Safety Form Submissions Due May 30th

Online submission for the Lodge Safety Form is open and the deadline has been extended to May 30th. Failure to submit the form by the deadline will result in a 10% modifier on the Lodge's Risk Assessment. Tips to ensure proper submission:

- Sample Lodge Safety Form is available in the Insurance Reference Manual (Download from Moose International site)
- Use the sample to walk around your Lodge and complete the inspection.
- Online submission is the only form accepted. You may access the form through LCL Web.
- Make sure that there is no "ERROR" message which you will see on top of the screen. The form will not save until you correct the error.
- If you go back to the form and it is blank, this means that the form did not save.

Moose Leader

The Moose Leader, a publications for officers, created by the Publications Department, is attached. This is a valuable tool which provides thoughts and ideas to the officers of every lodge, chapter and Moose Legion. This is being emailed to the officers that have been entered via LCL Web and have an email address. If you have not yet entered your officers, or if they do not have an email address, please print and share with them.

A Message from Moose Charities regarding March of Checks

As you prepare for the 2022 International Moose Convention in Orlando, please plan time in your schedule to stop by the Moose Charities booth with donations for the annual '**March of Checks.**'

Donors of \$500.00 or more will receive a 'gold receipt' that serves as the ticket to take part in the March of Checks at the convention and will be recognized on stage during the Moose Charities workshop on Sunday, July 3rd.

Also, please be sure to include the fund or project on the memo line of the check where your March of Checks donation should be applied. This is a very important step to ensure your donation is handled correctly.

We greatly appreciate every donation received! Your spirit and generosity keep our Moose Fraternity strong and helps us to continue doing what we do best to benefit our children and seniors in our care.

Please contact Pam Amundsen at Moose Charities with any questions.
pamundsen@moosecharities.org or (630) 966-2200.

Messages From Activities & Heart of the Community

Our International Moose Convention is just around the bend. Our community service event will be monetary donations to "Give Kids the World". We hope every lodge & chapter is having some type of fundraiser towards this program. This is a great organization that helps kids have some fun while they are going through major medical issues. Information on this worthwhile program can be found on their Facebook page, or at www.gktw.org. Please show them how Moose Proud we are. We know we can Make It Happen.

Attn all Moose Riders - by now you should have had your election of Officers for the new year. If you have not yet submitted your list of Officers, please do so today. Please email Will Harrison at wharrison@mooseintl.org. We ask that this be submitted no later than June 15, 2022.
