Women of the
Moose pin

For the first time in several decades, The Moose is on track to generate an increase in membership, all because you believed that we could Make It Happen. We are telling the world what we are about as a Fraternity, and our missions of helping children in need, our senior members, and the communities in which we operate, are resonating with the public.

Even during COVID, our members continued to make an impact by distributing food to those in need, supporting the efforts of our first responders, and raising money for our two campuses at an unprecedented rate. You made that happen because of your commitment to the Moose and your caring attitude towards others. Now, more than ever, people see the things we do and understand the importance of having an organization that looks out for others at the most critical times.

Our 2022-23 campaign slogan is not only a statement but it is a challenge. Our members make things happen by helping others and showing what it means to be a Moose. To be successful we need to write down our vision and address it every day. Dream the dream, have a plan and Make It Happen!
