

PARENTAL/GUARDIAN ACCOMPANIMENT

***** SPECIAL MEMO *****

In previous years, there has been confusion concerning Parents or Guardians accompanying the students to the International Youth Awareness Congress. The International Youth Awareness Congress is for students only. Please make parents or guardians aware that they should accompany the students to the airport to assure that they board the proper airplane. From then on, the students will be in the capable hands of the hosting "Moose Association chaperones." They will meet the students at the airport baggage claim area of the hosting city. Please understand there will not be a chaperone in connecting cities, only the hosting city. Please discourage any parental or guardian involvement in relation to accompanying the student to the International Youth Awareness Congress. Please make sure the lodge is aware that this program is for students and students only.
