

ATTENTION: ASSOCIATION YOUTH AWARENESS CHAIRMAN

We have reached the critical time of the year in our Moose International Youth Awareness program. **JANUARY 15th** will mark the end to this fiscal year's follow-up KidsTalk presentations.

Now is the time to contact the lodges and ascertain if the students have performed any KidsTalk presentations. If you receive an answer of "No" or "I don't know", then you should make contact with the students that attended the Association Student Congress (es) held last fall. You should have the parental consent form from their participation. That form should contain the student's home telephone number. Obviously, in some Associations it will take more than you making personal contact. One thing is for sure and absolute. **If you have not received any KidsTalks report forms from your students to date – you WILL NOT receive them by JANUARY 15th, unless YOU make it happen. Again, now is the time to act – NOT February 15th.** Remember the program is measured by the number of four to nine year olds that heard a Moose KidsTalk presentation.

One additional note: We are trying to move into the 21st Century; so we have added a memo on all reports incoming and outgoing to the students and yourselves to include:

ALL OF THESE REPORTS SHOULD BE EMAILED OR SENT VIA REGULAR MAIL TO YOUR CHAIRMAN. IF YOU ARE MAILING THEM MAKE SURE YOU SEND THEM EARLY ENOUGH THAT IT GETS TO THEM BY THE DEADLINE DATE.

PLEASE BE ADVISED THAT YOUR ELIGIBILITY FOR PARTICIPATION MANDATES YOUR PROMPT ATTENTION TO ALL DEADLINE DATES.

The future of the Moose International Youth Awareness program will be determined during your watch.

WHAT KIND OF FUTURE WILL IT BE
