

WOTM Official Communication for June 18, 2026

Previous WOTM OC's

Did you know you can view previous Official Communications (OCs) for a period of time on the Moose International website? Go to the communications page and click on Official Communications. You will find the last two or three WOTM OCs, along with the OCs sent to all Fraternal Units.

Sign emails

When sending emails to WOTMmail from your chapter's SmarterMail, please be sure to sign your name with a phone number at the bottom of the email. That way if there is a question, we know who to address a responding email, or if needed, we can call the email's author directly.

FORM 114 - Reminders

Checks sent with Form 114

We have received a few Form 114s with a single check for multiple months. Each Form 114 is to have its own check(s) - a check can only be used for single Form 114. The check can be used for all three amounts on that one month's form, but **not** for two or more different month's Form 114.

Signatures

Before sending a Form 114 with a check, make sure there are **two** signatures on the check. If there is only one (or none) the check will be returned and no credit will be given for sending the Form 114 for that month.

Earmarking Checks on a 114 Form

Remember for a chapter to be considered for the Award of Achievement, each month's Form 114 must have a minimum of \$20 for Scholarship & Maintenance and \$30 for the project. If you write one check for the month, be careful how you earmark the amounts to be applied for each. Checks are processed according to how you have identified the amount that is to be applied to the various S&M, Special Project and Endowment.

Handbooks

The 2026-2027 Office and Treasurer Handbooks are on their way to all chapters. Be on the lookout for them in the next week or so. Also, if your chapter has a PO Box, make sure to ask at the counter if you have a package - not all Post Offices put a note in the PO Box.

Chapter Member of the Year

You are now able to enter your Chapter Member of the Year in LCL. You will be able to enter your Chapter Member of the Year from now until October 31, 2026.
