May 1, 2023 - April 30, 2024

We are proud of the history of this great Fraternity. While keeping our past successes in mind, we look forward to the bright future with like-minded members who continue to play an important role in their local communities and supporting Mooseheart and Moosehaven for years to come.

As members of the Moose, we are proud of all that we have accomplished in the past for our children in need at Mooseheart, our seniors at Moosehaven and our local communities. We have proven how positively influential and important these core missions of the Moose have been to our society, resulting in greater public awareness of our Fraternity and another year of an increase in membership.

Now is the time for Moose members to remember their proud past and work together to focus on an even brighter future. When our members come together and envision a shared future, the possibilities to have a positive impact on society are endless. By bringing together like-minded individuals who are passionate and dedicated to supporting their communities and raising money for Mooseheart and Moosehaven, we can only grow stronger. Our Fraternity will be strengthened as we look forward to further opportunities to accomplish great things relevant to the important values, expectations and needs of our culturally diverse current and upcoming generations.

We are proud of our great fraternity's history. While having pride in our past, we look forward to a bright future, coming together as a diverse culture of like-minded individuals who continue to play an important role in our communities and supporting Mooseheart and Moosehaven.
