

Sponsor Incentive Program

Frequently Asked Questions

General Questions

1. How do I qualify for the Sponsor Incentive Program?

Beginning November 1, 2025 thru April 30, 2026, when you sponsor your fifth (5th) member into the Lodge, you earn the incentive. Every time you reach a sponsorship multiple of five (5) going forward, you earn an additional incentive (i.e. 10, 15, 20, 25, etc.). There is no limit to the number of incentives that you can earn.

This program is for the Moose Legion and WOTM Chapters as well, just sponsor your fifth (5th) Moose Legionnaire or Chapter member and you earn the incentive (see Question 8 below).

2. What exactly is the incentive?

You'll receive a one-time use code to be used in one of the following three ways –

- Payment of one year of your own Lodge dues
- Gifted to another member for one year of his/her Lodge dues
- When using the Online Lodge Membership Application to sponsor a new member into The Moose, it can be used to pay the applicant's dues and the \$20 application fee

3. I sponsored five members prior to November 1, 2025, can I get a code for these sponsorships?

No, only reaching your fifth (5th) sponsored member or a multiple of five (5) on or after Saturday, November 1, 2025, counts. If you had sponsored three (3) new or re-enrolled members prior to November 1, 2025 and then sponsor two (2) more following November 1st, you earn the incentive.

4. How will I be notified if I have earned a one-time code?

You will receive notification from Moose International via the email address you have provided in your My Membership Record. Please take a moment to make sure we have the most up-to-date email address for you by logging into your My Membership Record or through the online Moose App.

5. Can the one-time code be used for an expired membership?

Yes, the code can be used to pay for any member's expired dues, including your own.

6. Is there an expiration to the one-time code?

Yes, all one-time use codes must be used by the end of day on June 30, 2026. Any unused codes will expire on July 1, 2026 at 12:01 a.m. Central Daylight Time.

7. I accidentally deleted the email with the code, can I get a replacement code?

You can contact the Moose International Helpdesk to request a new code. We will need your last name and MID Number as shown on your Moose Membership Card. Once we verify that the code has not been already used, we will issue you a new code, via your email address on file.

8. Can I use the code I received for sponsoring 5 WOTM Chapter members for my Lodge dues?

Unfortunately, not. The incentives are separate and specific to each fraternal unit. Sponsorship of your fifth (5th) WOTM Chapter member on or after Saturday, November 1, 2025, and each multiple of five (5) thereafter, through Thursday, April 30, 2026, will earn you a one-time code for WOTM Chapter dues. The same holds true for the Moose Legion.

You'll receive a one-time use code to be used in one of the following three ways –

- Payment of one year of your own Chapter/Moose Legion dues
- Gifted to another member for one year of their Chapter/Moose Legion dues
- When using the Online Chapter/Moose Legion Membership Application to sponsor a new member into the WOTM/Moose Legion, it can be used to pay the applicant's dues
