

WOTM Official Communication for October 2, 2025

Retirement for Mary King; Ed Coleman Joins Staff

Please join us in congratulating Mary King, Chapter Records Coordinator, on her retirement. Mary has served the Women of the Moose at Moose International for the last six years and has served the fraternity since her enrollment in 1995. She and her husband Rick have decided it is time to move “home” to Oklahoma and spend their retirement years spoiling their grandchildren and traveling. Mary’s last day will be Friday, October 3rd. You may send greetings to wotmmail@mooseintl.org or find her on Facebook. We will miss you Mary!

We are also pleased to announce Ed Coleman will be joining the Women of the Moose staff as Mary’s replacement. Many of you may know Ed from his service in the Call Center/Helpdesk. Having been employed with Moose International for many years, Ed brings a wealth of knowledge to this new position. We look forward to having Ed join our team and know his insight, attention to detail and familiarity with our members will be beneficial to our program. You can reach Ed at 630-966-2244 or ecoleman@mooseintl.org. Ed will also oversee the wotmmmail@mooseintl.org inbox. He will coordinate posting all forms, audits and dispensations received from our Chapters as well as assist the office staff and our membership as needed. Please join us in welcoming Ed to the WOTM Department.

Congratulations Mary and Ed!
