Chastain Overcomes Weather and Handling for 11th Place in Atlanta

NASCAR driver Ross Chastain went one lap down after his Moose Fraternity car's handling was too loose to turn in Stage 1 and he completed the stage 32nd. He pitted for major adjustments to the No. 1 Moose Chevrolet and returned to the track deep in the field for the second stage. With the handling better, Chastain worked his way forward, but needed a caution to put him back on the lead lap. That caution turned into a red flag for precipitation and the race returned after a three hour, nine minute delay.

In the final stage, he restarted 14th with 22 laps to go and then was in the 10th spot when the next caution was displayed. Chastain maintained strong track position when the caution came out on lap 255 while in eighth, setting up for an overtime finish and an 11th place finish.

Prior to the race, Ross appeared at Warner Robins Moose Lodge 1688.

"It was a decent day for our Moose Fraternity Chevy. Early in the race I was so loose, but once Brandon made the call for those adjustments the handling really improved. It was a fun race at Atlanta and we came away with a clean car and a 11th place finish." – Ross Chastain

Chastain's next race is the Window World 450 at North Wilkesboro Speedway on Sunday, July 19th at 7:00pm ET. Last year during the All-Star race at the same track, Chastain posted another top-5 finish, coming in 3rd.
