

WOTM Training Session

Course Description

Overview These training sessions help ensure an understanding of the rules, regulations and guidelines established by the Women of the Moose for a successful fraternal operation. The six-hour training sessions provide tools to assist the leaders of our chapters in their daily operations. Successful completion of this training helps our chapters qualify for the Award of Achievement and co-workers qualify for personal honors.

This class is available as an In-Person Class or there may be a Virtual Class (with a live instructor) available on the Moose International Website

Audience This class has been designed for all Chapter officers and potential officers

This class is available to anyone wanting to learn more about the duties of the Chapter officers

Required Material There are no required materials.

Class Length This is a 1-day class

Class Completion Timelines Women of the Moose Officers are required to complete this class every year by October 31st
