____________ Lodge No. ____________, Loyal Order of Moose, hereby nominate ______________, an active member of the Lodge, for the office of-___________."

Sec. 33.5 - Eligibility of Officers - Only active Lodge members, who are also either active members of one of the men’s higher degrees or a Women of the Moose unit (or establish such active membership within sixty (60) day following installation), may be considered for any elected office. Eligibility requirements for Lodge offices are as follows:

Exemptions from these qualifications require a special dispensation from the Chief Compliance Officer. A special dispensation will only be granted in exceptional circumstances. These requirements shall not apply to a newly instituted Lodge.

No member shall be eligible for election to more than one (1) office in the Lodge at the same time. A member removed from office by a Commissioner or the Chief Compliance Officer for disciplinary reasons or who resigned from office at the request of the Chief Compliance Officer shall not be eligible to hold office again for three (3) years unless a dispensation is obtained from the Chief Compliance Officer. For prior violations of the General
Laws, the Chief Compliance Officer may, in their discretion, prohibit any member from holding office.

An officer, whose term will not expire at the time of the election, regular or special, can be nominated for another office, but they must resign their present office, thereby creating a vacancy, which shall be filled at the regular or special election. The resignation is automatic and effective on April 30 for a regular election or on the actual date of a special election.

A member under suspension because of disciplinary charges preferred against them shall be eligible as a candidate for election to office if their dues are current and they are not otherwise disqualified. If found guilty of a charge affecting their membership, or if the member has been removed from office rendering them ineligible to hold office for three (3) years, the office shall be declared vacant and the Lodge shall proceed to fill the vacancy according to the provisions of Section 33.10.

**Sec. 33.6 - Appointment of Election Committee** - The President shall appoint an Election Committee composed of three (3) active members of the Lodge who are not officers or candidates for elective office. The committee shall conduct the election, pass on all questions concerning the election, count the ballots and file a written report to the Lodge of the results of the election. Each member of the committee shall sign the report and the report shall be attached to the Lodge minutes. If written challenge is made to a member of the Election Committee within forty-eight (48) hours of the closing of the election, the Election Committee shall impound the ballots pending final determination by the Election Committee or by any appellate officer or tribunal.

**Sec. 33.7 - Campaigning for Office Prohibited** - The printing, circulating or distribution of resolutions, letters, tickets, other written or printed matters, or through any electronic media by a member or anyone acting on their behalf, suggesting, recommending, opposing or containing the names of proposed candidates for office, is hereby prohibited. For any violation of this section, the Chief Compliance Officer may suspend the offending member or members, and in their judgment, may declare the election of such officer or officers void and order a new election.
Sec. 33.8 - Voting - Only active members physically present are eligible to vote for the election of officers. The candidate for each office receiving a majority (if there are two (2) candidates) or a plurality (three (3) or more candidates) of "yes" votes cast shall be declared elected. "No" votes are not counted. If there is only one (1) candidate for each office, the Lodge may dispense with the necessity of paper ballot and conduct the election by using the voting sign of The Moose. If the annual election of officers is to be by use of the voting sign, the Lodge must vote to approve this method at a general membership meeting prior to the election. At special elections, the members present and voting may unanimously select to use the voting sign but if a member objects, the Lodge must conduct the election by paper ballot.

No absentee ballot, write-in ballot or proxy vote shall be allowed. A Lodge may by majority vote of the membership at a general meeting, conducted at least two (2) weeks prior to the election, decide to use the Australian ballot. If the Australian ballot is used and the election is contested and subsequently declared void by the Chief Compliance Officer, the Lodge shall thereafter be prohibited from using the Australian ballot unless the Chief Compliance Officer issues a special dispensation.

If for any reason the Junior Past President is unable or unwilling to act, any prior Past Lodge President of The Moose appointed by the President-elect may conduct the installation ceremonies. All officers, elected or appointed, must be installed prior to taking office.

Sec. 33.10 - Vacancy - On or after November 1st, if a vacancy occurs in any elective office, other than President or Administrator, the office shall be filled by appointment by the President until the next general election subject to approval of the membership. If a vacancy occurs in the office of President on or
after November 1st, the appointment shall be by the Board of Officers, subject to approval of the membership, until the next general election. Vacancies occurring prior to November 1 shall be filled by special election.

The Nominating Committee at a regular meeting at least two (2) weeks prior to the special election shall report all nominations. The Chief Compliance Officer may issue special dispensation waiving any election and authorize one or more offices be filled by appointment. The Chief Compliance Officer may declare any office vacant for a violation by the officeholder of the General Laws or policies of Moose International and appoint a qualified member of the Lodge to fill the vacancy created. Subject to the provisions of Section 35.10, the Lodge Board of Officers does not have authority to declare any elective office vacant or remove an elective officer from office.

Sec. 33.11 – Special Elections - For vacancies occurring prior to November 1st, a special election shall be conducted. The Nominating Committee shall report all nominations at a regular meeting at least two weeks prior to the special election. The Board of Officers may suspend a member's social privileges pending a hearing. The hearing may take place on the same day as the regular Board of Officers meeting, but shall be separate from the regular meeting. Separate minutes shall be taken for a decorum hearing.

Action taken by the Board of Officers of one Lodge to suspend the social privileges of a member in that Lodge shall not affect the member's social privileges in other Lodges.

A Board of Officers hearing is an informal investigatory process. Any officer charged with a social quarters rule violation or who has a family member related by blood or marriage charged shall not participate in the determination of the charges. Any officer who has an interest in the outcome, which would prevent them from being fair and impartial, should not participate in the determination of the charges. communicated either to other Lodges, committees or

the Chief Compliance Officer or the Moose International, Inc.

19. Furnishing any information either by statement or otherwise, either directly or indirectly, that conveys any false information regarding any applicant for admission to Mooseheart or Moosehaven.

20. Using an official membership card, or to use or expose any name or emblem of The Moose on labels, signs, cards, periodicals or business literature of any kind or character, or in any manner using a relation or connection with The Moose for commercial or political purposes, or in any business transaction.

22. Instituting, establishing, beginning or maintaining or in any way directly or indirectly being a party to the beginning, establishing or maintaining the publication of any magazine, newspaper or other periodical devoted to or represented as being devoted to the interests of The Moose, or any Lodge or unit, or otherwise purporting to be a Moose publication without proper authorization.

Compliance Officer may act or refer the charges to a Commissioner for trial and judgment. If found guilty, the member may appeal the decision of the Chief Compliance Officer or Commissioner to the Judiciary Committee in accordance with the procedures contained in Chapter 60.
PROCEDURE

Chapter 56 - Filing of Charges Against Members

[IMPORTANT NOTE: DECORUM COMPLAINTS AND PROCEEDINGS ARE GOVERNED BY SECTION 48.8]

Sec. 56.1 - Preferring Charges - Any member who has knowledge or information that any member has violated or is violating any law, rule, regulation or order may prefer charges against the member before the proper officer or tribunal.

Sec. 56.2 - Submission of Charges - Any Lodge member desiring to prefer disciplinary charges against another Lodge member shall submit written charges to the President of the Lodge of which the accused is a member.

If a member transfers to another Lodge after the alleged offenses occurred, but before the filing of charges, the charges shall be filed with the original Lodge.

A member desiring to file disciplinary charges shall use the form provided by the Chief Compliance Officer’s office for that purpose. A member preferring charges shall sign and date the charge(s).

The charges shall state explicitly:
1. The nature and character of the offense.
2. The location of the offense.
3. The date and time of the offense.
4. The law or policy violated.
5. Any other available relevant information to inform the accused of the charges.

Disciplinary proceedings are confidential. The names of the person preferring charges or of the accused shall not be disclosed by the President, or anyone else, except as necessary to comply with the procedures set out in these General Laws. Pending disciplinary proceedings under this section should not be discussed by Lodge members or officers at a Board of Officers or general membership meeting. The Lodge Board of Officers has the duty
to enforce decorum during all social functions. The Lodge Board of Officers may simultaneously exercise its authority under Section 48.8, notwithstanding that disciplinary proceedings have been instituted regarding a situation occurring during a social function.

Sec. 56.3 - Investigating Committee and Procedures -

(a) Upon receipt of the charges, the President shall immediately deliver a copy of the charges to the Chief Compliance Officer. Upon direction from the Chief Compliance Officer, the President shall deliver a copy of the charges to a special committee of three (3) Past Presidents, in order of juniority by service, excluding any officer presently serving on the Board of Officers. The members of the committee must be active members of the Lodge. If the Lodge does not have three (3) Past Lodge Presidents able or willing to serve, the Chief Compliance Officer may authorize any qualified active member to serve on the Investigating Committee. The Chief Compliance Officer may excuse a Past Lodge President, otherwise qualified, from service on the committee if the Chief Compliance Officer believes, because of personal bias or prejudice, the Past Lodge President cannot conduct a fair and impartial investigation. The Chief Compliance Officer may at their discretion appoint a Commissioner without the requirement of an Investigating Committee.

(b) This committee, known as the Investigating Committee, shall immediately contact the Chief Compliance Officer’s office for procedural instructions, prior to their investigation of the charges.

(c) The Investigating Committee shall review the charges and conduct an impartial and unbiased investigation by interviewing witnesses and reviewing applicable documents.

(d) The Investigating Committee shall provide the accused with a copy of the charges. During the course of the investigation, the parties shall be given the opportunity to appear before the committee and be heard.

(e) After completing its investigation, if a majority of the Investigating Committee believes the charges are not well founded, the committee shall immediately report its
conclusions to the President. Upon receipt, the President shall immediately forward the original charge(s) and report of the committee to the Chief Compliance Officer and notify the parties in writing of the committee's decision. A copy of all records sent shall be retained in a confidential file. Upon the request of any interested party, the Chief Compliance Officer may consider the charges and the report of the committee and direct the charges to be further processed.

(f) If a majority of the Investigating Committee believes the charges are well founded, the committee shall immediately file its written report to the President who shall attach the report to the written charges.

(g) The President, upon receipt of the report of the Investigating Committee stating the charges are well founded, shall immediately file the report and charges with the Lodge Administrator. Within forty-eight (48) hours of receipt of the report and charges, the Administrator shall notify the accused of the report of the Investigating Committee. The Administrator shall direct the accused to file a written plea of guilty or not guilty to the charges within ten (10) days. The written plea(s) shall be made a part of the record.

Sec. 56.4 - Restrictions Pending Trial - If the Investigating Committee determines the charge(s) to be well founded or the Chief Compliance Officer orders the charge(s) to be further processed, the accused shall continue to enjoy all benefits of membership unless otherwise directed by the Chief Compliance Officer.

Sec. 56.5 - Mail Charges to Chief Compliance Officer - The Administrator shall mail to the Chief Compliance Officer all original papers, including the charges and the findings of the Investigating Committee, and the plea of the accused.

Sec. 56.6 - Receipt of Charges by Chief Compliance Officer - Upon receipt of charges and report of the Investigating Committee from the Administrator, the Chief Compliance Officer may dismiss the charge or assign a competent and disinterested member of The Moose to conduct mediation of all pending disputes in controversy. If the Chief Compliance Officer directs mediation to
be conducted, the parties shall submit to mediation in accordance with procedural terms and conditions established by the assigned Mediator. Mediation is a non-binding procedural process designed to avoid the expense, delay and inconvenience associated with Commissioner trials. If mediation is conducted and the parties are unable to resolve all issues, the Chief Compliance Officer shall appoint a Commissioner to conduct a trial.

In lieu of a Commissioner trial, the parties may also agree to binding arbitration. If the parties agree to binding arbitration, the decision of the Arbitrator shall be conclusive and enforceable without benefit of further appeal. Arbitration is different from mediation in that the decision of the Arbitrator is binding versus advisory. Arbitration is also designed to avoid the expense, delay and inconvenience associated with Commissioner trials. A competent and disinterested member of The Moose shall arbitrate all pending disputes in controversy in accordance with standard rules of arbitration established by the Chief Compliance Officer and agreed to by the parties.

**Chapter 57 - Filing of Charges Against Officers**

**Sec. 57.1 - Against President** - If charges are preferred against the President, they shall be presented to the Vice President, who shall perform all the duties of the President pertaining to the trial. If charges are preferred against both the President and the Vice President, the Chaplain shall assume the duties of the President in connection with the trial.

If charges are preferred against the President, Vice President and Chaplain, the Chief Compliance Officer shall be notified and assume complete jurisdiction over the entire matter and the affairs of the Lodge.

**Sec. 57.2 - Against Administrator** - When charges are preferred against the Administrator, all duties pertaining to the trial as assigned to the Administrator by these laws, shall be performed by the Treasurer.

**Sec. 57.3 - Suspension from Office** - When charges are preferred against an officer and the Investigating Committee has reported the charges well-founded, the Chief Compliance Officer may
immediately declare the accused officer suspended from office pending the determination of the charges. The Board of Officers shall immediately designate a qualified active member to perform the duties of the office during the period of suspension in accordance with instructions from the Chief Compliance Officer. The designated member shall take charge of the office and demand and receive from the accused officer all money, books, records, keys and other Lodge or chapter property.

If the accused officer is found guilty of any charge and the judgment or decision includes removal from office, the designated member shall continue to perform the duties of the vacated office until a successor is duly elected. If the penalty fixed on the charge is "Removal from Office", the removed officer shall thereafter be ineligible to hold any office except by special dispensation from the Chief Compliance Officer.

Chapter 58 - Commissioner to Conduct Trial of Accused

Sec. 58.1 - Appointment - When any officer or member is suspended by the Chief Compliance Officer (or their designated representative), or by any other authorized officer of The Moose, the statement upon which the suspension is made shall constitute the charge. Except for proceedings commenced under Section 23.2, the Chief Compliance Officer shall appoint a Commissioner to hear, try and determine the charges without first being referred to an Investigating Committee.

Sec. 58.2 - Notice of Time, Place and Nature of Hearing - Immediately upon receipt of an appointment and a copy of the charges and report of the Investigating Committee from the Chief Compliance Officer, the Commissioner appointed to conduct a trial shall immediately establish the date, time and place for a trial. The Commissioner shall instruct the Administrator to immediately notify the parties of the date, time and location of the trial. The written notice shall be served upon the parties by certified mail, return receipt requested, postmarked not less than ten (10) days prior to the date set for the hearing. The notice shall be sent to the last known addresses of the parties. Depositing the notice with the
postal service for mailing with sufficient postage shall constitute completed service under this section.

Sec. 58.3 - Continuances - The Commissioner shall have full authority and power to grant continuances to either party as they deem appropriate.

Sec. 58.4 - Clerk to the Commissioner - The Administrator shall attend the trial and act in the capacity of Clerk for the Commissioner. The Clerk shall be under the orders and jurisdiction of the Commissioner.

Sec. 58.5 - Entering of Plea by Accused - Unless a written plea has already been filed, the Administrator shall first read the charges in full and the accused shall be required to plead "guilty" or "not guilty". If the accused fails or refuses to plead, the Commissioner shall enter a plea of "not guilty" upon the record. A plea of "guilty" or "not guilty" shall be the only plea required of the accused. If the accused shall plead "guilty" to the charges, the Commissioner shall record the plea upon the record and no further proceedings in the hearing of the case will be necessary, except to enter the findings of the Commissioner. All preliminary motions (i.e., the complaint does not allege sufficient facts or the Lodge has no jurisdiction over the accused or the subject matter), shall be made at least ten (10) days before the date set for hearing unless otherwise allowed by the Commissioner.

Sec. 58.6 - Hearing on Plea of "Not Guilty" - If the accused shall plead "not guilty" or a plea of "not guilty" is entered on their behalf, the Commissioner shall proceed to hear the testimony and the argument of the parties or their representative.

Sec. 58.7 - Securing of Witnesses - Within ten (10) days of the receipt of a written request from any party to a proceeding, the Administrator, over their signature, issue a subpoena summoning all members of The Moose desired as witnesses by the accuser(s), the accused or the Commissioner in charge of the trial. The Commissioner shall have the authority to subpoena any member of The Moose or deny the issuance of a subpoena requested by any party.
The Commissioner shall be furnished a copy of all subpoenas issued and a proposed list of witnesses prior to the trial. The proposed list of witnesses shall not serve as a limitation on either the accuser or the accused from calling additional witnesses up to and including the time for the trial. A subpoena may be personally served by the Administrator, or someone appointed by the Administrator. The Administrator may also serve a subpoena by mailing a copy of the subpoena to the witness at their last known place of residence by certified mail, return receipt requested.

Sec. 58.8 - Administration and Form of Oath - Before any witness is examined or allowed to testify, the Commissioner shall administer the following oath or affirmation:

"Do you solemnly swear (or affirm) upon your honor as a member of The Moose, that you will truthfully answer all questions asked of you in this proceeding?"

If the witness is not a member of a Lodge, they shall be qualified by oath or affirmation as the Commissioner may determine and be examined in the same manner as a member.

Sec. 58.9 - Rules of Evidence - The Commissioner shall receive competent and relevant evidence, including records, documents, affidavits and statements offered by either party which, in their opinion, will assist in rendering a fair and impartial decision.

Sec. 58.10 - Reporter and Record of Proceedings - The Commissioner may appoint a competent and disinterested member (or non-member if a member is unavailable) who is a court reporter to make a complete record of the proceedings, including testimony received, objections and rulings regarding the proposed admission of evidence. In lieu of a court reporter, the Commissioner may direct the use of an electronic recording device. All tapes, and other recording materials, shall remain in the custody of the Commissioner. At the close of the trial, all memoranda or notes of the proceedings as the Commissioner may desire, shall be prepared. Unless an appeal is filed, it shall not be necessary for a complete transcript of the proceedings to be prepared. In the event of an appeal, a complete transcript of the
proceedings shall be provided to any party requesting a copy upon payment of the cost of transcription and preparation of the record. If there is no appeal, all of the records of the proceedings shall be forwarded by the Commissioner to the Chief Compliance Officer for further disposition.

Sec. 58.11 - Taking of Depositions - The Commissioner shall have the right to order the deposition of any witness who for good cause cannot attend the trial. The Commissioner may appoint a competent and disinterested member to take the deposition. The opposite party shall be notified of the date, time and location of the deposition and the name of the witness or witnesses to be examined. The opposite party shall be entitled, either personally or through a representative, to attend and depose the witness or witnesses. The testimony shall be reduced to writing, certified by the person recording the testimony, securely sealed and immediately filed with the Administrator. The Commissioner may also receive into evidence the sworn affidavit of any witness who cannot be present at the trial when, in their opinion, the affidavit is relevant and reliable and the reason for not being able to attend is acceptable to the Commissioner.

Sec. 58.12 - Representation - Any Lodge member who is a party to a disciplinary proceeding may be represented by an active Lodge member. The Board of Officers of any Lodge, which stands accused, may select a Lodge member, respectively, to represent it and its members at the trial. If representation is not selected, the Chief Compliance Officer may assign an active member of The Moose to appear and represent the Lodge in the trial of the case.

Sec. 58.13 - Contempt - To maintain control over the trial or proceedings and preserve decorum, the Commissioner may declare any participant in the proceeding or trial, including a party's representative, to be in contempt. The Commissioner may enter any reasonable order they deem necessary to preserve order and decorum, including the right to levy fines or assess costs. Any order finding a person in contempt may be appealed by the aggrieved party.
Chapter 59 - Commissioner's Findings

Sec. 59.1 - Determination by Commissioner - The Commissioner, after receiving and reviewing all evidence, shall determine the guilt or innocence of the accused as they deem just and proper.

Sec. 59.2 - Procedure When Accused Found Innocent - If the Commissioner determines the accused is not guilty, the judgment or decree shall immediately be submitted to the Administrator. The Administrator shall read the judgment or decree in open session at the next regular meeting after receipt. It shall be noted in the Lodge minutes that the accused was found to be not guilty by the Commissioner. A copy of the Commissioner's decision shall be attached to the minutes and be the final judgment, order or decree in the proceeding unless it is reversed or modified on appeal. The Administrator shall immediately transmit a copy of the findings and decision of the Commissioner to all parties, the Lodge and representatives of record.

Sec. 59.3 - Procedure When Judgment of "Guilty" - If the Commissioner determines the accused is guilty of one or more charges, the Commissioner shall determine the appropriate penalty and immediately transmit the judgment or decree to the Administrator. The Administrator shall read the Commissioner's decision in open session at the next regular general membership meeting after receipt and record the decision in the Lodge minutes. A copy of the Commissioner's decision shall be attached to the minutes and be the final judgment, order or decree in the proceeding unless it is reversed or modified on appeal. The President shall ensure that the Commissioner's orders and judgment are fully carried out. The Administrator shall immediately transmit a copy of the findings and decision of the Commissioner to all parties, the Lodge, and representatives of record. Each copy shall be accompanied by notice that an appeal may be taken within fifteen (15) days from receipt of the decision, in accordance with the procedures set forth in Chapter 60.

Sec. 59.4 - Suspension from the Lodge - A member found guilty of any charge and receiving a suspension from membership, unless otherwise ordered by the Commissioner, shall automatically be
reinstated after the expiration of the period of suspension upon satisfaction of all conditions imposed, the payment of all fines and costs ordered to be paid as a part of the punishment and full payment of all dues for the entire period of suspension. If ordered by the Commissioner, the reinstatement of a member suffering a suspension shall be by a vote as in the case of new members. Any member during a period of suspension shall not be dropped from the rolls for non-payment of dues but shall not enjoy any benefits of membership.

A member who is suspended shall not be eligible for membership in any Lodge, other than the one from which they were suspended. Any member under suspension shall not be eligible for reinstatement until after the expiration of the period of suspension and full compliance with the Commissioner's decision.

**Sec. 59.5 - Expulsion** - A member expelled from any Lodge or other unit of The Moose shall not be eligible again to become a member of the Lodge or other unit except in accordance with the terms of the order of expulsion and through the Lodge or unit from which they were expelled. A member expelled from a Lodge or other unit without terms or conditions cannot again become a member of the Lodge or any unit except upon a dispensation from the Chief Compliance Officer. Any member who resigns their membership during a pending disciplinary proceeding may not reinstate or re-enroll into any Lodge unless the Chief Compliance Officer grants a dispensation.

Expulsion from The Moose shall constitute expulsion from all Lodges and other units. Expulsion from a higher degree shall constitute expulsion from that degree and all degrees higher than the one from which the member was expelled.

**Sec. 59.6 - Costs of Trial** - All costs incidental to trials shall be paid by the Lodge of which the accused was a member. The Commissioner may order as part of the judgment that the accused and/or accuser(s) shall reimburse the Lodge for all or any part of the costs so incurred.
Chapter 60 - Appeals

Sec. 60.1 - Manner of Appeal by Members - Any party to a matter shall have the right to appeal in the following manner:

Judiciary Committee.

4. Only active members, whose active status has been verified, are permitted to make purchases. Unless prohibited by local
law, the sale of refreshments to qualified minor family guests is permitted. It is the responsibility of the Board of Officers to ensure that all persons entering the Lodge home and social quarters are either active members or qualified guests. It is recommended that the Board of Officers adopt a method of distinguishing members and guests to prevent guests from inadvertently making purchases.

5. Members shall at all times be responsible for the conduct of their guests.

6. Orderly conduct is required of all persons in the social quarters or home at all times.

7. The Moose International, Inc. Board of Directors may adopt additional rules and regulations for the operation of social quarters by Moose Lodges and these rules and regulations shall be effective as provided in the written action of the Moose International, Inc. Board of Directors.

8. Each member shall submit proof of membership when requested by any member of the Board of Officers or its authorized person.

9. Using the social quarters for any Lodge community service activity is prohibited unless prior approval is obtained from the Chief Compliance Officer.

   The term “guest” includes non-member spouses. A member in expired status shall not enter any Lodge except to pay dues. An expired member does not qualify to be admitted as a guest.

Before making a purchase each day, each member should display their membership card. Each member shall submit proof of membership when requested by any member of the Board of Officers or its authorized person. Approved applicants for membership, prior to enrollment and becoming a member shall not make purchases.

The Board of Officers must provide key cards to all active members of the Lodge, if the Lodge uses such a system. The Board of Officers may charge a reasonable fee to recoup the costs of the key cards.

Using the social quarters for any Lodge community service activity is prohibited unless prior approval is obtained by the Chief Compliance Officer.

These admission rules do not change the authority of the Board of Officers as provided by Sections 48.1 and 48.8 of the
General Laws. Sections 28.7 and 50.3 provide information regarding suspended and expelled members, and undesirable individuals. Expelled members shall not enter any Lodge or social quarters as a guest or otherwise except by dispensation of the Chief Compliance Officer.

Orderly conduct is required of all persons at all times. The Board of Officers is required by the laws of The Moose to enforce all rules and regulations and maintain proper decorum. Indecent, profane, violent or other inappropriate conduct is absolutely prohibited. A member's social privileges in a Lodge may be suspended by the Board of Officers of the Lodge pending a hearing and final decision of the Board of Officers in accordance with Section 48.8.

The Board of Officers determines social quarters hours. At the hours designated for closing, all persons shall vacate the social quarters. The admission of minors is subject to compliance with all local laws and according to rules established by the Board of Officers.

No illegal activity shall take place in the social quarters at any time. Any member other than a law enforcement officer in the line of duty possessing an unapproved firearm or other deadly weapon on Lodge property shall be expelled unless the Chief Compliance Officer has granted an exemption.

Questions concerning the Private Policy should be directed to the Chief Compliance Officer. Phone: (630) 966-2207, Fax: (630)-966-2208, E-mail: micompliance@mooseintl.org
FEDERAL TAXATION GUIDELINES FOR WAGERING INCOME

In 2001, the Moose International, Inc. Board of Directors approved a policy allowing Lodges to decide for themselves whether to offer "legal" pull-tabs, tip boards and other wagering options at their legal bingo games. Lodges must comply with all licensing, registration, reporting and taxation requirements at all levels of government. This includes obtaining all required federal and state gaming/wagering licenses. It is the Lodge's sole responsibility to know and comply with all applicable regulations. A few general guidelines relating to federal taxation on wagering is provided as follows:

- If wagering is sold only to active members, all proceeds are federally non-taxable and the Lodge incurs no additional federal reporting requirements.
- If wagering is sold to any non-member, but all proceeds are donated to a 501C-3 charity (i.e., Moose Charities), the proceeds are federally non-taxable, and the Lodge incurs no additional federal reporting requirements. It is strongly recommended that the money from this gaming be kept separate from other Lodge funds. The Lodge should contact the Chief Compliance Officer to request approval to maintain a separate checking account.
- If wagering is sold to any non-member, and even one cent is utilized to support any Lodge activity or expense, all proceeds are federally taxable. In this case, the Lodge must file an annual federal Form 11-C, and file a Form 730 each month. Additionally, if the Lodge's bingo and related wagering operation utilizes paid employees, a Form 990-T must be filed on an annual basis. Each of these forms requires a remittance of taxes at the time of the filing.

If a Lodge were subject to wagering taxes, it would also be subject to the occupational tax. This tax is imposed on each person who is engaged in receiving wagers on behalf of the Lodge. Remember that this policy does not permit a Lodge to sell to non-members on other occasions. The policy only permits a Lodge to sell legal pull-tabs, lottery tickets, tip-boards, etc. at legal bingo games. The sale of such items to non-members (in the social
quarters or elsewhere) at times other than at legal bingo games is absolutely prohibited.

Should you have any questions regarding this information, please feel free to contact Moose International CFO at (630) 859-2000 ext 6474.

RULES FOR SPORTING EVENTS

1. A non-member sports participant may come in as a "qualified guest" twice if they are actually a prospective member. The third time must be for orientation or enrollment. All non-members must be signed in and should wear some form of identification (i.e., guest badge or sticker) or otherwise be distinguished as a guest.

2. After a non-member sports participant has exhausted the two-visit rule (or does not qualify as a "prospective member") they thereafter come in not as a "qualified guest" but as a "sporting participant" without the privilege of consuming purchased food or beverages in the Lodge (purchased by a member or otherwise) as that person is no longer a "qualified guest". A "sporting participant" does not enjoy the same privileges afforded to a "qualified guest". A member may not purchase anything for a "sporting participant" (alcohol or otherwise) and, of course, the "sporting participant" cannot make purchases. The "sporting participant" should be provided a form of identification to distinguish them as a "sporting participant" versus a "qualified guest".

3. All non-members engaged in any sporting event or activity on Lodge property or sponsored by the Lodge must sign a form approved by Moose International releasing the Lodge, Moose International, etc., from all liability for injuries or damages sustained by the participant while engaged in the sporting event or activity.

4. All non-members involved in sporting events (either as a "qualified guest" or "sporting participant") are prohibited from making any purchases, putting money in gaming machines, buying raffles, 50-50's, pull tabs, rip-offs, etc., or otherwise spending money in the Lodge.

5. All non-members participating in a Lodge sporting event must arrive no earlier than thirty (30) minutes before the competition and leave within thirty (30) minutes following the conclusion of the sporting event.

6. The Lodge should maintain a separate "guest" book or register separate and apart from the regular guest register required by Section 48.5 to enroll the names of "sporting participants". Prospective members, since they are qualified guests, may be enrolled in the regular guest register.
7. Sufficient parking should be set aside and designated for participants during these events and enough spaces must be available to members for normal Lodge activities.

8. Non-member participants in organized sporting activities on Lodge property must be informed of these rules, the Lodge’s social quarters rules and regulations (including dress code) and any other applicable laws and policies. Any non-member participant knowingly violating Lodge rules or any other law, policy, ordinance or regulation should be asked to leave the premises immediately.

9. The Lodge should be respectful and considerate of its entire membership and establish a broad range of activities for all ages. The Lodge should be careful that sporting events do not become so predominant to exclude other Lodge activities and community service events consistent with a family fraternal operation.
