Mooseheart's Founders Day – October 27, 2021

Today is Mooseheart's Founders Day!! This is celebrated each and every year by the Mooseheart campus and a weekend program was proudly sponsored this past weekend by the Michigan and Ohio State Moose Associations. Thank you fraternity for continuing to support Mooseheart!

Valued Veterans Pins and Certificates Mailing

The Valued Veterans pins and certificates for this year have been mailed to the Lodges. The Valued Veteran of the Year is also included in this mailing. It is important that you contact each of the members on the included recipient list for the date and time of the Lodge presentation date. We realize that members are busy. When a member for whatever reason may not be able to attend on the presentation date, please make alternative plans. Please contact them personally to make an appointment to meet them at the Lodge, so that you may present their pin and certificate to them at a later time.

Chief Compliance Office Reminder

Since May 1, 2021 all departments at Moose International have experienced an increase in Lodge and Association business emails being sent from personal emails. Sending emails this way can result in the Moose International server classifying it as spam and then we never receive the information or question. Then, if you follow up we have no record.

The use of the official email for your lodge or association must be used to assure proper communications between Moose International and our Fraternal Units.

Make sure that your inbox is kept clean as we also are experiencing a larger number of emails bouncing back for the inbox being full.

Any questions can be answered by the Compliance Office at micompliance@mooseintl.org.

Let's get Rockin'... the Cradle Fundraiser is on!

The Moose Charities Cradle Fundraiser has officially started and you have the entire month of October to rock the cradle! Keep the excitement going by hanging up the cradle cards in a prominent spot in the lodge so everyone can see them. Recognize every cradle donation with applause, a loud cheer or ring a bell! **And, let members know that their donation really makes a difference and supports the Endowment Fund.**

If you haven't downloaded the Cradle Fundraiser materials yet, there's still time to take action. You can find everything that you will need right on the [Moose Charities website HERE](#).

If you have any questions, please call or email Moose Charities: 630-966-2200 or request@moosecharities.org

Be sure to take pictures and send them to us at request@moosecharities.org! Thanks again for all that you do!
